Dedication

Faculty and students find it difficult to realize that retirement is ending Harvey Paulson's teaching career. It has long been evident that for all his life he has had the "time of his life". His enthusiasm and energy make him seem perpetually young.

No subject is foreign to his interest and curiosity—history, business, athletics, civilization in general. Any topic gives Harvey a chance to relate another incident that has taken place in his own busy history. Whether

teaching in a rural one-room school, a high school or college classroom, he always had the situation well-in-hand. Who will handle our funds and help us to keep our books straight, if not Mr. Paulson?

We believe that he will be "around" for a long time to give us background and counsel. Constant contacts with his innumerable pupils all over the community will insure him a future as entertaining as his past — a future with never a dull moment.

Our Year

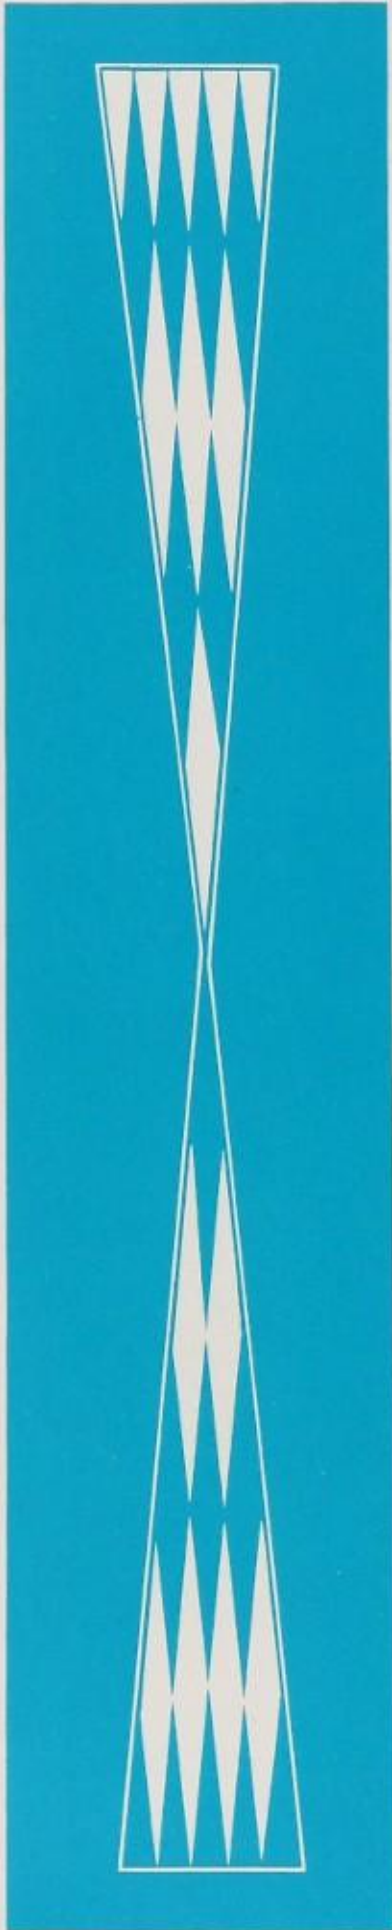

Time is that relative factor which imparts a meaning and purpose on all that occurs in the universe. All life is in a logical and purposeful progression which has time as a scale. This great scale has neither beginning nor ending, nor does it ever waver. Time always progresses evenly, and it is only our impression and conception of its presence that ever varies. We may recall and predict time, but we are powerless to control it. It must follow then that the importance of time is inestimable, and we can only attempt to understand the manner in which it affects us.

What is the use of a drink of water, a breath of air, or a word of pardon if it comes too late? Consider the consequences when a moon rocket is launched too soon, or when someone acts in anger before thinking about the situation. Delay in making a decision can bankrupt a corporation, lose a life, or start a war. How much credit may a student receive for a theme submitted a week late. Finally, note the status of an individual who is prone to verbal outbursts before the dismissal of class. The foregoing examples are obviously characteristic effects of time, but, in addition, we should explore some other aspects of time.

It is not unreasonable that something as mighty as time should have something to offer for all of us. Certainly time holds special wonders for each and every person. We may utilize our years in high school as a notable example. These years may offer a great lesson, a very special person, a senior prom, or the opportunity for preparation for later years. Actually the high school years may present a combination of these benefits and more.

When we compare our minute glimmer of life to the vast panorama of time, we seem to be a negligible factor in the whole operation of existence. Yet insignificant as we may seem to be, we may still enhance the very expression of time. Every one of our thoughts and actions is an integral event in the story narrated by time. Since this story is a cumulative one, everything that happens is dependent on previous events. So everything we do in high school serves as a basis for the remainder of our lives. Time lays before us now the opportunity to mold our lives. Let us not fail to recognize the tremendous importance of this opportunity, but make use of its possibilities to the fullest extent.

Time has given us another great year of priceless experience. Muskegon Senior High School has won recognition in nearly every field of endeavor available to a high school. We have done our best to augment this latest year of time's story in the most marvelous manner to date. Indeed, we have had the time of our lives.

As our "pages" Peggy Hollander and Lisabeth Cayan lifted the cover from the Said and Done, we kicked off our sales campaign. We now present to you the yearbook that you have been waiting for ever since this picture was taken. So, now take time out and enjoy watching your year at M.H.S. pass in review.

The Wheel of Time Rolls Downward Through Various Changes

The coming of fall means many things. No more lolling on Lake Michigan sand all day basking in the sun. No longer can you waste away week-end mornings on the telephone discussing last night's pizza-party. Gone are the days with nothing to do. Here at last is the time for football; when we cheer on our team with that unquenchable exuberance accredited to teenagers; the dance after the games; promenade gaily after a victory and speak of our daring plays;

the excursions and parties on the week-ends when we have out of town games. Assemblies, plays, and pep rallies all head the list at M.H.S. Of course, there is the ever-present homework which forms the foundation of every school year and of everyone's future. We have been launched onto the adventure of another school year. Perhaps this is your first year at Muskegon, perhaps your last, but certainly your best.

This is the usual pre-bell crush outside the doors at M.H.S. What are they talking about? Do they regret leaving the pleasant fall weather to enter our institute of learning? Maybe they are comparing schedules and discussing their new teachers. Let's follow them through their school year, for they made it what it is.

Comparing notes on points of interest where their paths may have crossed at one time or another are our foreign exchange students. From left to right are Hans Bolten from Germany, Saki Takahashi from Japan, Dick Danhoff from M.H.S. who traveled to Europe last summer. Dick was sponsored by A.F.S. funds collected each year by Carmenta to send a M.H.S. student abroad to live with a family there for the summer, and Hannah Krogh from Denmark. These students are selected for their scholarship and personality in their native countries and then brought to Muskegon to live with an American family for a year.

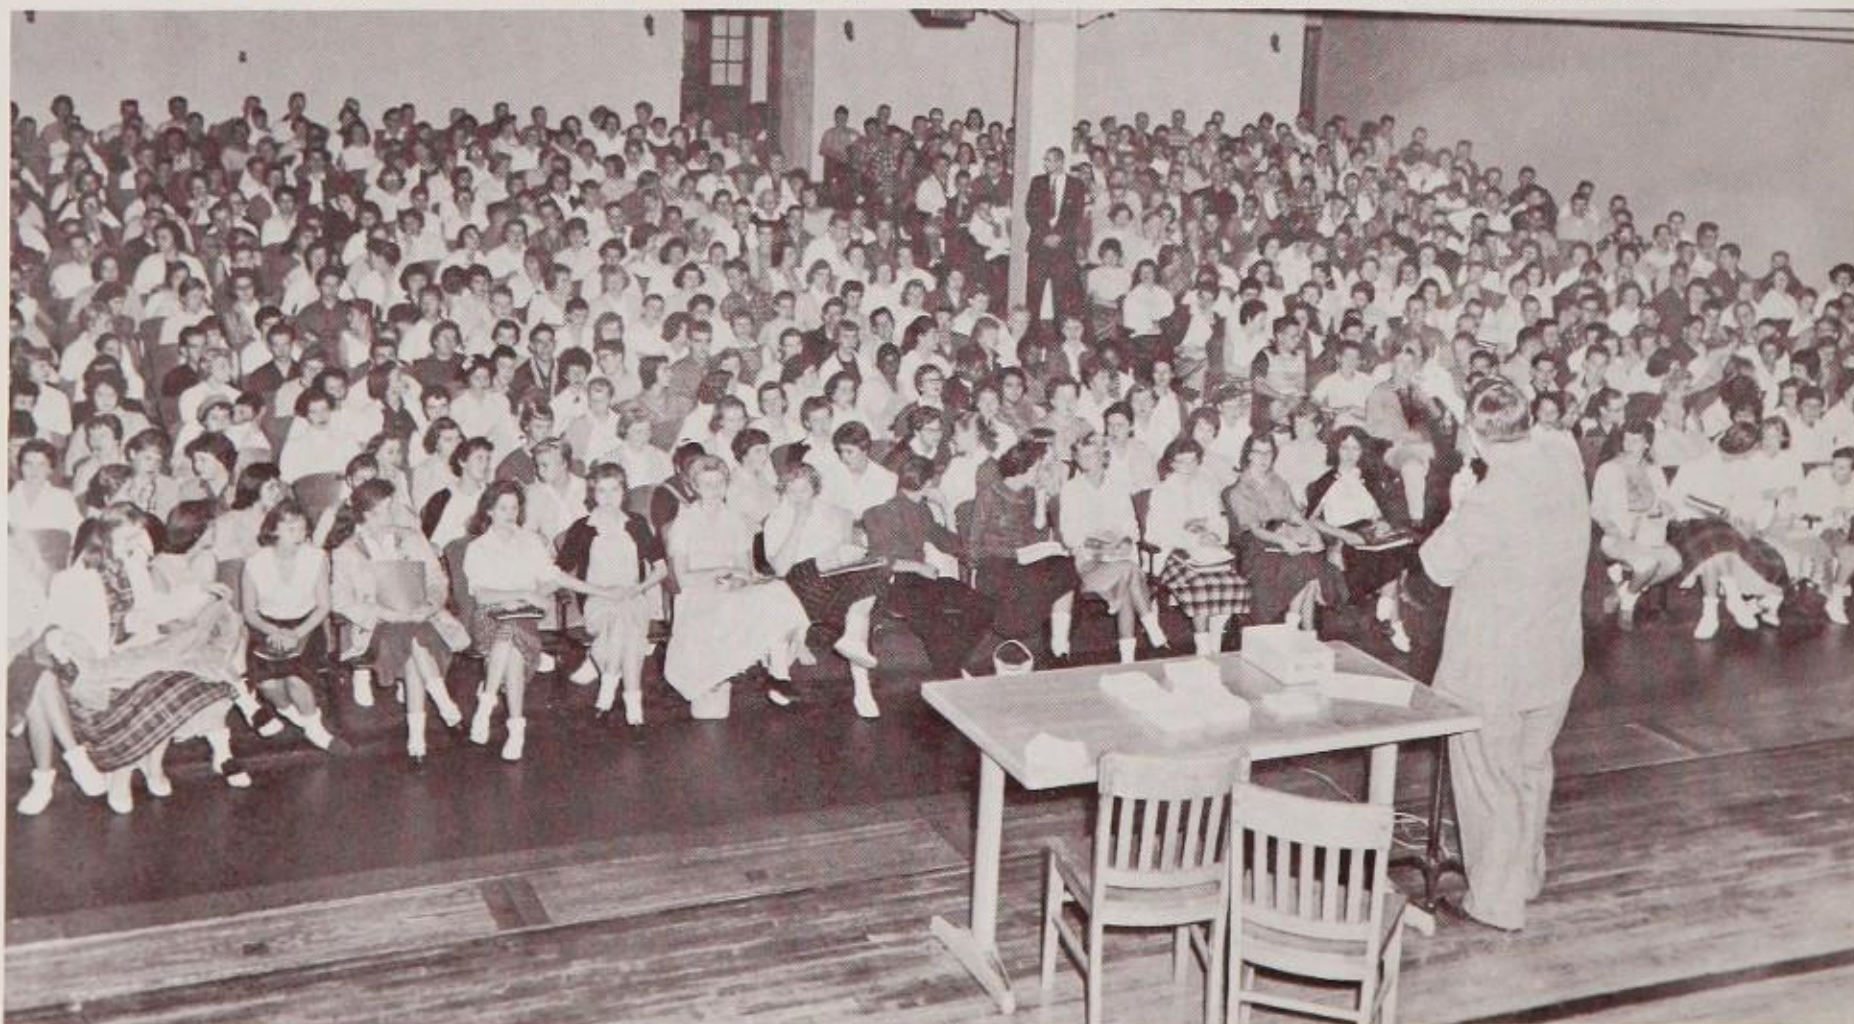

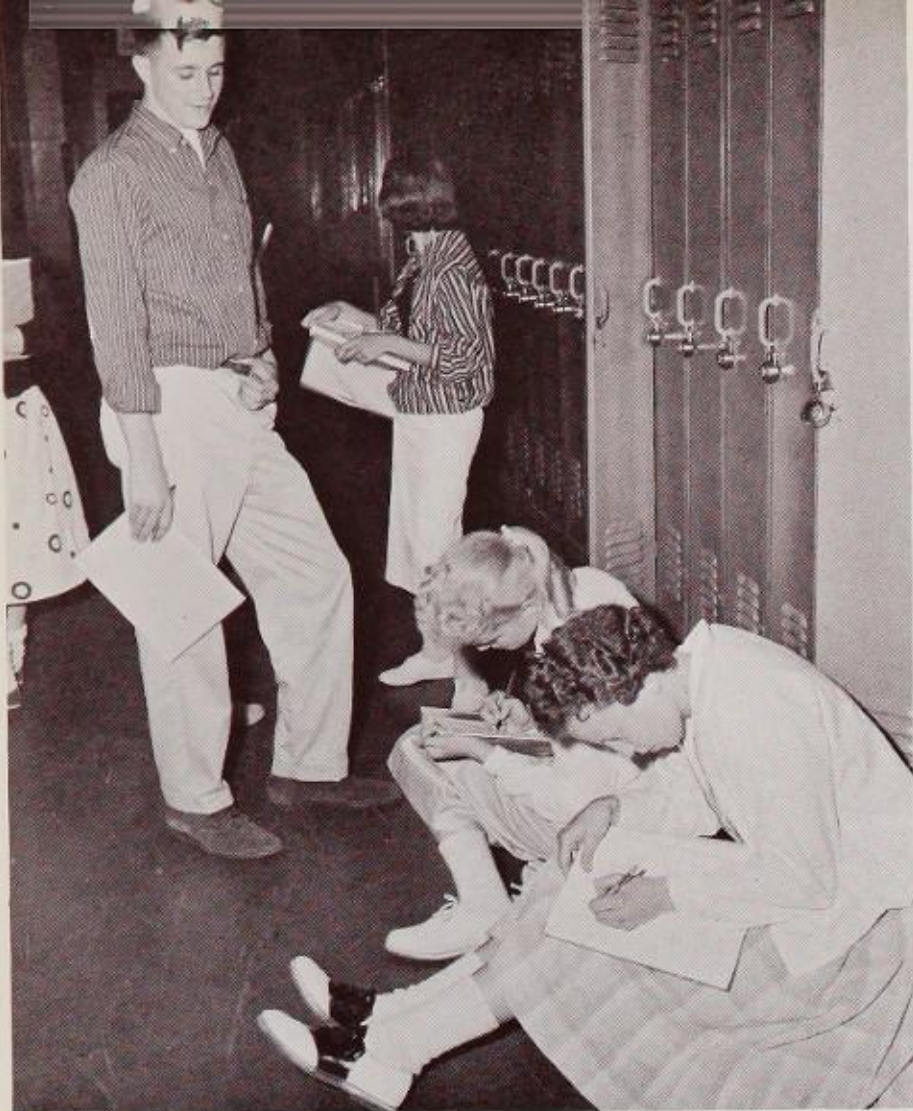

Our photographer didn't need to say, "Watch the birdie." These sophomores new to M.H.S. last fall mugged for the camera as soon as they caught sight of a lens.

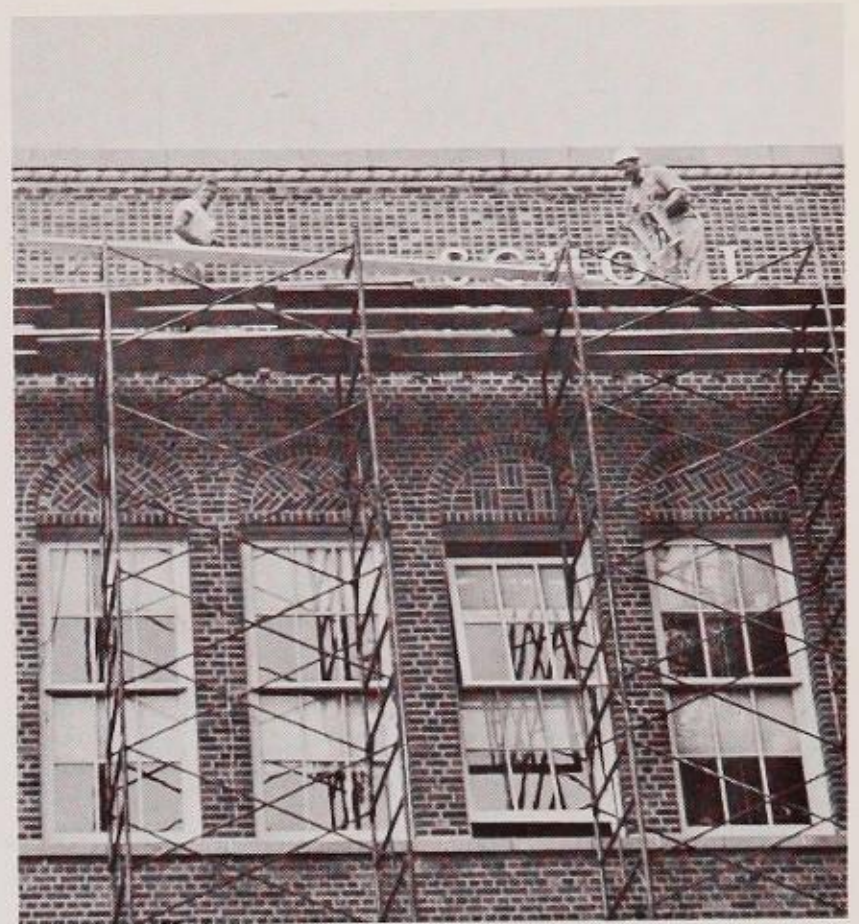

There's a Time for Meeting New

"New students, that way is the main hall," Mr. Burdick seems to be explaining to new M.H.S. students, as he briefs them the day before the opening of school. At this annual pre-school meeting, our maze of halls and rooms is explained. For a while they wander aimlessly, but wait, soon they will be holding their own with the more experienced students.

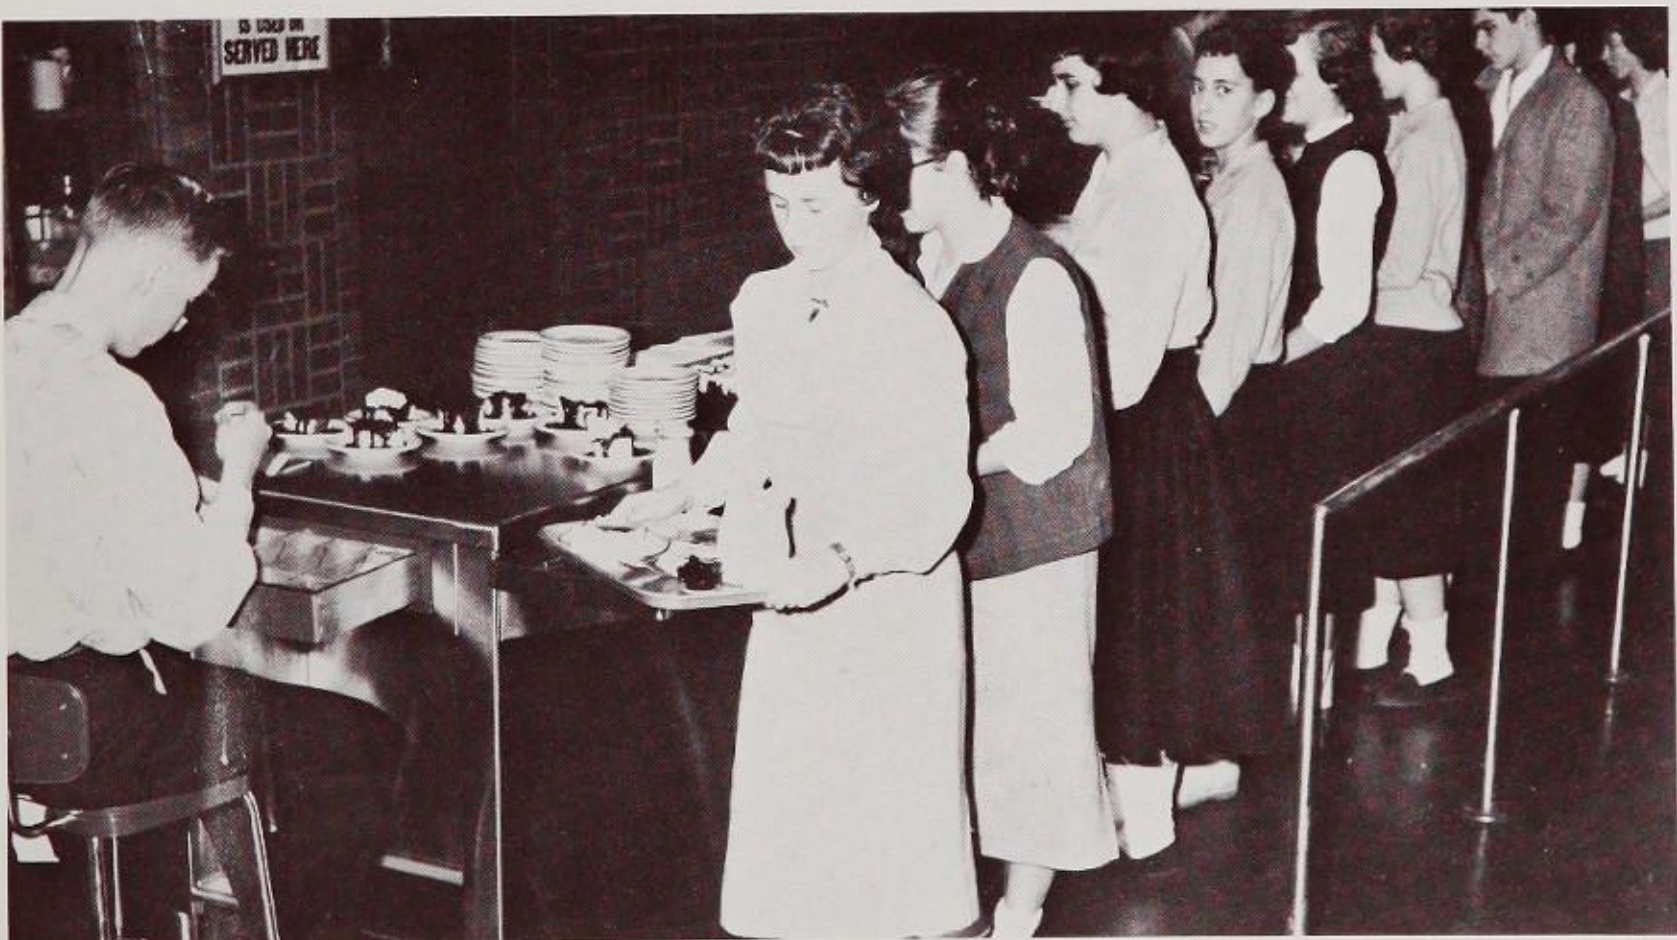

Roy Beagle seems to be urging speed as he watches Karen Stulp and Marcella Bowman sign last year's Said and Done. Everyone had a yearbook and as you can see, they stopped everywhere to sign them.

MUSKEGON HIGH SCHOOL, that's what the letters over our school say. Here we see workmen changing it during summer vacation; it used to be Senior High School and Junior College. Then, when J. C. was established, our letters were off keel. Now, with this fine gift from the graduating classes of '57 and '58, our school proudly announces to the world that this is our school, Muskegon Senior High.

Friends and Making Changes

Hungry M.H.S. students keep the cafeteria and auditorium hopping during all three of our lunch hours. Here we see the ever-present chow line in the cafeteria, waiting to be served at the main service table. There are two places to be served in our big cafeteria: the main dish table and the smaller table used mostly by our "bag lunch" students.

Responsible for a lot of our good spirit at M.H.S. are our Big Red cheerleaders and Indians. From left to right are Barb Cross, Wendy Houghton, captain Peggy Wainwright, Sue Zachariason and Elaine Humenick with our dancers Sanford Miller and Bob Jensen. Our peppy cheerleaders have kept up Muskie spirit even when we were on the low end of a score.

Always working, never slacking is our painstaking band leader Mr. Stewart. His insistence on perfection has made the marching band and orchestra at Muskegon top ranking in the state and nation. Here he is directing the band at the last performance of the school year — graduation.

High stepping drum major at M.H.S. this year is Ted Bensinger. This strutting figure in white leads our marching band through their various formations and maneuvers during the half time shows of the football season at Muskegon.

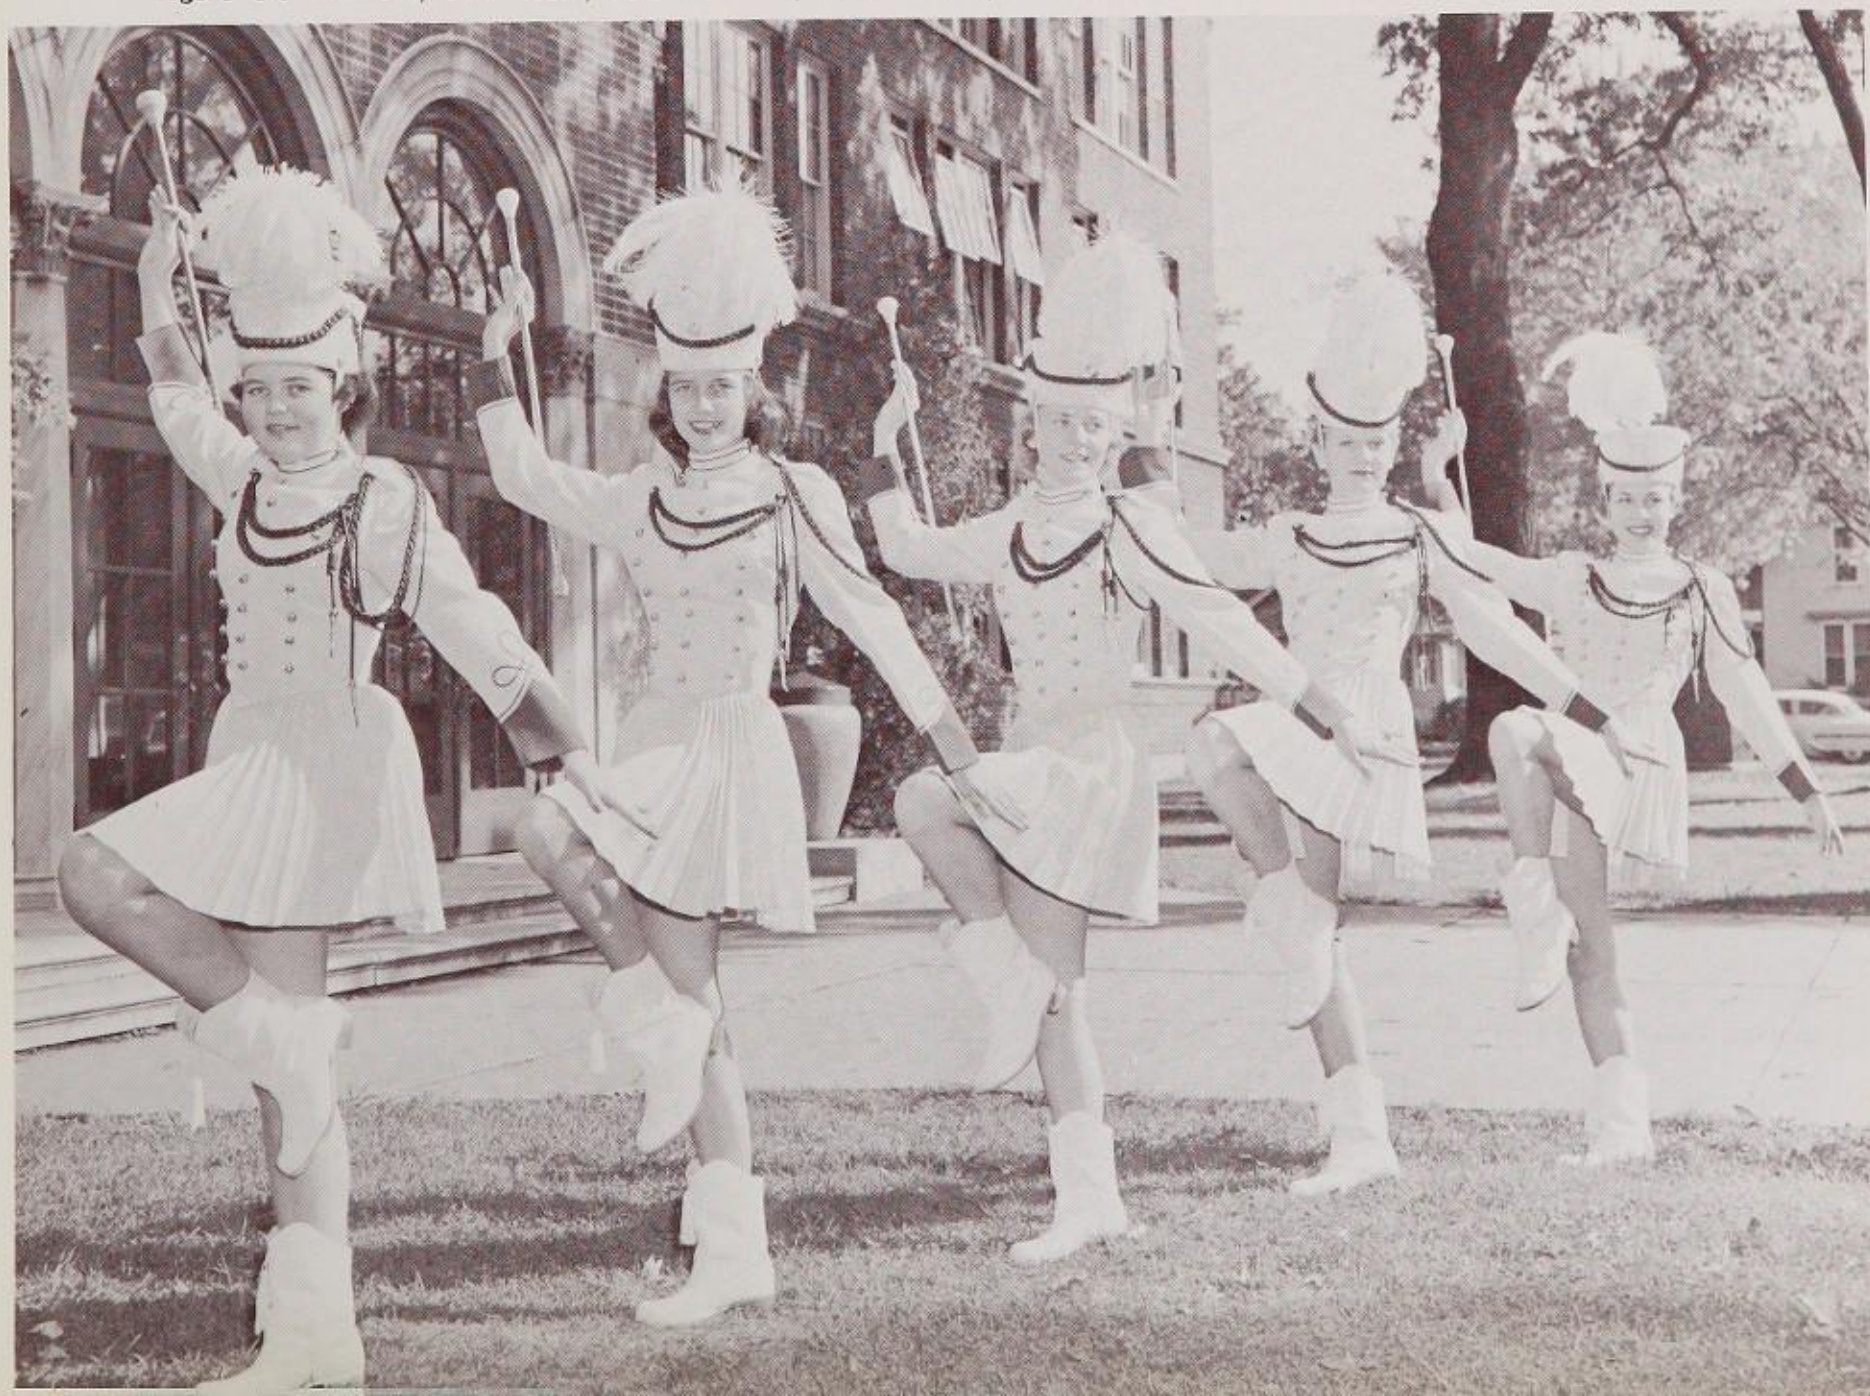

These enthusiastic cheerleaders who could boost even a losing team's morale, displayed vigorous determination as they led their Little Reds on to victory. From left to right are Linda Woller, Linda Gay, Diane Baker, Lynn Tischler, and topping the pyramid is Donna Johnson.

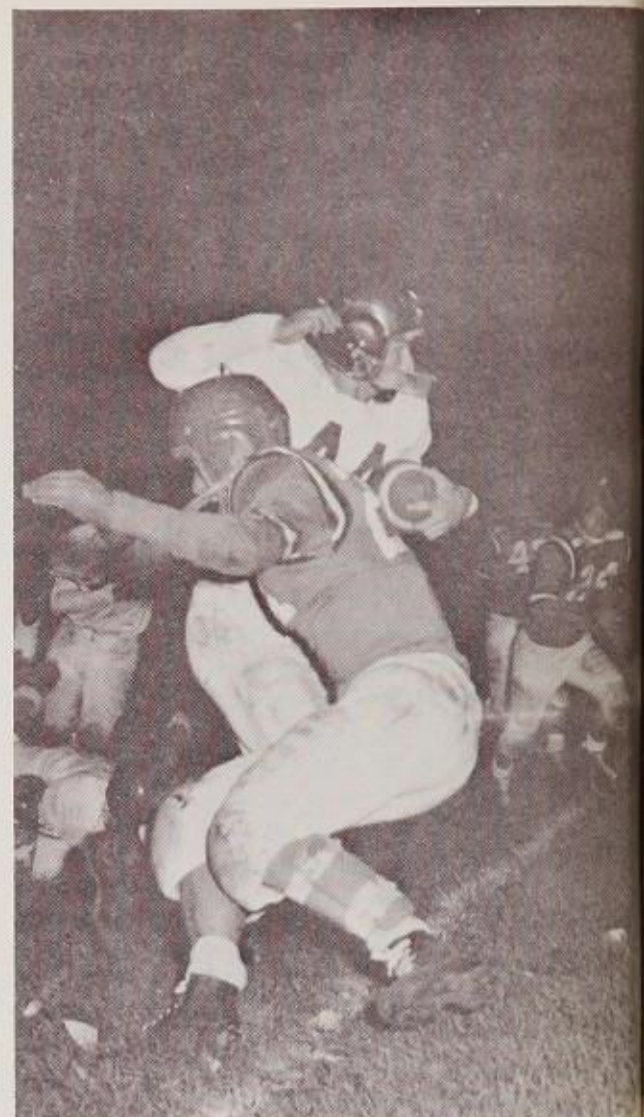

There's a Time for Cheers and Music

Twirling and whirling in many formations, the majorettes add sparkle and color to our marching band. Here in full regalia are Ann Bos, Barb South, Barb Hartsema, Leischen Movey, and Karen Johnson.

"Here they come!" This was the cry that went up as our Homecoming King and Queen walked down the runway to greet their loyal subjects. Soon after this picture was taken our "rulers" Peggy Wainwright and Roger Locke led off our first dance at the Homecoming dance.

Stopping "Terrible Terry" Locke was upper-most in the minds of Benton Harbor as they tackled him here. But

The Times are

Suspense, fear and hope is seen in the expressions of these Muskegonites as they watch one of our Big Reds running down the field trying to gain a touchdown at our annual Muskegon - Benton Harbor Homecoming game.

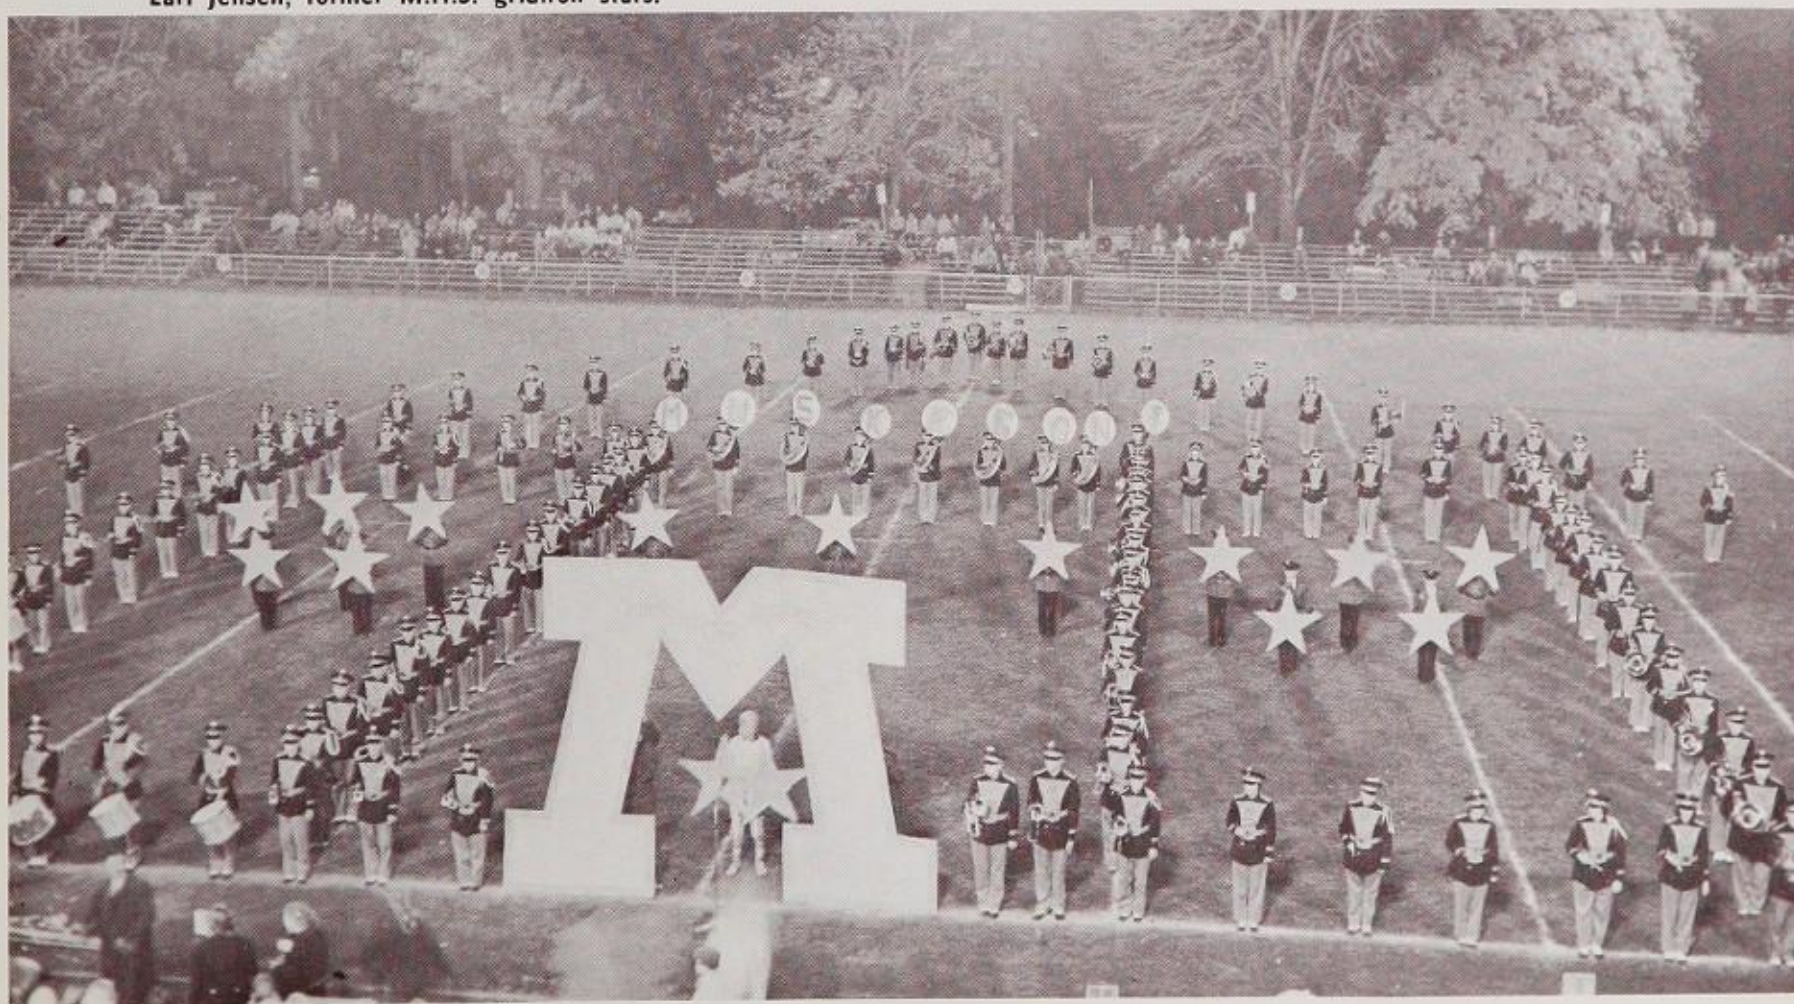

Terry succeeded as usual in bringing in the winning touch-downs to make our Homecoming game a victory.

"I could have danced all night," but school dances must end. Everybody had a good time at the dance after the Homecoming game. The band was a change from the fast catching record hops, and it seemed a welcome break.

Big with Tidings

"When you see those teams in red and white, cheer, cheer." That's just what all Muskegon students and alumni did during this half-time band show at Hackley Stadium. When Dad's Night was observed, special tribute was given to Robert Zuppke and Earl Jensen, former M.H.S. gridiron stars.

Here we see some twelfth grade English students with their instructor Mrs. Peggy Wingler off to Chicago to see a production of "Hamlet." Boarding this bus is a symbol of achieving greater goals. These students combine pleasure and learning as they start on their way. No matter where they go or what they do, these students will not forget this fine experience of their high school years.

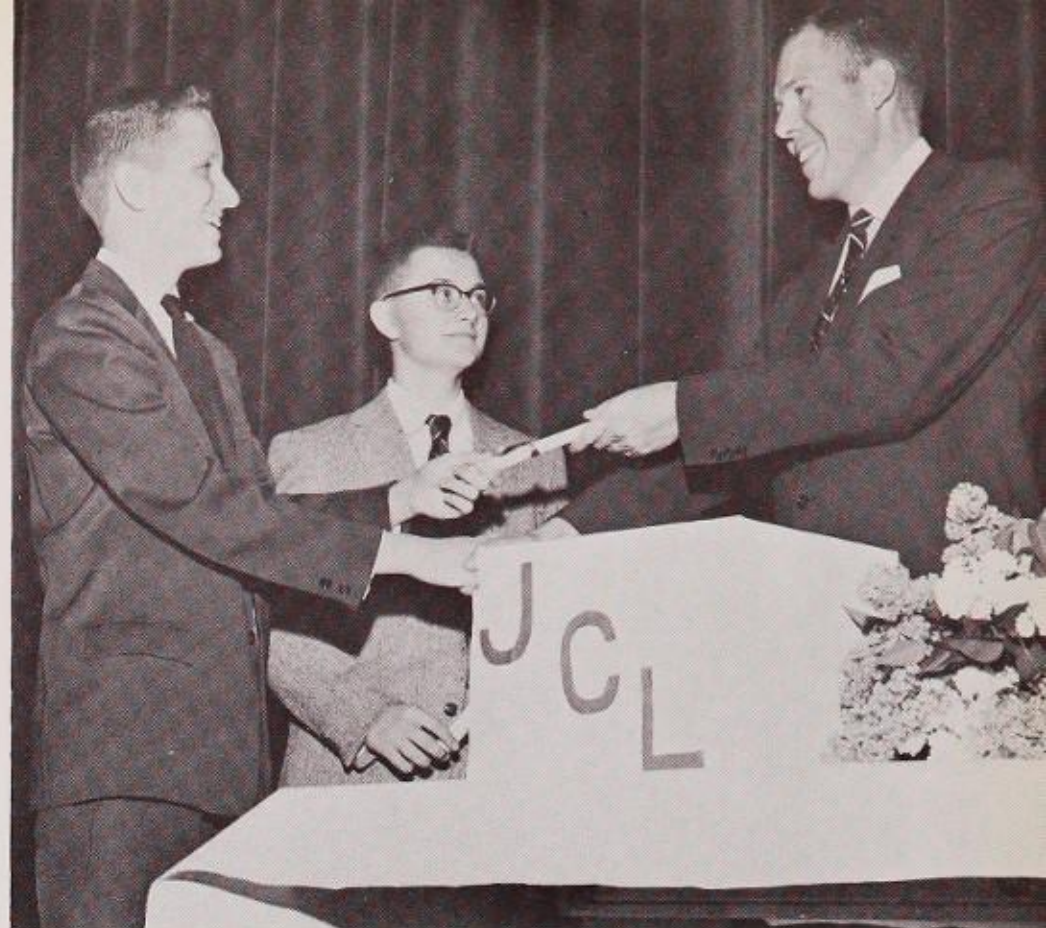

You Must Make Time for

At the honors assembly every year, awards are given to the top graduating seniors. Presenting last years' honor awards are Miss Ethel Raue and Mrs. Mabel Quail. The receiving seniors are left to right: Class President Carl Hesse, Ray Grimm, Sue Rose, Peg Nixon and Daryl Sabin.

A new custom has been established between Muskegon and Muskegon Heights. After each football game the winner shall receive the symbols of each school; the peace pipe for Muskegon and a toy tiger for Heights. Here is Tim Lutrey presenting the symbols to Muskegon for our victory over Heights; ours to keep until we are defeated by them.

Congratulations were given by Mr. Ihrman to Bob Pendleton and Ron Siiter for their skill in Latin. Their aptness was proven by their placing first class in a nation wide standardized test. This is a yearly feat of the Latin classes.

Business Before Pleasure

Lannie Beck patiently waits for Craig Rose to enter the voters' booth during student voting at Muskegon High. Besides testing the voting machines, M.H.S. students gained practical experience during this pre-election contest.

Many people nowadays are criticizing the American teenagers. People consider today's teenagers as being a spoiled generation, an age at which everything comes easy to them: money, use of the car and all other luxuries. Few of these people consider another aspect of a teenager's existence — education. At a time when many consider the standards of our country to be swiftly dropping, the standard of education is ever rising. Future generations will need a well developed brain to surpass all the advances of our nation. At Muskegon we have a wonderful faculty of highly trained educators working to prepare us for our roles in the future. Here we give to you evidence of their work, awards and scholarships for those who work, the students of M.H.S.

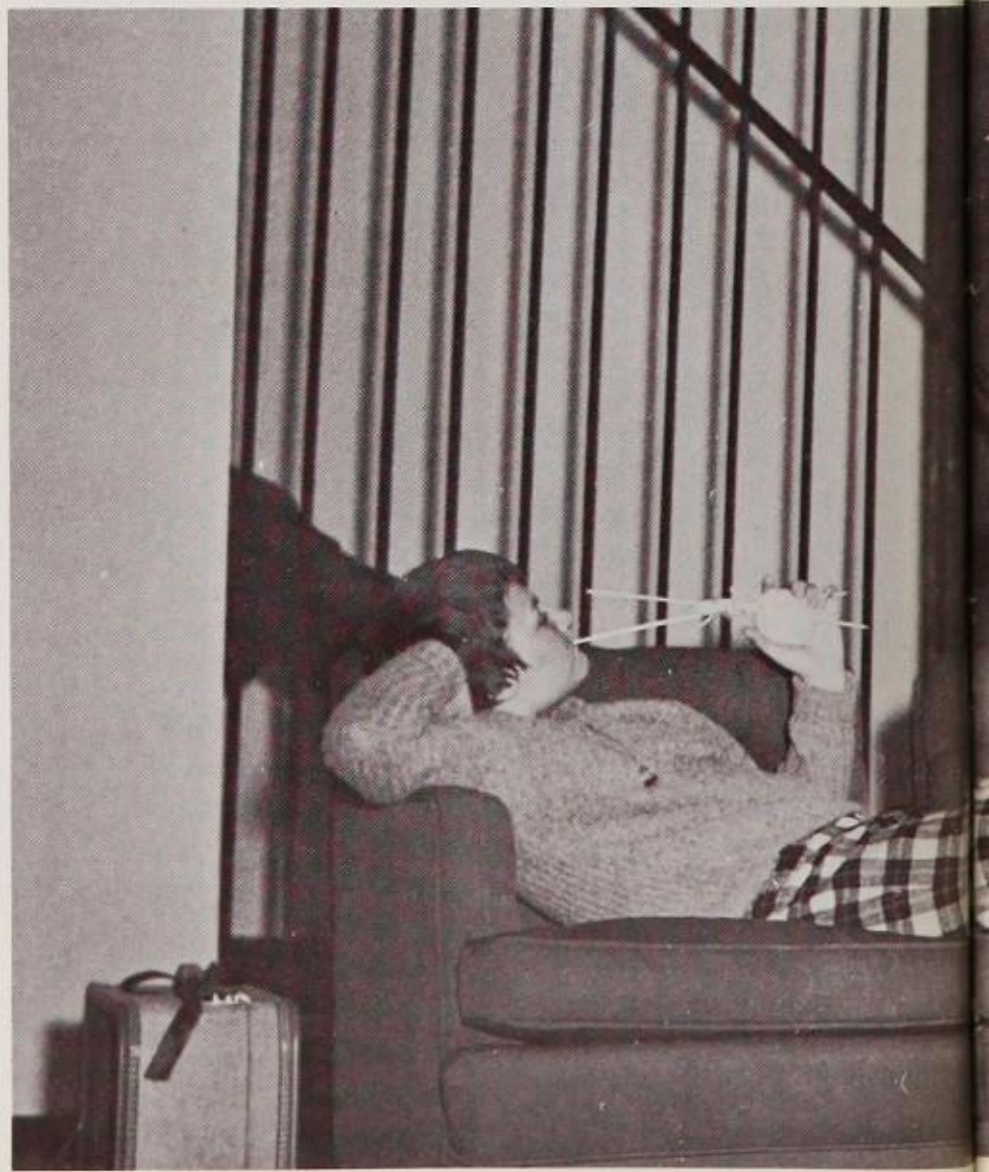

"Bon Voyage!" These were the gay cries of Lana Kay Broutman, Lorrie Leutcher, Karen Besing, Roxi Pierce, and Pauline Chonis as they bid farewell to their "pals" Andrea Bovitch and Sally Wickerink. These two girls became involved in many adventures during their trip to Europe in "Gentlemen Prefer Blondes."

Pleasure and Action

"Lights, curtain, action." The hard work, the time and trouble that goes into putting on a good show is rewarded in the applause of the audience. It's their way of showing gratitude for a painstaking performance.

Saki Takahashi, our A.F.S. student from Japan, expresses concern as Sandy Collier deftly converts him into a French hotel manager for his role in the Masque production "Gentlemen Prefer Blondes." Saki was bothered by the thought that his moustache might be crooked.

Carol TenBrink, Ken Anderson and Judy Benham are seen here as they appeared during dress rehearsal for last years' senior

Judy Briskorn's South Pacific dance accompanied by Dick Danhof's combo climaxed the annual talent show.

Make the Hours Seem Short

Here are Muskegonites putting their hearts into an act, a role they bring to life seeking the pleasure of self-satisfaction and the applause. Striving for perfection, working to please and entertain.

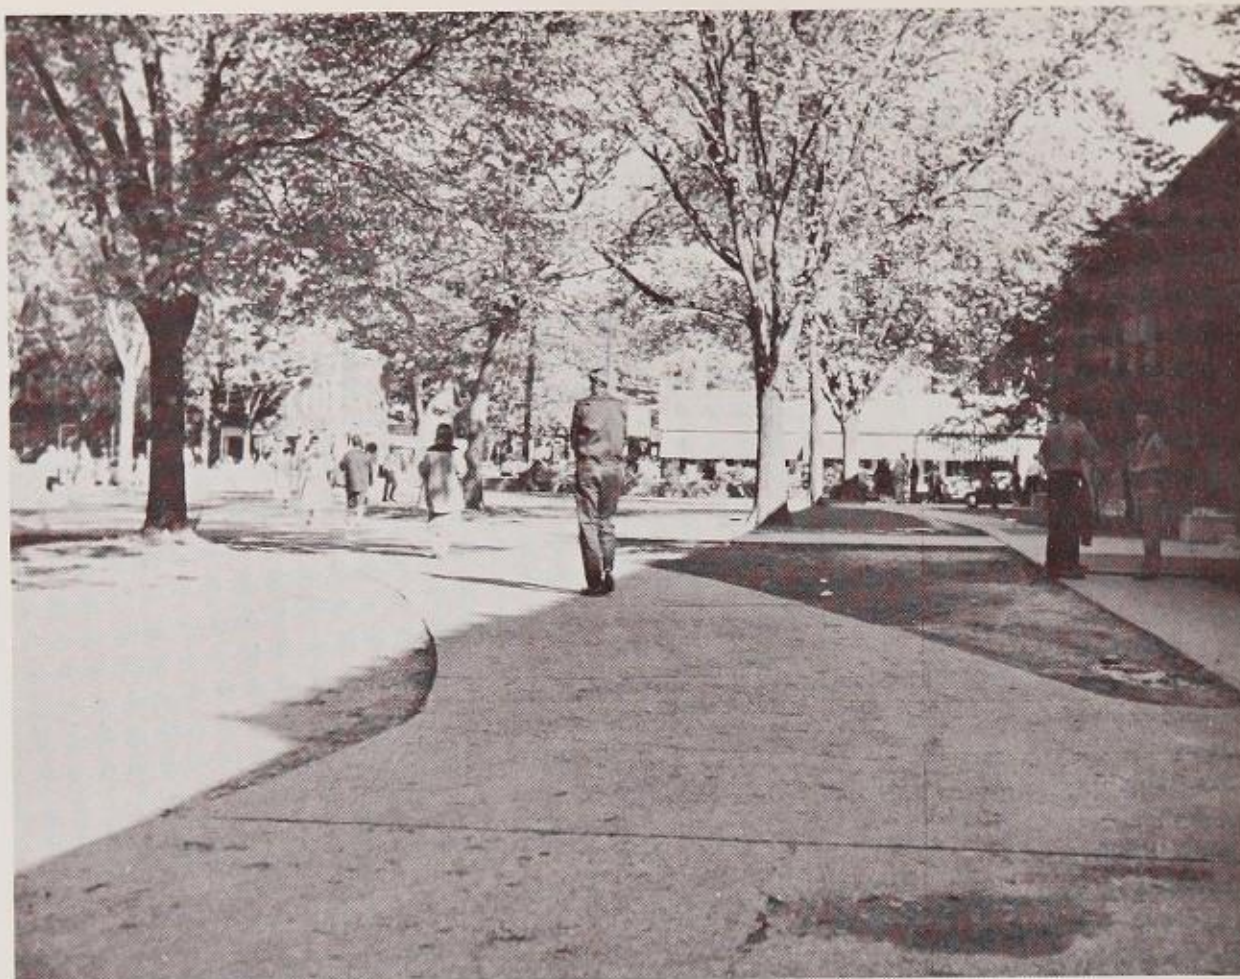

play, "Tattletale." This well-portrayed comedy was a hit with all Muskegonites.

"Will the next act please line up?" "Quiet backstage!" The tension mounts as Mistress of Ceremonies, Pauline Chonis, prepares to announce the next group of performers at Muskegon's Variety Show. Everyone exhibits last minute stage fright before going on to perform for their waiting public.

By day our campus is a bustling center of activity. It rings with the shrill echo of the bell and the murmur of conversation as students pass from room to room; then the quiet settles over our grounds as classes are resumed. When the last bell tells us that the day is done, the buildings are quickly deserted.

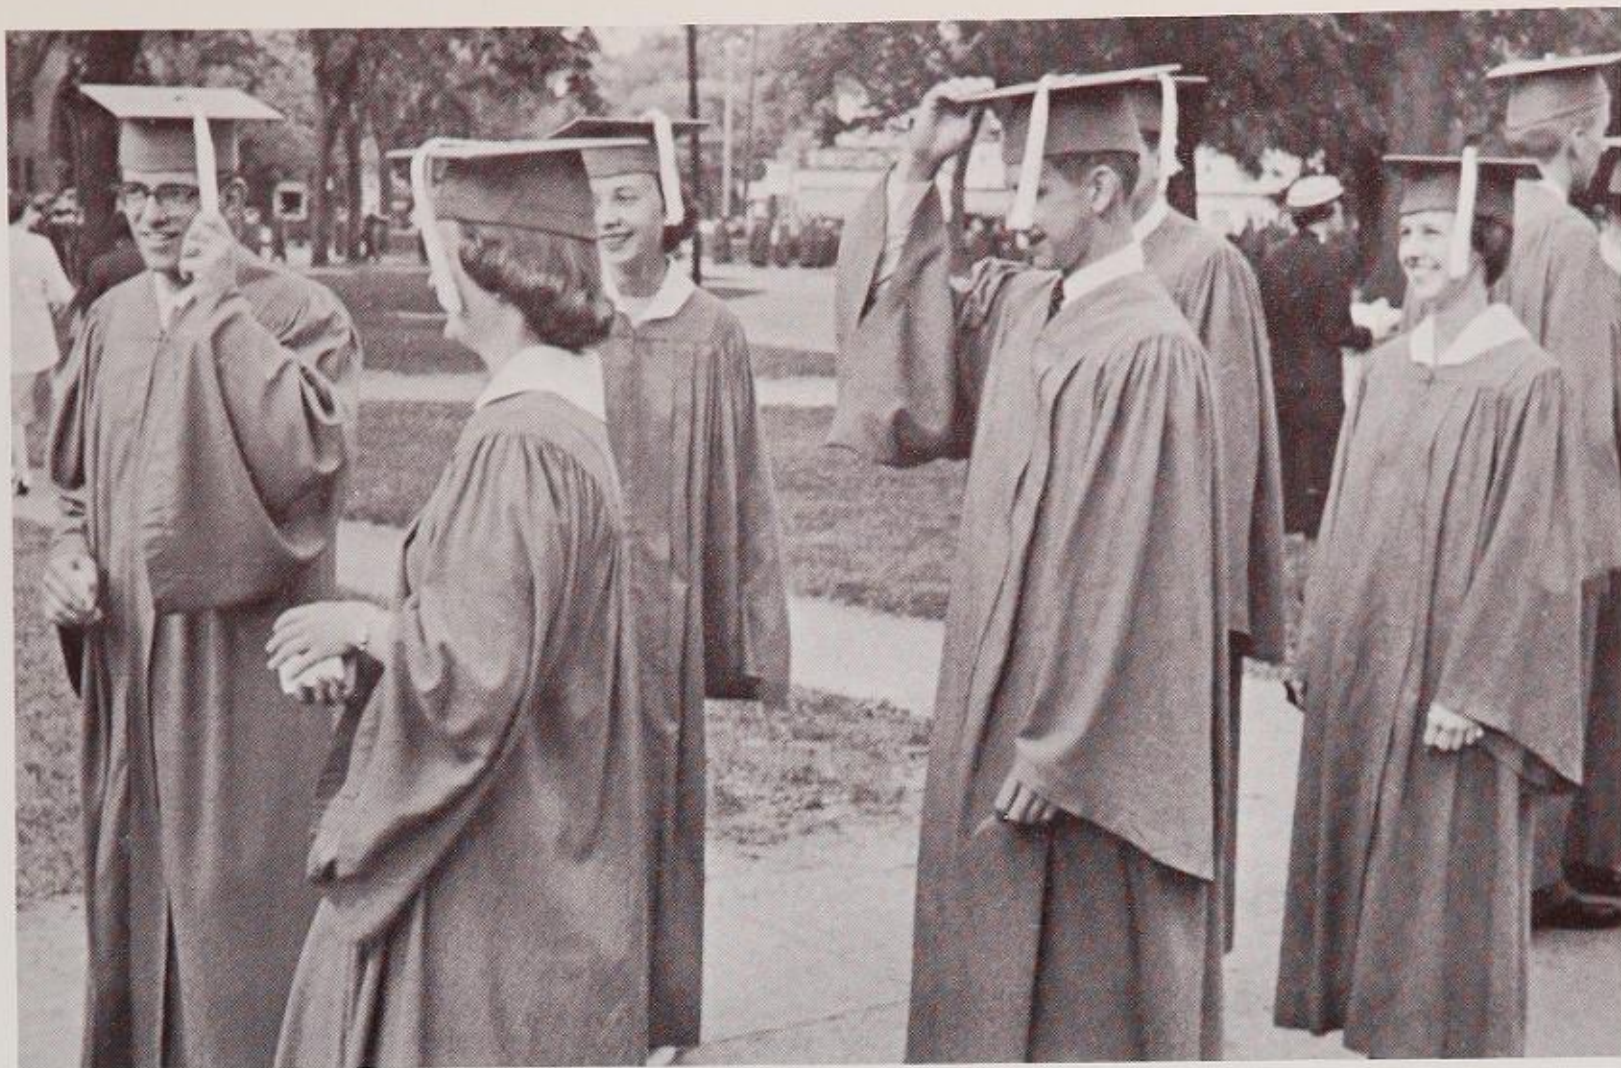

Behind every achievement there are people working to make it a success. When the junior and senior classes last year put on the June prom, "Sayonnara," there were many people working, especially the underclassmen. An oriental setting was used complete with pools and bridges.

And So the

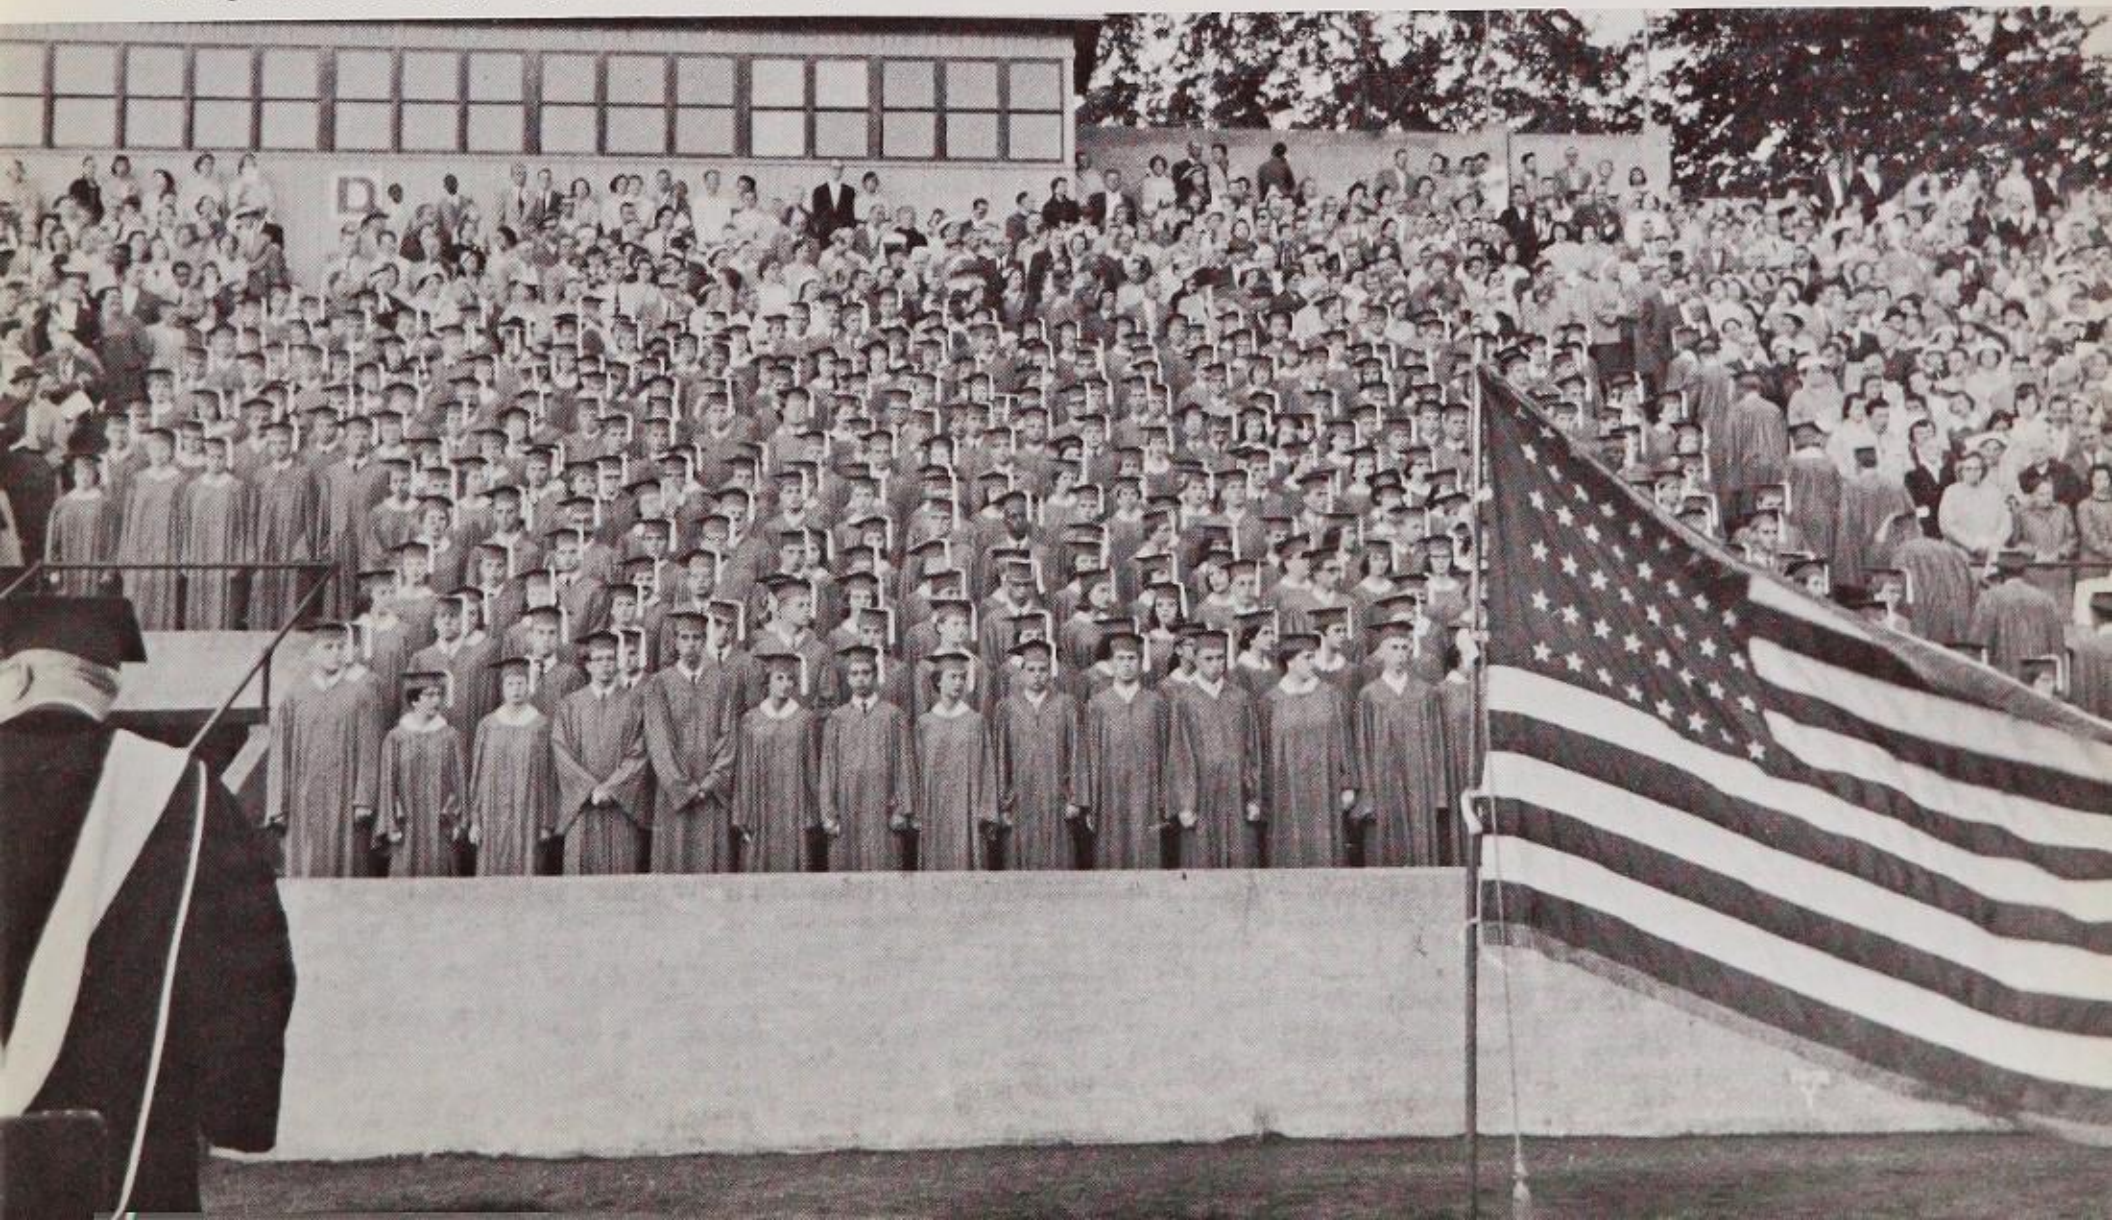

Graduation is the keynote to one's future. Today's graduates are the very foundation of our country. In the future, the graduates are the leaders. Getting a good start is the first step to success. At M.H.S. we stress building up that foundation, developing the minds and personalities of these people. The climax to that building is graduation. Graduation is the beginning and the end; it is the end of high school, for some it is the very end of their youth. From graduation many progress swiftly through college and into their position as adults in this world; some are slower, but nevertheless start on their way and become adults. Graduation will be repeated often throughout their lives as they begin and achieve bigger and better things. But their graduation from M.H.S. shall never be forgotten nor duplicated.

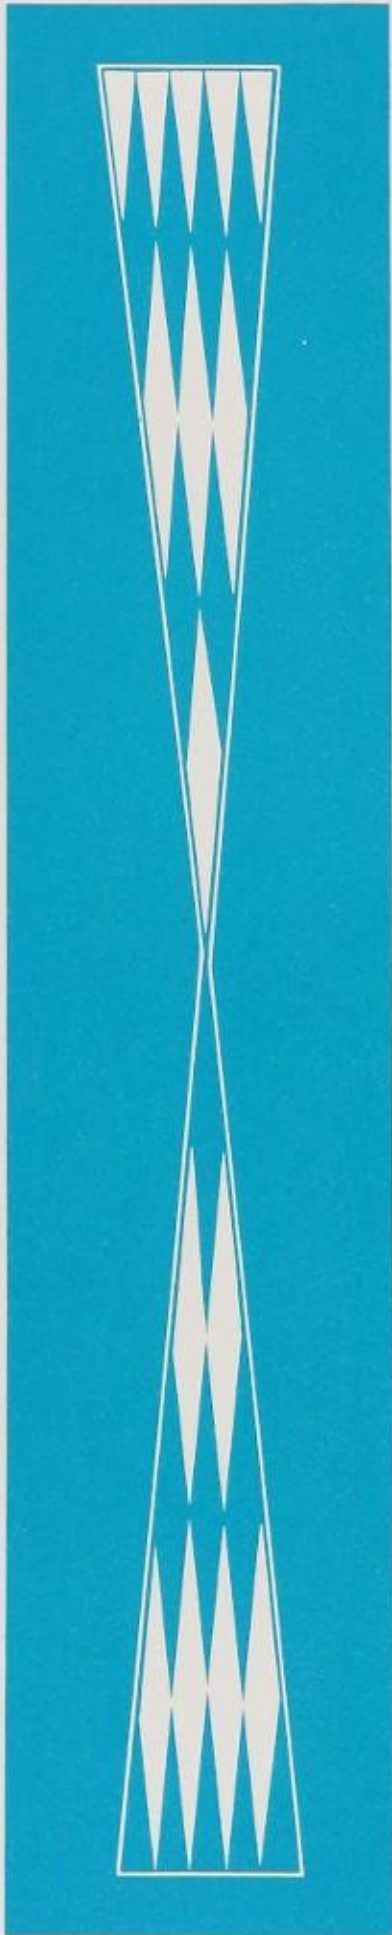

"Which side does the tassel go on?" This question seems to be bothering Jeff Funkhouser and others as they prepare for their last big moment at M.H.S.

Time has Come for Farewell

Standing solemn and tense, June graduates wait patiently while the last members join their ranks for the impressive commencement exercises.

Our School

Moments are precious when classes are in session. Much information must be garnered by the students, and the teachers must be prepared to dispense this knowledge. The administrators are also aware of the significance of time in planning the school's program. One hears on every side — "Sorry, I haven't the time" — to do this or that. Everyone is more than busy cramming in all that needs to be accomplished.

MUREL G. BURDICK, A.B., M.A.

Mr. Burdick thinks we should have all the space we need with the teaching staff adequate to lessen class size. He believes this is possible next year with the completion of Walter B. Steele Jr. High School and the Senior High School having the entire campus. Mr. Burdick is President of the Exchange Club, on the Y.M.C.A. Board of Directors, on the Central Methodist Church Board and a member of the Torch Club. His pet peeve is people who are not on time.

MR. EDWARD J. HUTTENG, A.B., M.A.

Sports, fishing, and hunting are what Mr. Huttenga lists as his favorite outside interests. Mr. Huttenga comes from Grand Haven, Michigan and is the director of Vocational Education at M.H.S. His travels cover much of the southern and western United States.

Tackling the Big Problems and Coming Out on Top

Problems, problems, and more problems! And for every one, no matter how big it is, a solution must be found. Finding those solutions is the job of the administration at M.H.S. They must make the rules and regulations, a task which takes much consider-

ation and discussion, and once the rules are made, the administrators must also see that they are carried out. Let's all take our hats off to those who keep our school running so smoothly, for they must tackle big problems, and they usually come out on top.

MR. RAY CARLSON, B.A., M.A.

Now acting as administrative assistant in charge of juniors, Mr. Carlson also teaches world history. Mr. Carlson has traveled all over the South Pacific, at the expense of Uncle Sam, while serving in the Armed Forces.

MR. LLOYD C. HARTMAN, B.S., M.A.

Mr. Hartman, who comes from Battle Creek, Michigan, is head football coach at M.H.S. and an assistant to the principal. Mr. Hartman's interests include the following: fishing, hunting and reading.

MISS EMILY HERKIMER, B.S., M.A.

The homemaking supervisor at our school is Miss Herkimer. She is a member of the A.A.U.W.

MR. KENNETH C. KOLBERG, B.S.

Mr. Kolberg hails from nearby Grand Haven, Michigan. He is the director of the manual at M.H.S.

MRS. ALICE KYES, A.B., A.M.

Mrs. Kyes, our assistant principal, enjoys art and reading. She is a member of the Board of the Muskegon County Museum. Mrs. Kyes believes each student should make high standards for himself and live up to them. She is also in charge of the foreign exchange students.

MR. JOHN W. TOPPEN, B.S.

Photography, gardening, and travel are among the hobbies of Mr. Toppen. He feels that to eliminate from study any room that does not have desks would be an excellent improvement for M.H.S. Mr. Toppen also expresses his pet peeve as "litter".

MR. WILLIAM C. DENTON
B.A., M.A.

Mr. Denton enjoys hunting, fishing, and photography. He was born in Wheeling, West Virginia. His belief is that smaller classes would be an asset to Muskegon High School. Mr. Denton's job is that of solving the many problems of our M.H.S. students.

MRS. THORA LUNDELL
B.A., M.A.

Do you like music, and collecting recipes and cookbooks? These are the interests of Mrs. Lundell who is a counsellor at M.H.S. She was born in Fergus Falls, Minnesota. She hopes that some day all people will learn to assume their assigned responsibilities.

MISS HARRIET REID

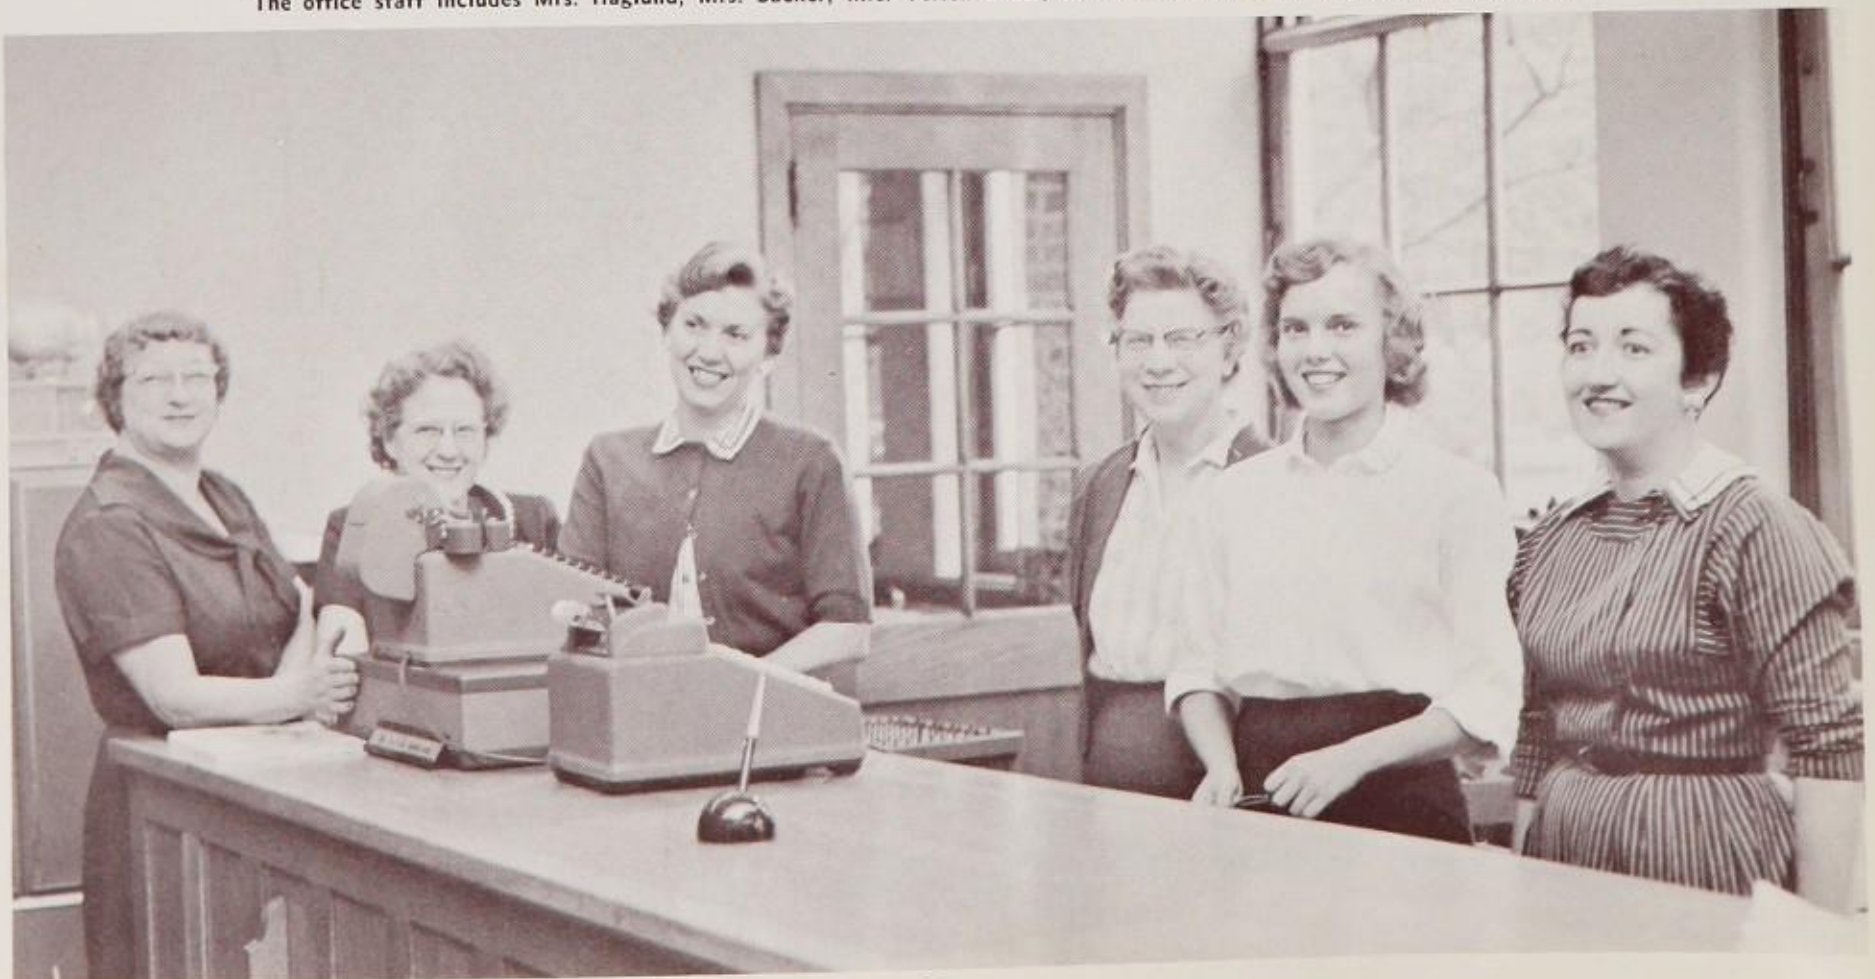

Miss Reid is counsellor at M.H.S. Besides assisting students with their problems, she gives freely of her time and energies to anyone who needs help. She feels that M.H.S. could become a better place if everyone cooperated 100%. Her pet peeve is gum chewing.

Guidance, Advice, Information Dispensed Here

What subjects should I take to go into a particular field? What college should I attend to get the best education in my chosen field? What jobs are available after graduation? What is high school preparing me for?

Are you confused by any of these questions? The counselors will help you find the answers and give other pertinent advice on your school program. Not only will you get this type of information, but you will also receive help on many personal problems which indirectly affect your school career.

The office staff includes Mrs. Haglund, Mrs. Backer, Mrs. Veitenheimer, Mrs. Casterline, Miss Wagner, and Mrs. Adams.

The cooks are:
Mrs. Collett, Mrs. Kuiper, Mrs. Holcomb, Mrs. Niva, Mrs. Denhof, and Mrs. Hamstra.

Cooks, Custodians Provide Food, Cleanliness

Have you ever noticed how the windows shine? Or have you ever been in study hall 120 just before lunch time and noticed the tantalizing aroma from the kitchen? It is our staff of cooks and janitors who are responsible for these things and many others besides.

Our custodians keep our school ship-shape by mopping up after we track snow in, or by cleaning our classrooms. Thanks to them, we have a school and campus in which we can take pride.

The custodians and maids are:

Mr. Zuidema, Mrs. Smith, Mrs. Pulsifer, Mr. West, Mrs. Miller, Mrs. Krues, Mr. Schuitema, Mrs. Lowden, Mr. Dunlap, Mr. Houseman, Mr. Kolkema, Mr. Hughey, Mr. Doorn, and Mr. Van Riper.

MRS. SARAH A. COUTCHIE
A.B., M.A.

An English teacher at M.H.S., Mrs. Coutchie is the advisor of Carmenta Literary Club. Her other interests include gardening and golfing.

MRS. JOAN GAINNEY
B.A.

Mrs. Gainey is a member of the newly-formed Faculty Wives Club and a Y-Teen sponsor. She hails from Terre Haute, Indiana, and has done traveling in the United States. To have an activity period and a longer lunch hour is her hope.

MR. WILLIAM J. HARRISON
A.B.

A teacher of English, journalism and photography at M.H.S. is Mr. Harrison. To have a campus feeling and conduct to go along with the small college appearance of Muskegon High School is his wish. He enjoys photography, writing, and spectator sports.

MRS. MARCELLA O'CONNOR
A.B.

The native town of Mrs. O'Connor is right here in Muskegon, Michigan. Besides teaching 11th grade English, she is the advisor to the National Honor Society.

Marcella O'Connor

How to Counter-act Jive-talk and

Oh, - - - to see the British Crown jewels in person and not just pictured as shown here by Nancy Payne. This furnishes background for English literature.

MR. RALPH H. PLUMMER
A.B., M.A.

Lazy students discourage Mr. Plummer who is an English teacher at M.H.S. Mr. Plummer has traveled through the U.S.A., Canada, the British Isles, and Western Europe. He enjoys reading and as you have seen, traveling.

MRS. FRANCES K. REDMOND
B.A.

The American Cancer Society and the Y.W.C.A. Camp Emery are a few of the activities of Mrs. Redmond. She is discouraged with students who never hand their work in on time.

MISS JEAN REHNQUIST
B.A.

Tennis, swimming, and music are the pleasures of Miss Rehnquist, English teacher, who comes from Milwaukee, Wisconsin. Her wish is to have all of the classes in one building, which would be nice, especially in the winter.

MRS. ELIZABETH SCHULER
M.A.

Mrs. Schuler's hobby is swimming and her family of four boys and one girl. Two of her children are in college. She teaches English at M.H.S.

Encourage Enjoyment of Reading

"Jive-talk" may be fine, but it's a mighty big chore with which the English instructors must cope. In dealing with this situation, this department shows us how to use better methods of expressing ourselves, and to state our ideas clearly by teaching us grammar, vocabulary, and composition. We also gain a better understanding of life through our study of great literature.

We begin our study of literature in the tenth grade

by getting an over-all picture of the world's writings, from modern short stories to *Silas Marner*. Continuing our study, we learn of our great American heritage in our junior year through the study of American writers and their works. In our senior year, the emphasis is primarily on English literature, ranging from the Anglo-Saxon poetry to modern prose. Thanks to our study of literature during the three years, we have gained a better knowledge of the world both past and present.

MISS LOIS E. STEWART
B.A.

"I wish the students would realize it is a school and not a fun house", declares Miss Stewart. She is a member of A.A.U.W. and the Junior Woman's Club, and is interested in dramatics. A traveler, she has been in most of the 48 states, Mexico, Canada, and Europe.

MR. HAROLD R. WEAVER
A.B., M.A.

From Shelby, Michigan comes Mr. Weaver. Music and all kinds of sports are his hobbies. His traveling was through the courtesy of Uncle Sam. When he was in the Navy, he traveled to Pensacola, Florida.

MRS. PEGGY F. WINGLER
A.B., M.S.

"Go, Big Reds." I'm sure we all share this favorite expression with Mrs. Wingler! She says, "Try to make each student realize his responsibility as a citizen of M.H.S. to give it high academic standing, cleanliness, and a good reputation for sportsmanship."

MR. DALE M. WINGLER
B.E., M.S.

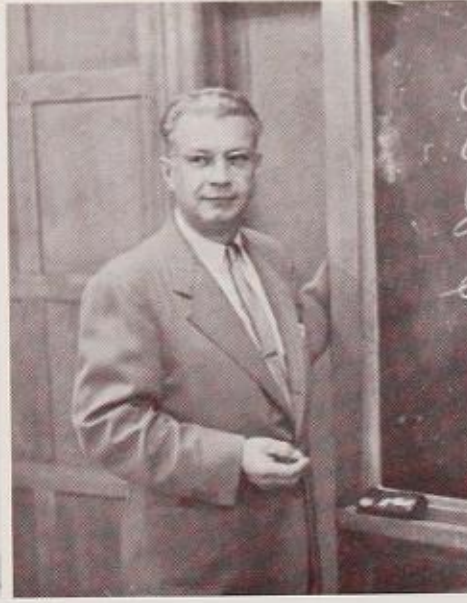

Mr. Wingler, an English teacher, is annoyed by 11th grade themes of grade-school caliber, although he says he enjoys grading them. I think there are many of you M.H.S.'ers that share his favorite expression of "Let's eat."

MR. JOHN F. KIRN
B.S.

Music is a great interest of Mr. Kirn, who teaches English and Debate. He has been to Europe and traveled in the Eastern United States.

MR. FRANKLIN G. POLING
A.B.

As a boy, Mr. Poling lived in Hudson, Michigan. He dislikes the idea of having students holding gab fests in the center of the corridor while others are passing.

MRS. RUTH Y. TERRY
B.A., M.A.

"Speak up!" People who talk inaudibly is the pet peeve of Mrs. Terry. She teaches 10th grade English and refresher English.

MR. LEWIS VANCAMP
B.A.

Mr. VanCamp has been to the Far East and around the areas of the Pacific Ocean. His home town is Camden, New Jersey. He likes fishing, hunting, reading, and is a speech instructor at M.H.S.

To Develop Self-Expression and Train Future Orators

For many a student, it has been with some fear that he has gone into speech class for the first time in tenth grade. But he has come out at the end of the semester much more sure of himself, with an ability to speak to a group that he hadn't had before. The speech teachers try to help the students develop a speaking ability in a wide range of subjects and situations. Some of them are: in making a presentation, doing a demonstration, making a formal introduction, delivering an extemporaneous speech, and many others besides.

This subject, required of all M.H.S. students for graduation, is becoming essential for our world of today. For the mark of an educated person is his ability to speak well publicly, expressing his ideas in a clear, logical way. For many students, the required semester of speech is only a beginning, and they go on to such areas as debate and forensics, where they display their ability in competition with others in the same field. There will be many times when we will be called upon during our lives to speak in public and when we are, the training we received in our high school speech classes will help us do a better job.

MISS MARIAN C. HELVIE
B.S.

'Ay de mi!' seems to be the favorite expression of Miss Helvie. A Spanish teacher at M.H.S., her extensive travels include: Canada, Mexico, Panama, Ecuador, Peru, Colombia, Venezuela, and Bolivia. She visited Guatemala last Christmas.

MISS EDITH M. MERRITT
B.A., M.A.

Miss Merritt, a Latin teacher at M.H.S., comes from Onkama, Michigan. She likes music, books, and boating. Miss Merritt has traveled North, South, East and West in the United States and has also toured Canada.

MRS. RALPH PLUMMER
A.B., M.A.

This year, Mrs. Plummer has been teaching French and Spanish at M.H.S. She received her degree from the University of Michigan and Western Michigan University. She is very much annoyed by students who never have their work done on time.

MRS. FLORENCE TOOL
B.A., M.A.

To succeed in our curriculum study in order to better provide for the education of all the pupils at M.H.S. is the wish of Mrs. Florence Tool, a French teacher. She has done extensive traveling through Europe and was born in Holyoke, Colorado.

Today We Live in the International World

"Comment allez-vous?" "Como esta usted?"

Do you understand this? If you don't you should, for you are living in not only a national, but an "international" world. The world's many unique cultures are brought to us through the study of language. We are fortunate in having capable instructors in French, Spanish, and Latin here at M.H.S.

In our language courses, we gain a much broader knowledge of foreign countries, the people, the customs, the geography, the history, and the cultures. By doing this, we help to improve international relations by working toward better understanding of people in other countries.

MR. RAYMOND R. BAUER
B.S., M.S.

Students who don't study valences are the pet peeve of Mr. Bauer, a chemistry teacher at M.H.S. He thinks that we ought to have an activity period the last hour of the day because assemblies, etc. interfere too much with teaching.

MR. GERALD C. BRUINING
B.S., M.S.

Listen to this, girls. Mr. Bruining's pet peeve is people who do not know how to use a telephone. He is an applied science and a plane geometry teacher. Fishing and sports are enjoyed by Mr. Bruining.

MRS. DONALD MOONEY
A.B.

Mrs. Mooney says, "A new building, more study and new science labs would help M.H.S., but students could take more pride to prevent littering up what we have." She likes the art of creating but never seems to have time to do it.

MR. LINDSAY NEAL
B.S.

What surprises Mr. Neal is the masses of people who want something for nothing. Reading "good" books, listening to good music, oil painting, traveling, and going to school are all a part of Mr. Neal's enjoyments.

Five, Four, Three, Two, One . . .

Larry Luytjes and Sidney Moseler seem to be satisfied with the results that they are getting from this — in electricity.

"All aboard for the moon!" Ridiculous? Maybe so, but in a few years' time it may not sound as silly as it does now. Even now, scientists of the world are putting miniature moons into orbit around the earth and shooting rockets at the real moon. Because of these events, there has been a great trend toward the scientific, and M.H.S. is no exception. Our science classes are filled to overflowing with students who want to fill our nation's crying need for scientists or perhaps to find the answers to their own questions about the world around them. We gain knowledge of many of the new developments in this field, study the findings of great scientists, and find answers to many of the questions that have puzzled us for a long time.

... Blast Off

Courses in biology, chemistry, and physics give us a good foundation in the basic sciences, under the capable instruction of the science teachers. In biology we learn about life from the tiniest one-celled plants all the way up to man, the highest living thing. Chemistry gives us a better understanding of the composition of the earth, and everything on it, through experimentation and research. In physics, we probe

into the mysteries of heat, light, and electricity, which after research and study, turn out to be not so mysterious as we had supposed.

Will the United States be able to keep up with other countries in the field of science? Our answer is yes, as long as we have our capable teachers and students who are willing to learn.

MR. OREN RODEWALD
B.S., M.A.

Mr. Rodewald teaches physics at Muskegon High School.

MR. LARRY L. SKIPPER
B.S.

Hailing from Florida is Mr. Skipper. As a biology teacher, he takes an interest in nature study, fishing, hiking and conservation. He is the co-sponsor of Youth for Christ Club.

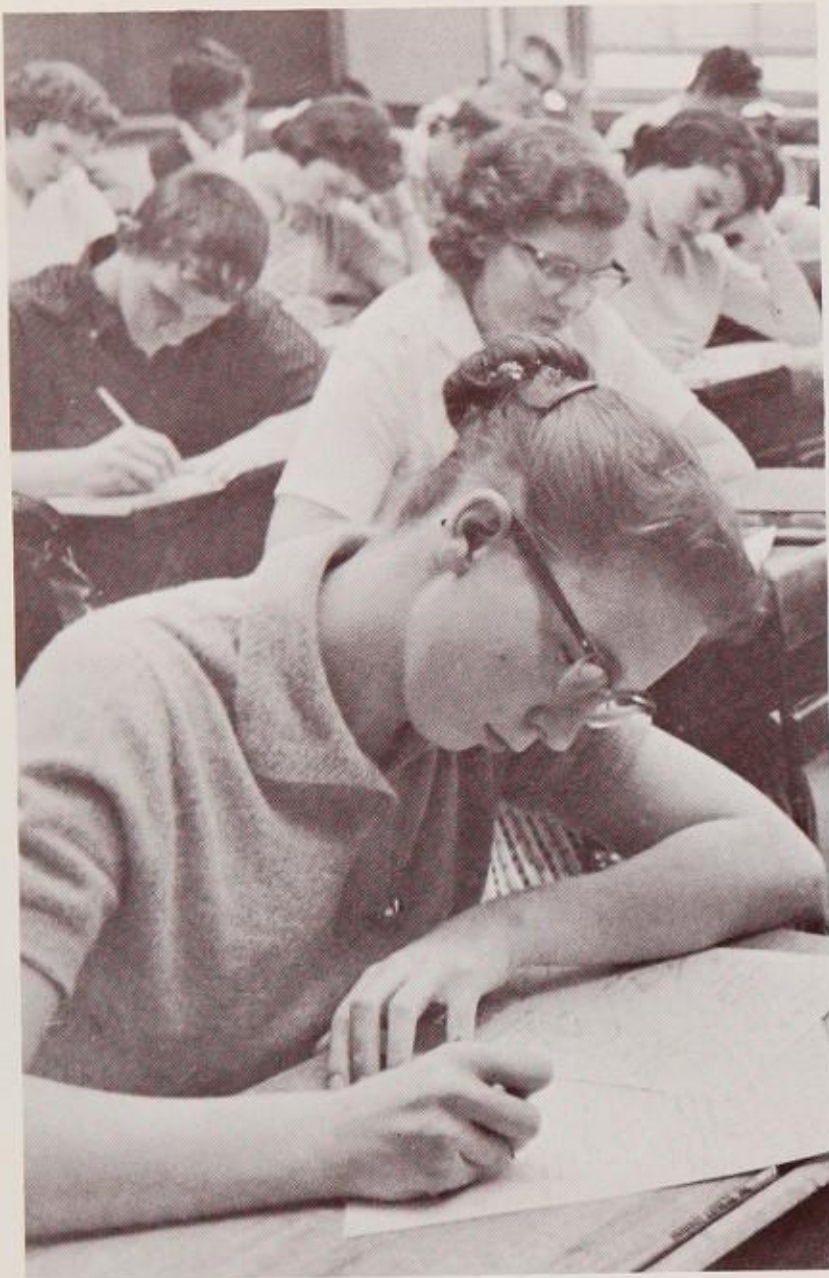

MR. DOUGLAS A. TOOL
B.S., M.A.

Mr. Tool says, "You must have a definite time and a definite place to study chemistry." What does he teach? Why, chemistry, of course. His favorite pastimes are reading, gardening, cooking, and playing chess.

MR. WINTHROP TRAUTMAN
A.B., M.S.

What's cooking? Just ask Mr. Trautman, who includes cooking as one of his hobbies. He also likes to hike and enjoys the theatre. A biology teacher, he was born in Buffalo, New York.

"Time was made for slaves."

Quadratic equations, formulas for areas and volumes, proofs of theorems, imaginary numbers, functions of angles, and a great number of other technical terms of mathematics sound almost like a foreign language until, in our math classes, we learn their meanings. Under the capable instruction of our math

**MR. DONALD MOONEY,
B.S.**

Adair, Iowa is the home town of Mr. Mooney, an algebra teacher at Muskegon High School. He received his degree from Iowa State College. Mr. Mooney advises Youth for Christ Bible Club.

**MR. DAVID E. OLSEN
B.S., M.A.**

The home town of Mr. Olsen is Muncie, Indiana. "Nupe" he says when asked what his favorite expression was. Tennis, golf, swimming, and his house are Mr. Olsen's hobbies.

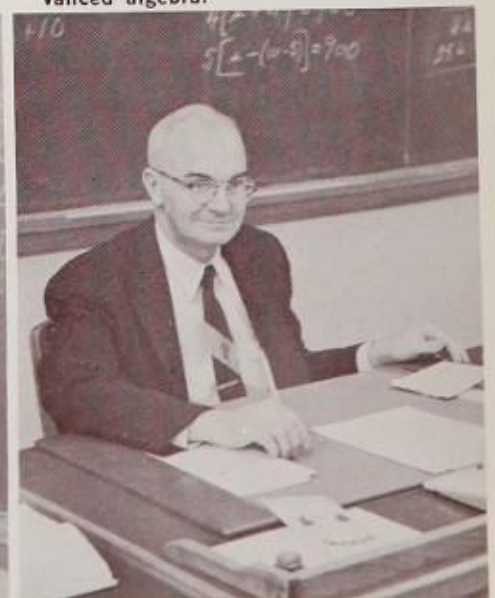

**MR. ROBERT RITCHESKE
B.S.**

To somehow have students show more respect for the property of others is what Mr. Ritcheske wants to see at M.H.S. He enjoys sports, stamp collecting, and playing cards.

**MR. KENNETH ROLFE
A.B., A.M.**

Mr. Rolfe, from Kalamazoo, Michigan, is the advisor of the Student Council this year. He has traveled in the West, the East, and the Southeast. Pessimists and gripers are his pet peeve. He teaches advanced algebra.

**MRS. DOROTHY ANDREWS
A.B.**

Mrs. Andrews thinks attendance should be voluntary instead of compulsory at M.H.S. How does this idea sound to you? She thinks this would be a big improvement to M.H.S. Mrs. Andrews teaches plane geometry, and ceramics and gardening are a few of her enjoyments. She gets disgusted with people who talk more than they think.

teachers in first-year algebra, plane geometry, advanced algebra, solid geometry, trigonometry, and college algebra, we learn not only how to solve the problems we are given in our text-books, but also another very important thing, the art of thinking clearly.

MR. ROBERT JENNINGS
B.M.E.

"O. K., Let's go!" This is Mr. Jennings' favorite expression and he is doing this in more ways than one, for now he is working towards his masters degree, which he hopes to have by this summer.

MR. FRED ROYS
B.M., M.M.

Mr. Roys is the assistant conductor of the Muskegon Band of which he was a former member. He also teaches instrumental music.

MR. WILLIAM STEWART
M.A., M.M.

A new band and orchestra room is the school improvement that Mr. Stewart is hoping for. He is the director of band and orchestra at M.H.S. and the head of the instrumental department of the Muskegon Public Schools.

Perfection Is the Goal; Honors are Won

If it sounds as if M. H. S. students are bragging when we talk about our band, orchestra, or choir, it's because we have a right to be proud of them. For, Muskegon High has had a reputation for an excellent music department for many years, and this year is certainly no exception. The proof comes in the competition of the band, orchestra, and choir with those of other schools from all over the state in yearly music festivals. There we can see how M.H.S. stacks up

against other schools. The result? Muskegon High comes out on top with "excellent" ratings.

Our musicians also entertain the community with their concerts throughout the year. After long, and sometimes tiring hours of practice, they present a top-notch concert of music, ranging from classical to popular. Thus, they contribute not only to the school, but also to the whole community.

Madrigalians are briefed by Mr. Jennings on correct procedures for their concert.

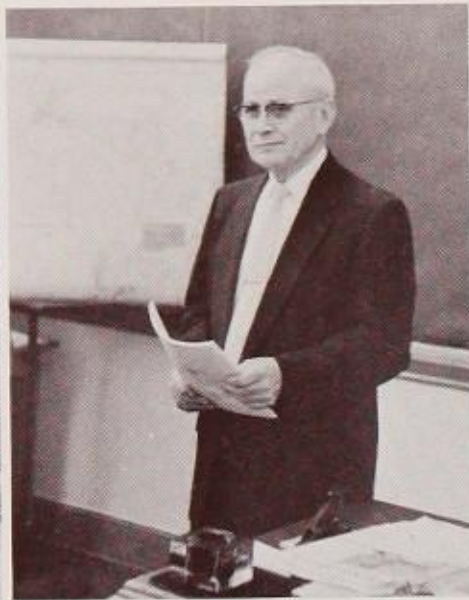

MR. JAMES CURNALIA
M.A.

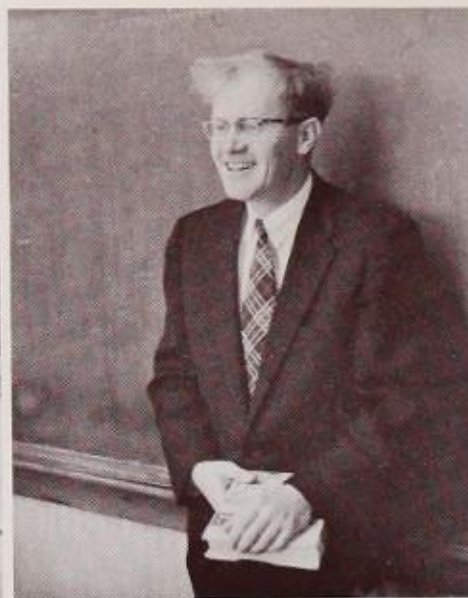

Are you guilty of starting the week-end Thursday at 3:10 and beginning the next week on Wednesday morning? Don't expect sympathy from Mr. Curnalia who claims this is his pet peeve. He is a history teacher at M.H.S. and enjoys reading history.

Curnalia

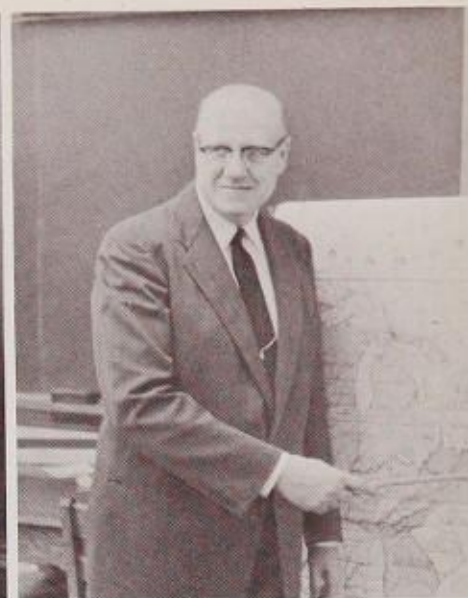

J. PAUL DUNWORTH
A.B., M.A.

Mr. J. P. Dunworth is an American government and an American history teacher at M.H.S. He was born in Newaygo County. He says, "What is the more obvious improvement to our school than better students and better teachers."

MR. ARILD NIELSEN
B.S., M.S.

How would you like to have the hobby of taking naps, but never having the time for them? If so, then you are in the same boat as Mr. Nielsen, who comes from Centuria, Wisconsin. Mr. Nielsen has traveled extensively in the South Pacific.

MR. GEORGE RUSSCHER
M.A.

"Are you listening?" This is a special expression of Mr. George Russcher of Holland, Michigan, whose preferred hobbies are gardening and reading. With his M.A. from the University of Michigan, he teaches American history. It irritates him to see unprepared students and people who are rude.

History Repeats Itself . . . And What of Tomorrow

World conflicts and tensions, national problems, state and local situations, all of these current issues comes into focus through our social studies courses. Classes in world history, American history, government, sociology, and economics bring us all to a better understanding of the world's problems, both past and present. History helps us understand man's development from primitive times of cavemen and their clubs to present-day jet travel, faster than the speed of sound.

In these troubled times of cold war and hard feelings between the nations of the world, we

must make an almost super-human effort to be rid of these problems by peaceful means. Perhaps one way to find a solution is to look back through the history of other nations, finding their successes and failures, learning from their experiences, for there is truth in the saying that history repeats itself. As the leaders of a tomorrow that is nearer than we may think, we must be ready for what is to come, and we will be ready because of our good education. We must be able to help rid the world of its tension and strife. For, by learning of the past, observing the present, and planning for the future, we will be doing our part to promote peace in the world.

It makes no difference how you vote, but to vote is the important thing, and Marie Englund and Barbara Bailey are impressing this fact on us, the future voters of America.

MR. R. A. ZIMMERMAN
A.B.

Mr. Zimmerman believes that more discipline would improve our school. He says, "We have too many students wandering around the halls. Let's have every student in school until 3:10 and every student in a classroom until 3:10." Mr. Zimmerman's favorite pastimes are gardening, golf, and other sports.

MR. DONALD ARNSON
B.A.

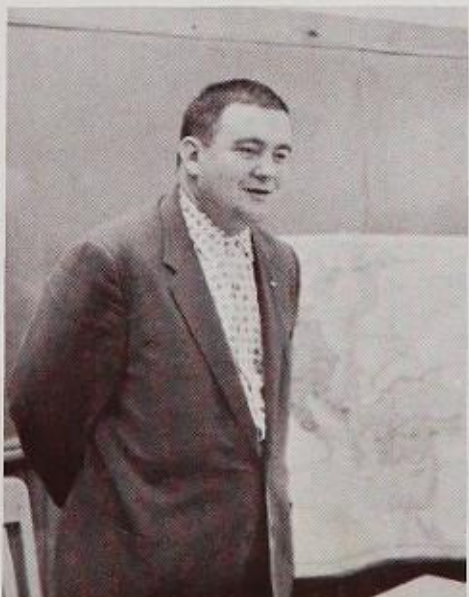

Mr. D. Arnson, hailing from Muskegon, Michigan, has traveled over most of the United States, having been in forty-five of the forty-nine states. When asked about his pet peeve, expressed, "to see M.H.S. students cutting across the grass."

MR. EDWARD HAGER
B.A.

Golf is the primary interest of Mr. Hager, but he also enjoys other sports. He comes from Jefferson, Wisconsin. Believing in ones self is what Mr. Hager feels a person needs to succeed in whatever he has interests.

MISS ETHEL PIHLSTROM
B.S.

Keeping the desks free of marks would be a marked improvement along with other general cleanliness of the entire M.H.S. campus is the feelings of Miss Ethel Pihlstrom. Besides being advisor of the Said and Done, Miss Pihlstrom teaches American history.

MR. JOHN GAINNEY
B.S.

Mr. Gainey, who teaches business math, economics, and business organization at M.H.S., comes from Terre Haute, Indiana. Mr. Gainey considers sports as one of his interests.

MR. ANTHONY GILSDORF

Mr. Gilsdorf is a member of the Optimist Club. His interests are mountain climbing and travel. As for school improvements, he would like to see better control and maintenance of the student body by having a citizenship council.

MISS CECILIA KNOLL
A.B.

Coming from Decatur, Michigan, Miss Knoll lists as among her travels Central and South America. She is a teacher of shorthand and transcription at M.H.S. and Miss Knoll considers music as one of her favorite interests.

MR. HARVEY L. PAULSON
Ph.B., M.A.

Keeping our campus grounds clean, feels Mr. Paulson, is an important improvement he would like to see at M.H.S. He comes from Muskegon and is active in the Lions Club, Torch Club, and Masonic Organizations.

Specialized Training Produces Competent

Busily clicking typewriters, girls bending over shorthand notebooks, students frowning over bookkeeping problems, and students learning to operate different kinds of office machines are some of the things to be seen and heard in the commercial classes at M.H.S. By getting their training in secretarial,

bookkeeping, and clerical courses, students are preparing themselves to step directly out into the world of business after graduation. Courses in typing, shorthand, business arithmetic, office practice, bookkeeping, commercial law, and economic geography are offered.

Testing hearing aids? Ida Mae Gerwin and two of her classmates are taking dictation from a dictaphone.

MR. RUSSELL STEVENS
A.B., M.B.A.

Mr. Stevens, hailing from Indiana, expresses this: "Old bookkeepers never die; they just lose their balance," as his favorite expression. He has traveled to California and Mr. Stevens lists reading as one of his hobbies, and he also belongs to the Masons.

MRS. MILDRED BROTHERS
A.B.

From Kalamazoo, Michigan comes Mrs. Brothers, who teaches book-keeping, business arithmetic, and shorthand at M.H.S. She is active in her church, P.T.A., and the A.A.U.W.

MISS M. HITCHCOCK
B.A.

Miss Hitchcock feels that a longer lunch hour would help students and teachers to do better work in the afternoon. She teaches typing at Muskegon High. Miss Hitchcock likes to sew and read.

MRS. GOLDIE L. MAYROSE
A.B.

Mrs. Mayrose has traveled in the Eastern United States. (Washington, D.C., New York, and Boston). She belongs to A.A.U.W., the Faculty Wives, and the Eastern Stars.

MRS. MAXINE STORMS
B.S.

To let teachers know at least a day before school begins, what the day's schedule will be, and to de-emphasize "college prep", and train students to do something, would be a great improvement to our school, according to Mrs. Storms. She teaches typing and is the sponsor of the Future Teachers of America.

Office Personnel & Reliable Workers

This department is important not only to the students, who are preparing themselves for a good job after they leave school, but also to the community. Since our city is highly industrialized, there is always

a need for good secretaries, clerks, and bookkeepers. In this way, the commercial department is contributing to the community by turning out top notch workers for the factories and businesses of the area.

Today's assignment is the study of human nature as exhibited by this typing class.

MRS. NORMA WRIGHT
B.S.

Sewing, ceramics, A.A.U.W., Muskegon Teachers' Club, M.E.A., and N.E.A. are all a part of the activities of Mrs. Wright. She comes from Pentwater, Michigan and thinks that we should provide for better study halls in M.H.S. The subjects Mrs. Wright teaches are typing and business arithmetic.

MRS. GLADYS COLLIER
B.S.

Have you borrowed anything from Mrs. Collier lately? If so, you'd better return it as this is what she considers her pet peeve. Mrs. Collier comes from Muskegon and this past summer she traveled in Northern Michigan.

MISS THEO PACK
B.S., M.A.

Coming from Cincinnati, Ohio, Miss Theo Pack has traveled from Alaska to Mexico and also in Europe. As a teacher of home-making and interior decorating, she also enjoys collecting antiques and is a camera fan.

MISS ANN MOLZEN
B.S., M.A.

Display cases for student work are what Miss Molzen feels are a needed improvement for M.H.S. She comes from Muskegon and expresses her pet peeve as, "Students who have to be taught everything individually because of absences."

MISS AGNES MC INTYRE
B.S.

Miss McIntyre, who hails from Tecumseh, Michigan, expresses her pet peeve as, "Workmen who forget their tools." She seems to be equally busy out of school for she is active in civic groups.

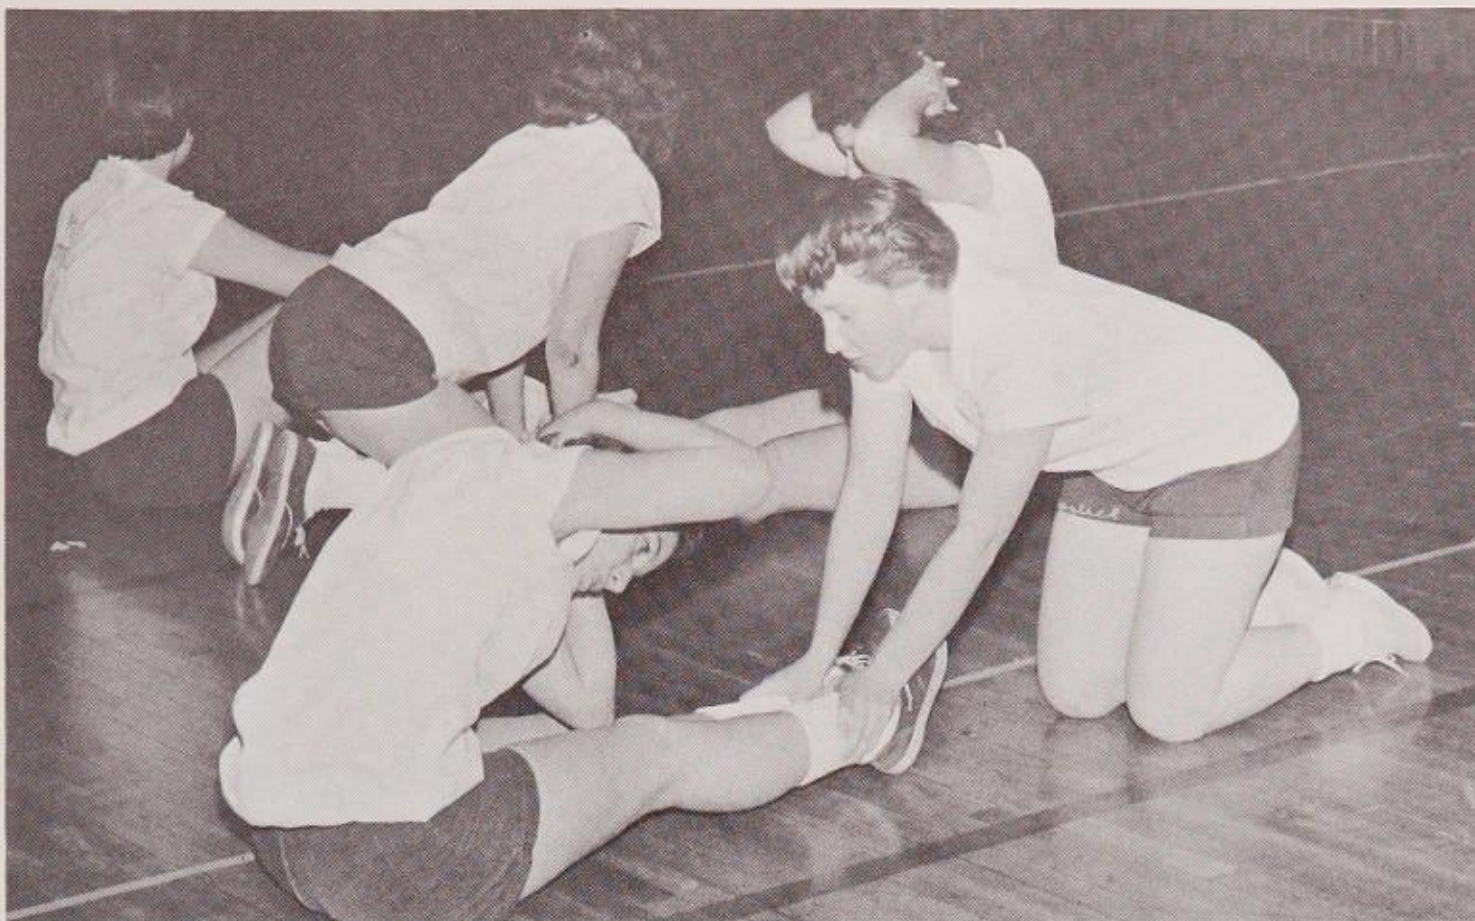

To Help Develop the Creative You

The whirr of sewing machines or the smell of cookies baking can often be detected on the second floor of the Manual, where the home economics classes are held. Many girls, and some boys, too, realize that in preparation for keeping a house of their own, they need to learn the arts of homemaking. The students may learn in their home economics courses by practical experience, for the classrooms are actually kitchens and sewing rooms.

Amidst the paint brushes, jars of paint, and drawing boards, creative genius is hard at work. This is a scene often seen in the art rooms of M.H.S. Courses in art, art metals, mechanical drawing, and architectural drawing are offered. In art the students do everything from making posters to designing toys, and in art metals they are taught to work artistically with metals. These courses help develop students' talents in the field of art, preparing them for careers in that area.

What's so interesting? Janet Tobin and Joan Bathrick seem very happy with the results.

For toning muscles and keeping fit nothing does it like "set-ups".

For "Educated" Muscles

For "educated muscles" as well as educated minds, every student at M.H.S. is required to take physical education during all three years of his high school career. This year, the classes have been filled to capacity because of the large number of students on campus. Everyone has gym twice weekly, and for some, swimming classes are held on one of the two days. In the girls' gym classes the activities include

routine exercises, volleyball, basketball, deck tennis, and in some, archery. The boys may participate in football, basketball, cross country, tennis, track, golf, and baseball in addition to the usual calisthenics done in class. As a result of all of these activities, Muskegon High can say in answer to the current question, "Are we becoming a nation of weaklings?" that we are striving to build strong bodies, in reaching our goal.

MR. HARRY E. POTTER A.B.

Director of athletics at M.H.S. is Mr. Potter. He enjoys his job of teaching physical education as well as fishing and traveling.

MR. THOMAS McSHANNOCK B.S., M.A.

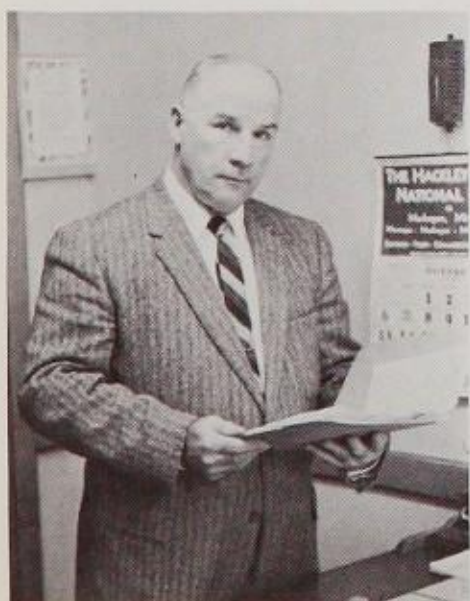

Active in the Elks Club is Mr. McShannock. Out of school he enjoys sports and reading. In school he is the varsity track coach.

MRS. ADELAIDE SEASTROM B.S.

Some of the interests of Mrs. Seastrom are bowling and golf. She is actively interested in the Muskegon Chapter of the Red Cross.

MRS. GERTRUDE GILLASPY B.S., M.A.

New to M.H.S. this year, Mrs. Gillaspay feels that smaller classes and a better playing field for girls would be a helpful improvement.

MHSer, Richard Chase is taking advantage of the foundry course offered here for future use in our industrial city.

MR. E. G. APPEL
B.S.

Fishing and gardening are Mr. Appel's preferred hobbies. He feels that students should emphasize civic pride, to make our school "tops".

MR. HENRY V. BOLT
A.B.

Mr. Bolt is from Grand Haven, Michigan. He tells us that his interests are hunting, fishing, color photography, and tropical fish.

Vocational and Special Encouraged,

The whine of a saw, the sound of a motor in an auto mechanics class, the pounding of a hammer, or banging from the machine shop can often be heard in the halls of the Manual. Many boys take advantage of courses offered in architectural drawing, foundry, cabinet making, electricity, printing, machine shop, and auto mechanics to prepare themselves for a job in one of those vocations. For those who are not as adept as some at academic subjects, these courses offer a chance to train for a job where they may work with their hands.

MRS. KELLY DUNSMORE
B.S., M.A.

People who do not learn by their mistakes annoy Mrs. Dunsmore. The students of Muskegon High could be better contributors to their classes if they would form regular study habits, she believes.

MR. DERWIN WALVOORD
A.B., M.A.

Mr. Walvoord thinks we should eliminate the split class periods at noon. He teaches business machines and has charge of the co-ordination of business co-op courses.

MR. DONALD B. HOGAN
B.S., M.S.

Mr. Hogan belongs to the American Foundryman's Society. Reading, fishing and hunting are some of his interests.

MR. FREDERICK BRAIL
B.S., M.A.

"How are you doing?" asks Mr. Brail, who this year is in charge of student teachers from Western Michigan University.

MR. G. WALTER LADD

An art metal teacher at M.H.S. is Mr. Ladd. A traveler in all the states of the United States but three, he enjoys photography and electronics.

Interests are Trained and Polished

In their manual training, many of the boys become excellent auto mechanics, cabinetmakers, draftsmen, electricians, and printers. They may take day trade, where they spend two or three periods a day at one subject, learning it from beginning to end. In this way, they serve a sort of apprenticeship in their particular vocation. With the expert advice and guidance of the instructors in these subjects, the students are well trained and leave upon graduation to serve the community.

Don't you know, Janice Hentschel and Carolyn Smith, that smoking isn't allowed on the M.H.S. campus? Oops, they're not smoking, it's art metal class.

MR. DONAVON G. KRUEGER
B.S., M.S.

Mr. Krueger comes from Menomonie, Wisconsin. An electricity teacher, his pleasures include fishing and hunting.

MR. GORDON J. MARTINY
B.S., M.A.

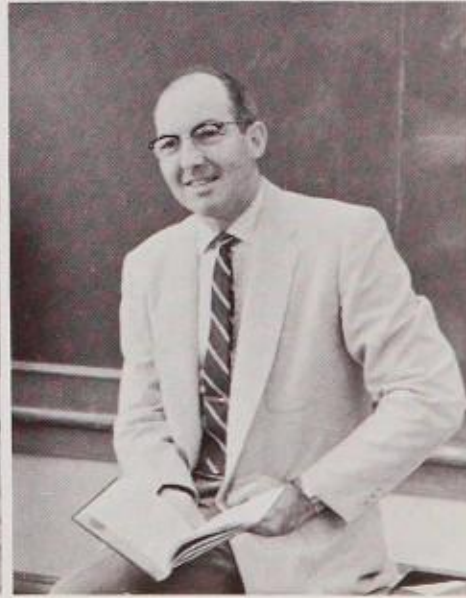

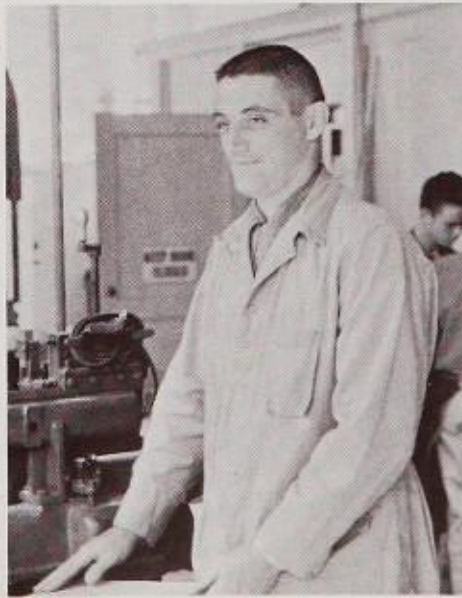

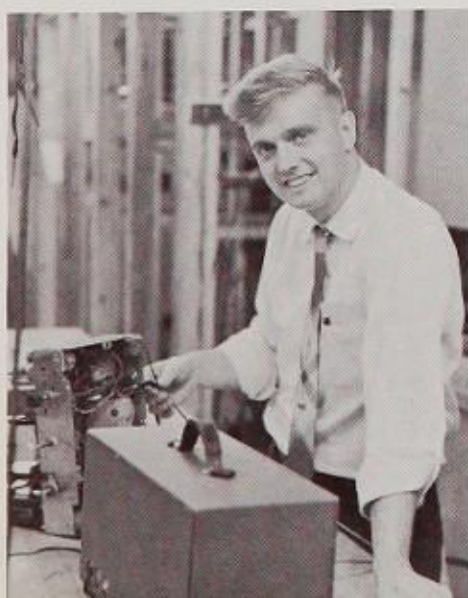

Mr. Martiny belongs to Y's Men and spends his spare time stamp collecting, square dancing, hunting, and fishing. He also likes archery.

MR. JOHN PARTENIO
B.S.

Golf is the favorite sport of Mr. Partenio. He teaches cabinet making and mechanical drawing at M.H.S. His home town is Flint, Michigan.

MR. WAYNE J. STORMS
B.S., M.A.

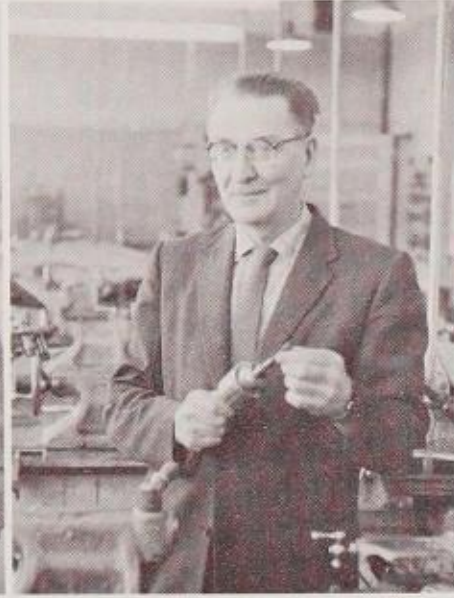

Ball State Teachers College and the U. of M. is where Mr. Storms received his degrees. He is an instructor of distributive education and also teaches at Community College.

MR. F. CHALKER

Mr. Chalker has been with the faculty at Muskegon High a little over a year. He is the auto mechanics instructor at M.H.S.

MR. ROBERT LEITCH
B.S.

Mr. Leitch comes from the northern town of St. Cloud, Minnesota. He is an instructor of machine shop at Muskegon High School.

MR. REX B. SHEATHELM
A.B.

Mr. Sheathelm's home town is in Lansing, Michigan, and he is our teacher of printing at Muskegon High. He enjoys outdoor activities and sports.

MR. RICHARD STATZ
B.S., M.S.

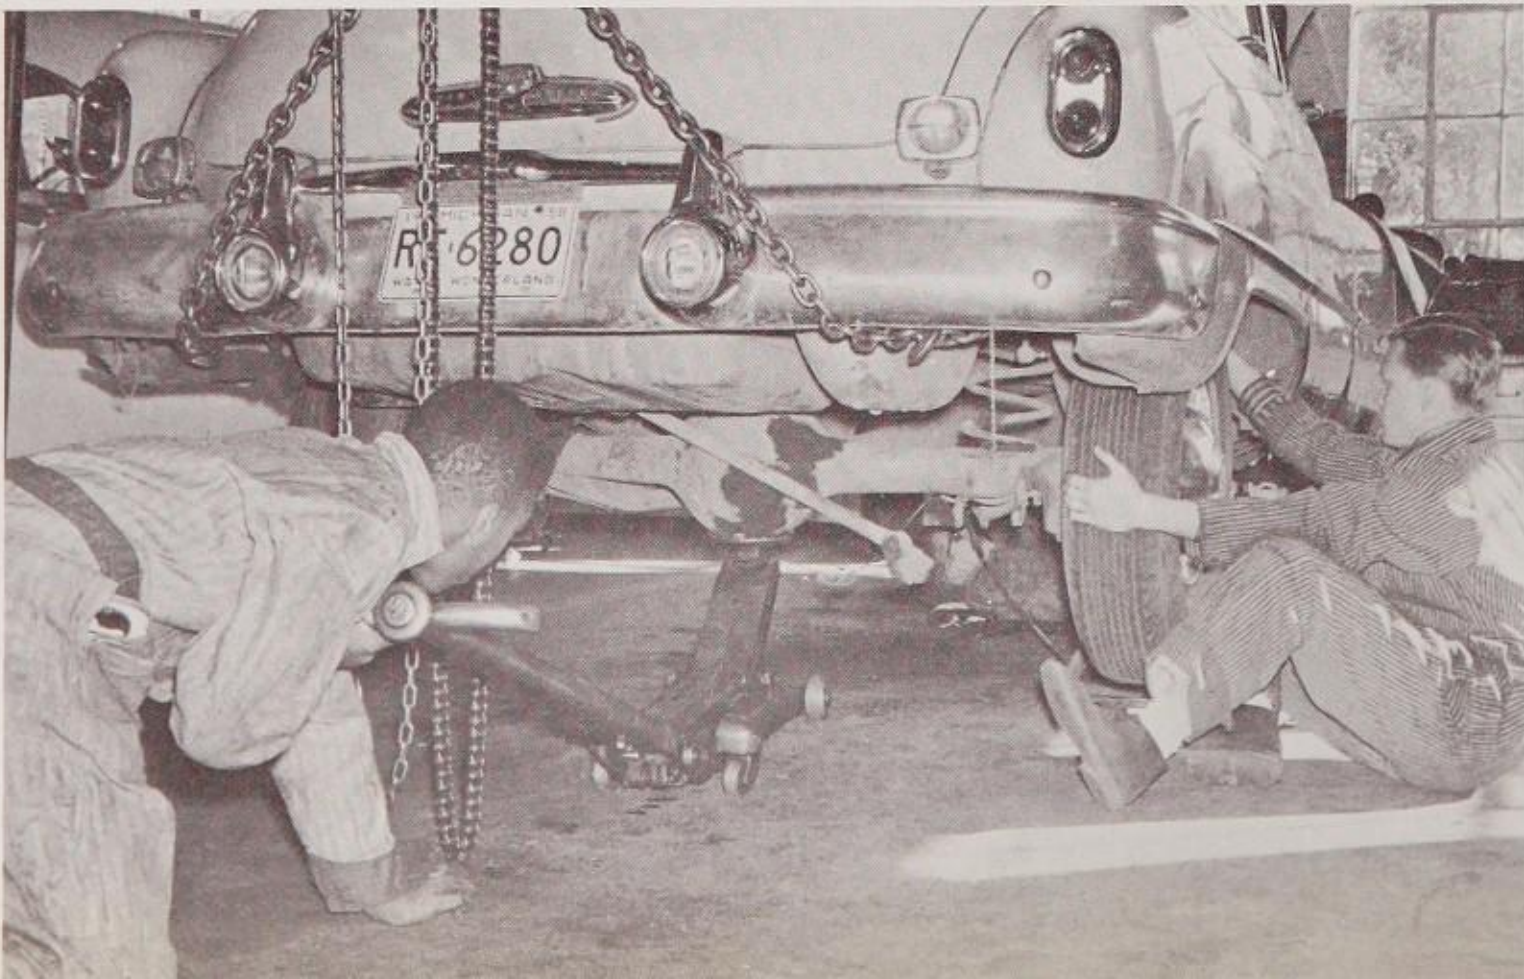

Mr. Statz hails from Fort Atkinson, Wisconsin. He teaches machine shop at M.H.S. Mr. Statz enjoys hunting and fishing. We welcome him to our faculty this year.

School Only Half a Day? Yes, but Hard Work in the Afternoon

Not only do students get training in their chosen vocation in school, but they also may enroll in the co-operative training program offered at M.H.S. In this program the coordinators secure jobs for all those enrolled in the program. The students on co-op attend their required classes in the morning. In the after-

noon, each student on the program goes to his job, where he puts into practice what he has learned. By doing this, the students profit by experience, which is the most valuable teacher. In addition, the students also earn a small salary for their work.

"Ready, aim, fire! Oops, missed!" replies Bob Shy and Sam Wakefield.

MR. RUSSELL KELLY
B.S., M.A.

An improvement to M.H.S. — eliminate study halls. This is the feeling of Mr. Kelly, whose hobby is the breeding and training of gaited ponies.

MRS. MARGARET ELLIOTT
A.B., M.S.

Our school librarian, Mrs. Elliott, seems to be as active in school as out of it, for she is interested in nature and all outdoors, writing, reading, and herb cookery.

MRS. LUCILLE DAVIS

Assisting Mrs. Elliott in the library, Mrs. Davis performs various and sundry jobs.

MRS. MILDRED COWAN
R.N., B.S. in P.H.N.

Mrs. Cowan comes from Muskegon and serves M.H.S. as the school nurse.

Best of luck in the future to a real nice girl. Lucille Davis
To Margaret - Best luck now galway your friend - Margaret Elliott

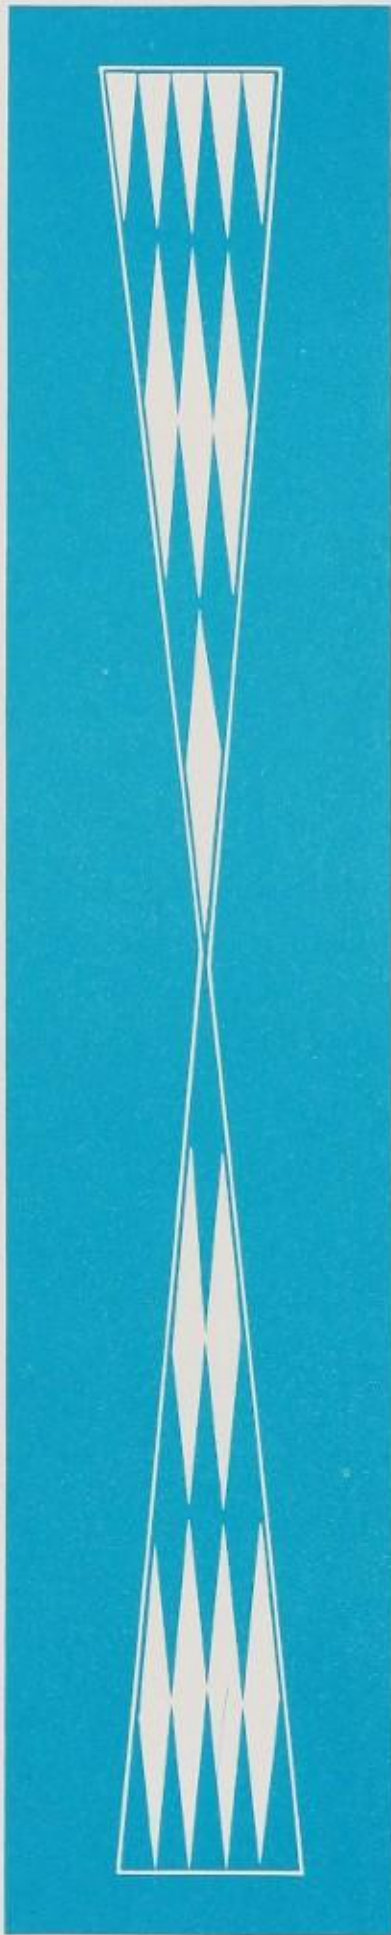

Kalamazoo Direct to You

Twenty-two new faces were seen at M.H.S. this fall. They belong to the group of student teachers from Western University in Kalamazoo. These young men and women are participating in a program whereby they get practical experience while they are learning. In the morning they attend an education lab course conducted by Mr. Brail, supervisor. After their class they go to teach or observe a course in their particular field.

Practice teaching is not only valuable experience to the student teachers, but it is also a fifteen hour credit course. They may choose when they will do their practice teaching, whether in the first or second semester of their senior year. We at Muskegon High are happy to have a part in helping these aspiring teachers toward their goal.

Our Activities

The varied activities of the school require a great deal of time both from the students as well as the advisors, coaches, and teachers. How often have the musical organizations rehearsed extra hours to perfect their music for some concert; how often have the athletic teams spent hours practicing for their contests; the same can be said for each and every organization—debate squads, the publication staffs, the service groups, the cultural clubs — all must devote that precious commodity — Time — to fulfill their objectives.

High Scholarship is Attained by Honor Students

A high scholarship rating, a good character, the ability to lead others, and a desire to serve others are the qualifications for membership in the National Honor Society.

This year the society put on two induction

ceremonies in October and in April. They also gave a dance after a basketball game.

Meetings were held every second Monday of the month in Room 109. Mrs. O'Connor is sponsor of the group.

Proud inductees look attentively at Mrs. Wingler as she speaks to them about success.

Thespians Choose Fantasy for Play Day

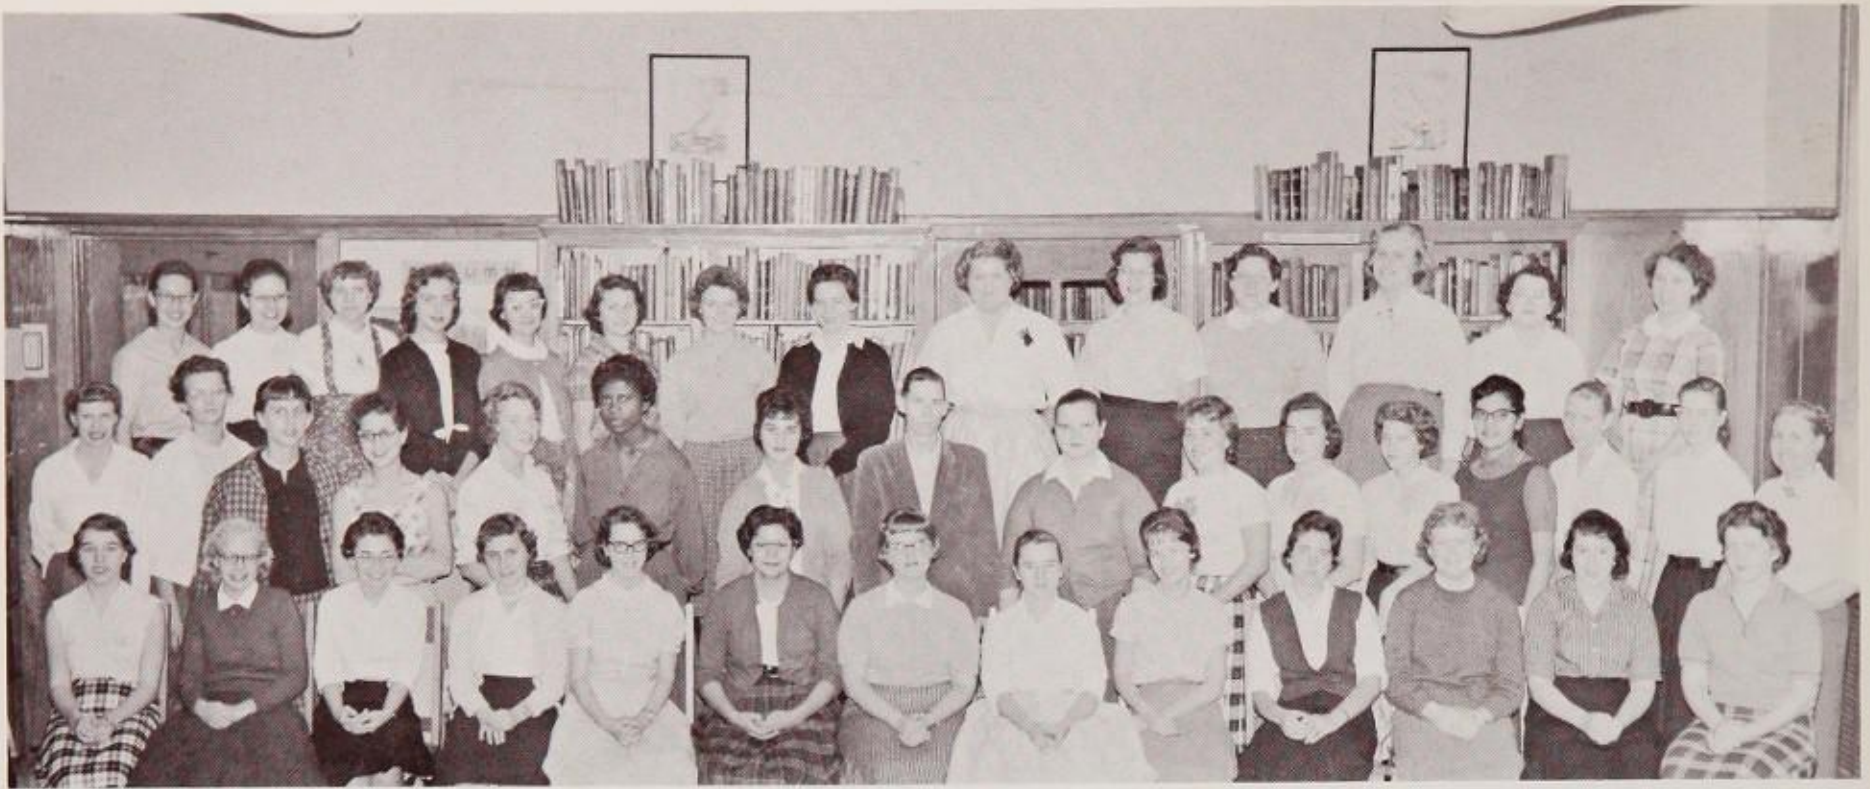

"Maker of Dreams" was presented by the National Thespian Troupe in the Play Day Festival last fall. Five high schools participated and three gave plays. Dan Nickell was the student director.

After acquiring one hundred honor points in speech activities a person is eligible to become a Thespian. To establish and promote standards of excellence in all phases of the speech arts and to create an active and intelligent interest in them is the goal of the Thespians.

Thespians advisor is Mrs. Ruth Terry.

Assistance Is Provided in the Library

"Can you help me find this book?" is the plea often heard in the library, and a Library Club member comes to the rescue. Besides assisting in the library, members promote an interest in books and the library profession, provide social fellowship for those with the same interests, and explore their interests and abilities in relation to library work.

Under the guidance of Mrs. Elliott and Mrs. Davis,

an Initiation Party, a Cup-cake sale, a project for Radio Free Europe, Book Week, a TAB book sale, and SLAAM were carried out. In addition the groups published an alumni bulletin sent to 125 former members.

All library class members and former members are eligible to attend meetings called on alternating Thursdays.

Keep Fighting Big Reds

"You can do it," yelled the Muskie Boosters, the best supporters of the Big Reds. They are the ones who boosted MHS spirit and promoted better sportsmanship between schools.

Remember the excursions, pom-poms, and the skits performed at the pep assemblies? This was just part of the busy life of a Muskie Booster. Their advisor is Mr. Wingler.

Yearning for The Outdoors?

Do you like the smell of the out-of-doors, the color of green trees, and have a desire to preserve them? Well, then you have an interest in the Conservation Club. Some of their activities include a work bee at

the school farm, a dance to raise funds, and the most exciting of all, a campout. Mr. W. Trautman and L. Skipper are the advisors for this ambitious group.

Bill Erickson, Sharon Berg and Mike Crosby prepare a diorama for display as part of their project in conservation club.

Student Council Supervises the M. H. S. Homecoming

A pep rally, the coronation of the King and Queen, and the sale of mums were all supervised by the Student Council for Homecoming. In addition, council members participated in the Safe-teen club and convention to promote careful driving and find solutions to driving problems. They also handled a clean-up campaign sparked by a clean-up assembly. To raise \$1300 for two foreign exchange students sponsored by the American Field Service for M.A.P., businesses and industries were contacted and a door

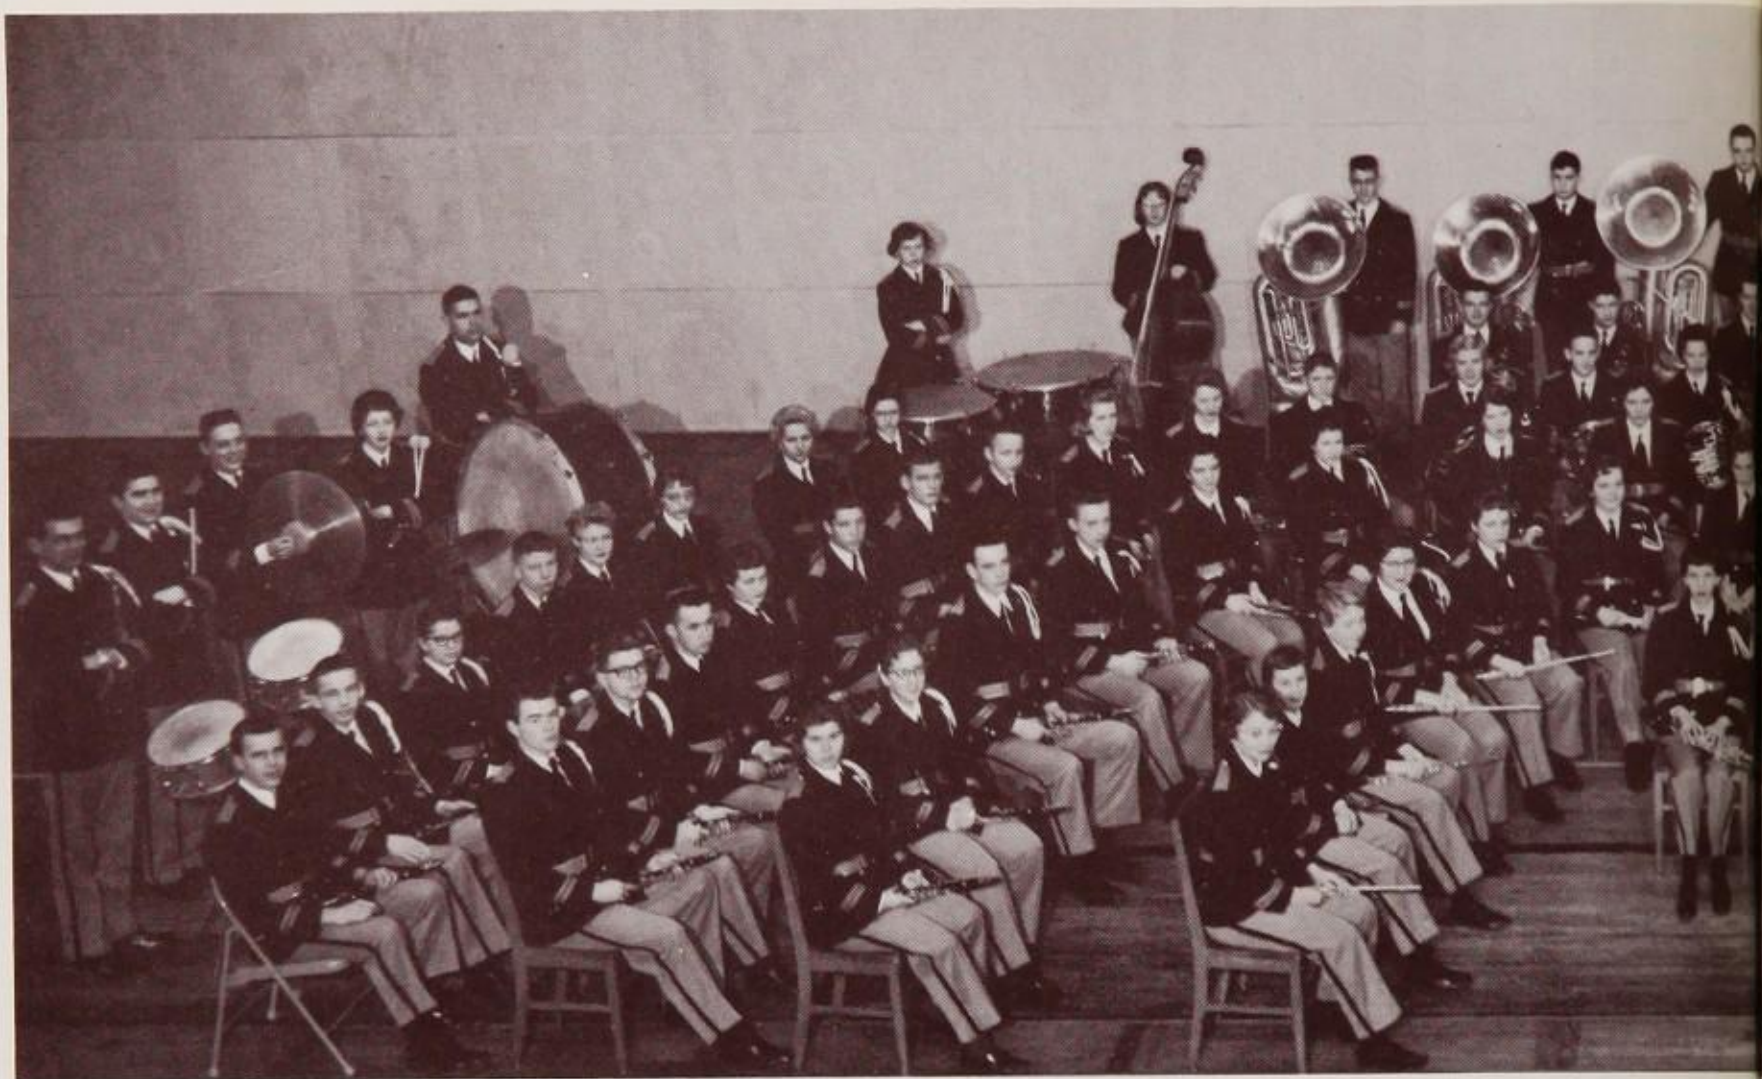

to door canvas was made. They also supervised the used book store.

Student Council has three main purposes: the first is to provide a student governing body; to promote good relations between faculty and students; and, the third is to improve school conditions during the year.

Student Council met every Thursday at 3:15 with advisor, Mr. Kenneth Rolfe, and President, Tracy Newkirk.

Symphonic Band

MUSKEGON HIGH SCHOOL MARCHING BAND

The 1958-59 Marching Band numbered 139 members, 126 of which had regular positions in the band, with 13 members serving as alternates. For the second year in a row, the band did its pre-season drilling at the Smith-Wallbridge Camp in Syracuse, Indiana. This year camp was under the direction of Mr. Fred Roys and Mr. Donald Roelofs. Chaperones for the week's work of intensive drill and rehearsal were again drawn from the ranks of parents who volunteered their time for this service. The band, like the orchestra was heavily hit by graduation and many important positions had to be filled. Lack of finance prevented any outside or out-of-town game appearances — but the band appeared regularly with new and different half-time presentations at all home games. The band also appeared at all pep-assemblies and in addition provided community service to both the Fire Prevention Parade and the Veterans Day Parade. In addition to these typically out-door types of programs the band presented two concerts at the MEA Convention in November and another concert for a "Youth for Christ" Rally.

MUSKEGON HIGH SCHOOL CONCERT BAND

The Concert Band was made up of the overflow of players who were unable to be utilized in the Symphonic Band. This group of players, many of whom were marching band members performed for school basketball pep assemblies and for basketball games. It is hoped that in time the Concert Band will

become an integral part of the school life. In many ways it will become a parallel of the U. of Michigan Wolverine or Activity Band or the MSU Spartan Activity band. Because demands of a concert nature are not as great on this group, they will have the time to play for school activities, thus freeing the Symphonic Band for concentration on a more specific concert type of program. However, Concert Band will perform along with the Symphony Band in both its Midwinter and Spring Concerts. Membership in the Symphonic Band is always open to Concert players by audition.

MUSKEGON HIGH SCHOOL SYMPHONIC BAND

At the close of the 1958 football season, the Marching Band became a thing of the past and through the medium of auditions and tryouts two bands emerged from the total membership. To begin with, some 92 players forming a well balanced musical group were chosen for membership in the Symphonic Band. This group had an unusually heavy schedule of important events, the first of which was a concert in Hill Auditorium where the band appeared with the U. of M. Symphony Band the Western Michigan University Band. There the Muskegon H. S. Symphonic Band performed for the band directors of Michigan and surrounding states.

The band, upon completion of this important function then prepared its February Mid-Winter Concert and participated in both District and State Competitive Festivals. In the spring, the usual lighter Pop Concert was presented.

M. H. S. Concert Orchestra

The Muskegon High School Concert Orchestra, as always, carried on its usual program of school and community service, in spite of the fact the entire first violin section was lost by the June, 1958, graduation. Returning members for orchestra was at a low ebb last fall. In spite of the weakened section, the group

presented twelve Kiwanis Concerts, played at the Thanksgiving Assembly, gave an Orchestra Concert, and performed at the Honors Assembly. It also joined in presenting the Variety Show. With the fine spirit of the group, they also continued their record in the Michigan Competitive Festivals.

Pro-Musica embarked on sweeping changes in its organization this year, and is now made up of representatives of the two bands and the concert orchestra. Each of these organizations elected two representatives to the Pro-Musica Council, which organized itself within its own membership.

FRONT ROW, Left to Right: Sandy Kennedy, Linda Quick, Rachel Stone, Barb Bruining, Sondra Annis, Yvonne Jordan, Elaine Humenick, Carol Batchelder, Judy Gillard, Louise Guss, Judy Leafers, Bonnie Sabin, Suzanne Church, Linda Lundwall, Sandra Jandt. SECOND ROW: Eileen Strong, Karen Ladd, Sally Wickerink, Carol Glafcke, Linda Rothoff, John Holcomb, Dick Rolfe, Ken Witham, John L. La Core, Don Basham, Charles Steurwald, Dick Uitto, Jerry Johnson, Durelle Lindgren, Anita Hilliard, Penny Robertson, Marie Erxleben, Linda Bouman, Cheryl Williamson. THIRD ROW: Karen Reimer, Karen Meiner, Ruth Alexander, Wanda Dodge, Virginia Doctor, Joan Van Dyke, Betty Jo Fields, Dave Hathaway, Jim Borgeson, Sakicki Takahashi, Don White, Jim Meyer, Nancy McFarland, Wendy Houghton, Ruth Scott, Ceola Harris, Edna Henry, Roxie Pierce, Lynn Kordish, Hannah Krough. FOURTH ROW: Mary Nyuli, Elaine Coates, Loretta Lawrence, Doug Springstead, Bill Risk, Barckley Roach, Syl Kazmierski, Larry Domont, Roy Beagle, Jerry Veldman, Bill Arnson, Jim Jespersen, Henry Kuipers, Denny Kolbe, Ken Johnston, Tom Maring, Bob Knevitt, Elsa Hansen, Judy Dewald, Sally Dephouse, Nancy Herlein, Jan Caswell, Bonnie Beck, Mary Sample.

A Cappella Choir

A large choir of mixed voices, the M.H.S. A Cappella Choir has been rated first among the best in the state. A few of their many performances included Christmas programs, concerts, District and State Festivals, and Baccalaureate. A club, as well as a choir, A Cappella has elected officers forming a "Choir Cabinet".

Girl's Choir

Fifty-three girl singers this year performed for the Thanksgiving Assembly, gave a Christmas Concert, participated in the Choir and Glee Club Festival, and at many other programs.

Rapidly becoming a more select group, membership is taken from audition or past experience.

FRONT ROW, Left to Right: Joyce Bryant, Mary Mead, Betty Dolson, Karen Gleason, Linda Fisher, Jenean Stenson, Betty Guss, Carol Bush, Sandy Baals, Sandy Wierengo, Jane Miller, Hollee Beadle, Charelyn Anderson, Betty Bailey. SECOND ROW: Pat Milas, Jane Chancellor, Arloa Tazelaar, Gloria De Long, Johnna Fuller, Carolyn Smith, Lola McLaine, Judy Church, Sandra Johnson, Charlotte Johnson, Linda Rubinsky, Mary Compton, Carolyn Sparks, Ann Wiernga, Shirley Hughes. THIRD ROW: Marilyn Horsley, Jean De Young, Nancy Sutton, Nancy Cutler, Marva Mulder, Lois Groothuis, Chris Kotlewski, Karen Rednee, Marcia Timmer, Sherry Nelson, Pam Scott, Carol Messenger, Pat Morrison, Beverly VanderVelde, Karen Mezynski, Marilyn Visscher, Ann Gillard, Diane Conrad.

Senior High Chorus

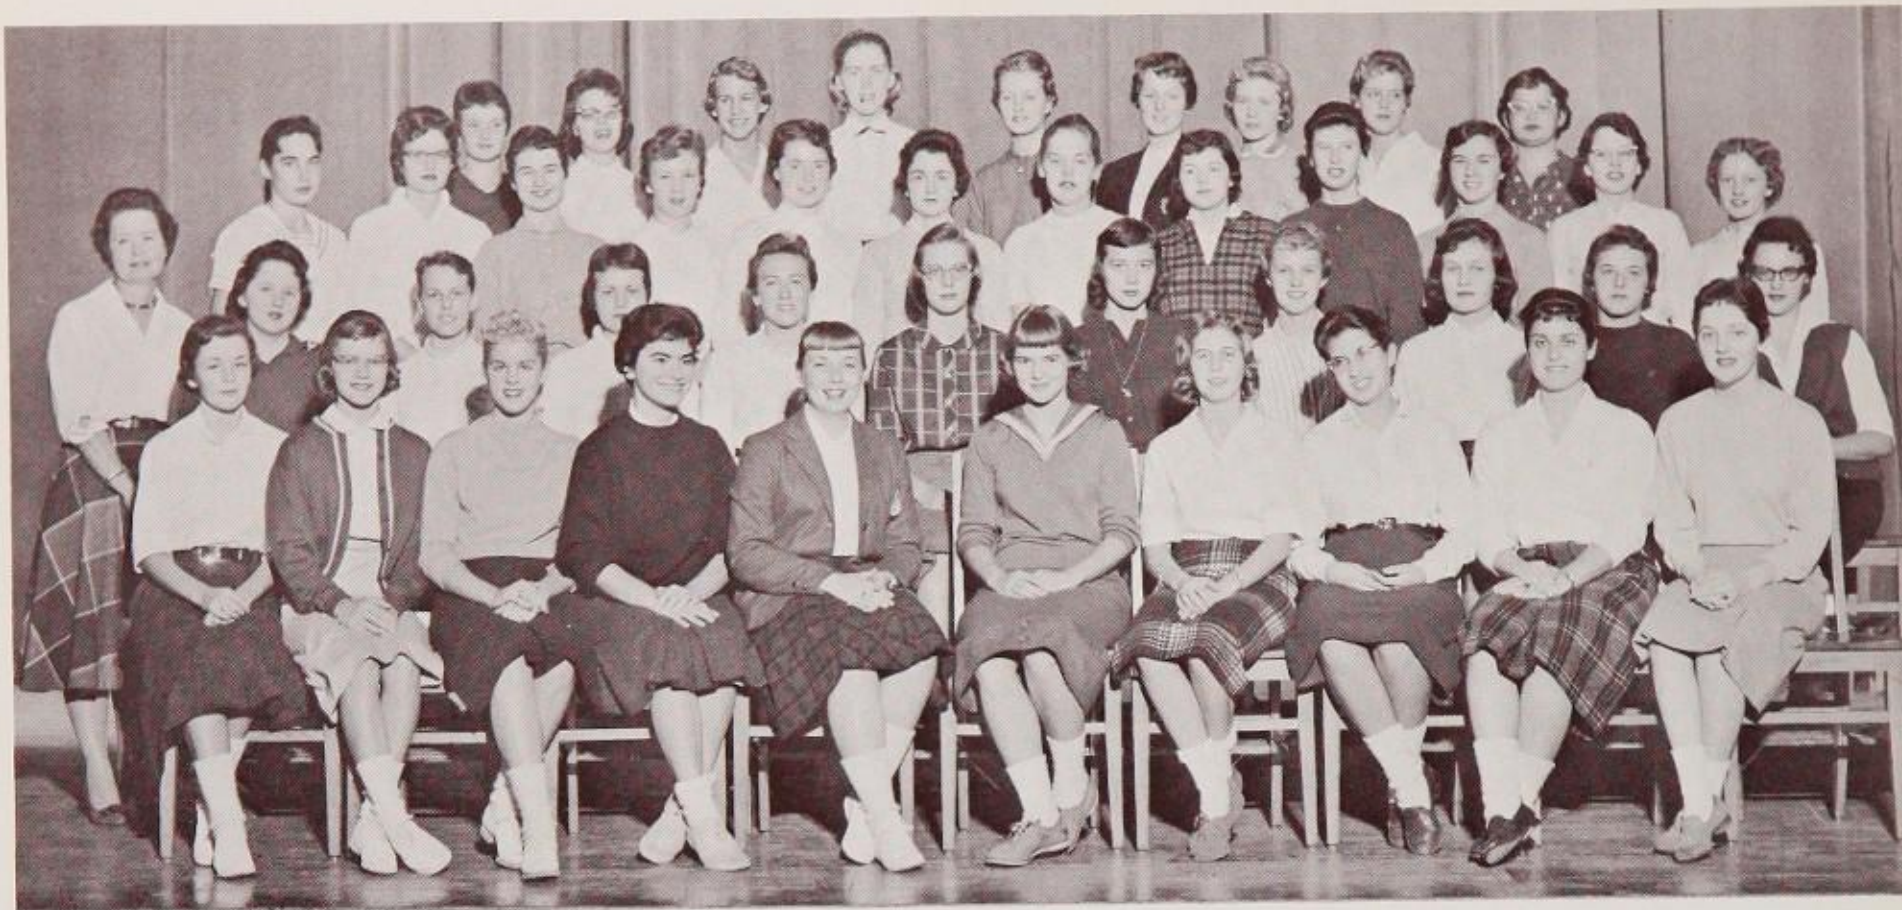

Membership in the mixed chorus is open to all students with no previous choral experience. A desire to sing good music and develop one's voice are the only qualifications. This year the chorus performed for the Annual Choir Parents' Night, gave a Christmas Concert, went Christmas caroling, and presented a spring program.

Magrigalians

Madrigalians was formed to provide experience for advanced singers in a small group. Although it is supposed to consist of sixteen chosen juniors, this year there were twenty-seven members. The group performed for many functions including the Teachers' Club, several church and civic groups, the District Solo and Ensemble Festival, and gave two operas, Spring and Christmas Concerts.

Carmenta Literary Society is their name, and they've given their all to help us win fame! This jingle may be silly, but it is one of the truest things ever spoken. Just adjust your spectacles and look at what they've done.

They sponsor AFS, our Foreign Exchange Student System, a very worthwhile job, as we all know. They assisted with the moving of the Muskegon County Museum to its new quarters and they spread good will to poor and needy families by contributions at Christmas and Thanksgiving.

"They are the School's Servants!"

Don't get the idea that they are all work and no play though, for they sponsored the Cotton Ball, one of Muskegon's biggest social events of the year, and the annual banquet with Senate Fine Arts Society.

FRONT ROW, Right to Left: Sandra Jensen, Joanne Larrow, Judy Bell, Barb Cross, Lynne Grandjean, Jo Scott, Joni Beck, Judy Hanson, Corinne Nelson, Marcia Warren, SECOND ROW: Susan Smith, Christine Nelson, Historian; Sally Shannon, Peg Wainwright, President; Lila White, Janice Davis, Marthann Miller, Carol Hartman, Virginia Ferrell, Sandra Taulbee, Terry Redmond, Vice President. Chinese Orphan is Adopted by Senate

This year final arrangements were made and Senate Fine Arts Society adopted and supported a Chinese girl. To finance this project, they gave a dance, sold baked-goods and cupcakes.

Every second and fourth Tuesday, forty-nine Senators met with their advisor, Mrs. Andrews, and Peggy Wainwright, President, to discuss business and

make arrangements for monthly evening cultural meetings.

To encourage an interest in cultural activities, the girls attended theater plays and music programs. All junior and senior girls wishing a better understanding of the fine arts and wishing to become better acquainted with their fellow Senators are eligible to join.

Lenetta Muehlhausen and Carol Le Tarte check the files for names to make up a list of committees for their Spring banquet.

FRONT ROW, Right to Left, Pat Henricks, Vice President; Donna Hoekenga, Lorrie Leutscher, Carol Hagen, Marilyn Booker, Historian; Ellen Spoelman. Kirn, Advisor; Joy Timmick, Jan Caswell, President; Alan Perysian, Parliamentarian.

I Move the Previous Question!

Sponsoring a Parliamentary Procedure Clinic was the main project of SPEECH GUILD this year. It was designed to help MHS clubs conduct relatively easy business meetings. Every club was given the invitation to send delegates, and anyone interested could attend.

This active group packed a Thanksgiving basket, gave a cupcake sale, and offered their services to Muskegon PTA'S for panel discussions. Anyone may join if he can give a good 3 - 5 minute speech on any subject.

FRONT ROW, Right to Left: Linda Anderson, Marian Greenberg, Sharon Repta, Mary Wibalda, Joy Timmick, Marilyn Booker, Carol Hagen. SECOND ROW: Douglas Walvoord, Donald Williams, Mike Meyer, Tracy Newkirk, Bruce Buteyn, Gary Price, Ken Hunter, John Kirn, Instructor.

Curtain! Lights! Action!

A longing for the theater is what Masque members acquire. In Masque one develops an appreciation of drama and better understanding of dramatic literature. To join requires presenting a three and one-half minute dramatic reading. Of course, it must show the real actor in you. Masque presents the three-act play in the fall and the three one-acts in the spring. The major production this year was: "Gentlemen Prefer Blondes". The President of Masque this year was John Holcomb and their advisor was Mrs. Terry.

"Comment Allez Vous?"

This interrogative French sentence is as common to French Club members as it is to the French themselves. Literally it means "How go you?" or in other words, "How are you."

This year French Club was split into a Monday and Tuesday group, because of its size.

They gave a dance after a basketball game, sent money to CARE, and contributed to many school

projects, such as American Field Service's campaign. They have had several evening parties as well as after school meetings in which they sang, watched movies and slides, played games, participated in skits, and corresponded with French teenagers.

They purchased material for French classes to use, such as audio visual material, maps, and records in their endeavor to stimulate interest in the French language.

Spain and Latin America Have Many Friends in the U. S.

If you are enrolled in a Spanish class or have studied it for one year, you are entitled to belong to Spanish Club. Its purpose is to familiarize its members (and non-members) with Spanish customs, literature, and art. The club was quite active this year. They

sponsored a dance after a football game, and have had several parties. At their meetings they played games, watched movies and slides, and listened to guest speakers from various Latin American countries.

Spanish club members look over the Spanish Christmas Card display.

FRONT ROW, Right to Left: Dayle Hollar, Flute; Cynthia Spurgat, Viola; Joanne Johnson, Violin; Kay Glidden, Co-director; Carol Marcil, Co-director, piano. Chorus and Orchestra Entertain Latin Students

Although the Junior and Classical League has lain dormant this year, the chorus and orchestra have continued to function under the direction of Peg Hollander and co-directors, Kay Glidden and Carol Marcil, respectively.

The groups entertained Latin students at a Christmas program. To create an interest in third and

fourth year Latin, junior high students were invited to a May program.

Miss Merritt, advisor, welcomes all second, third, and fourth year Latin students to the group.

Each year all Latin students take a National Latin Examination. Through the years, Muskegon students have taken many top honors for their superior grades.

Y-Teens are "Top Teens"

Any girl at MHS, wishing to help develop Christian character among all peoples, would certainly be interested in Y-Teens.

This year the Teens packed a Thanksgiving basket

for a needy family and clothed dolls for children less fortunate than themselves.

In the way of fun, they gave a father-daughter banquet and later a huge slumber-(less) party at the "Y".

Their most important activities were helping to

"Clean Speech, Sports, and Scholarship" Boasts Hi-Y!

support charities in Muskegon, such as Red Feather, Good Will, Cancer Drive and others, and helping needy families with Christmas and Thanksgiving baskets. Each year they faithfully sell refreshments at the football concession stands to earn money to finance their many humanitarian projects.

Camera Club Contributes to Press Groups

YFC Teaches the Christian Way of Life

This year under the name YOUTH FOR CHRIST, the members endeavored to do just that. Their activities and projects were many and of great variety. They had two quiz teams that we can be proud of for they were city champions. They held rallies twice a month with other city clubs featuring the movie "Going Steady" and such well known artists as the Palermo Brothers.

Every Tuesday morning at 8:00, 150 MHS'ers started the day out right by attending Bible Club and growing in the knowledge of God. Their outside activities included a hayride during Christmas vacation, packing a Christmas basket, and they even multiplied pennies to \$150 in order to earn money to help buy a movie projector for Greater Muskegon's Youth For Christ.

Most of all, though, they did much to promote a better understanding of faith as they set examples of Christian character.

Said and Done's Vital Job

Fifteen years from now, when you glance back into the 1959 Said and Done, maybe you will realize how many memories can be packed into the pages of that book. You will see your many teachers, pictures of your classmates, and photos of dances and games you have attended.

The Said and Done staff worked hard all year to make the book a successful diary of events and

things to remember. With deadlines to meet they often went beyond the call of duty to see that the pages were perfect with a minimum of errors. A lack of funds was what the staff had to contend with but they worked extra hard and pulled through fine.

In order to secure the funds they needed, they went out and found advertisements and gave their all when they sponsored a dance after a football game.

Judy Hovey shares a laugh with Elise Schanzlin, Sharon Peters, and Judy Carlson.

Whom do you see? Terry Burnham and Jim Bakker of course!

Why? Because this is Campus Keyhole and they are editor and assistant editor, working hard to put out the next bi-monthly campus newspaper.

In order to publish their fine paper, they must have

sufficient funds, so three years ago they invented a way to secure these funds, in an annual variety show. This year it was the largest ever, with 30 acts and over 300 people.

The Education of Your Future Children Is In Their Hands

Janice Davis and Ann Buttermore talk over grading techniques with Miss Pihlstrom. An introduction to teaching experiences.

You probably haven't thought much about your future children's education, but these future teachers have. Their yearly activities are many and varied. They visited colleges, Muskegon Grade Schools, and observed teachers in action, so they could learn the proper techniques. This year F.T.A. invited teachers to their meetings to talk to them and answer any questions they might have.

Anyone genuinely interested in the field of teaching may join.

Even though the season was a losing one it can be

called a real success because it showed the quality of the team which is traditional at MHS; our boys never quit fighting and the crowd never quit cheering. Our fighting men in Red were also successful in bringing home the huge Bennie Oosterbaan trophy by capturing the Southwest Conference title.

M. H. S. Never Quits Fighting . . .

The rough practice began in September under the able coaching of Loyd Hartman, who found his boys in good shape and ready to play football.

We started with a fine group of lettermen but the rest of the team with a few exceptions was a little green and lacked playing experience. The lettermen were: Seniors Jim Graves, Tim Lutrey, Jim Doubles, Larry Weaver, Bob Harris, and Juniors Terry Locke and Jim Jesperson.

The first game of the season found Muskegon at Lansing in a battle which ended as the first Big Red defeat as Lansing Sexton downed the fighting Muskies 9-0. The game was a hard fought battle of lines as Tim Lutrey, Jim Doubles, Roger Locke, and Jim Jesperson displayed fine ability for MHS.

Our men in red were crushed by the powerful Flint Central attack which ended in a 45-7 defeat for Muskegon. Terry Locke showed great determination and drive throughout the game and scored the Big Red's only T.D.

What's the situation Ken?

Stand aside! We're coming through!

Ahead

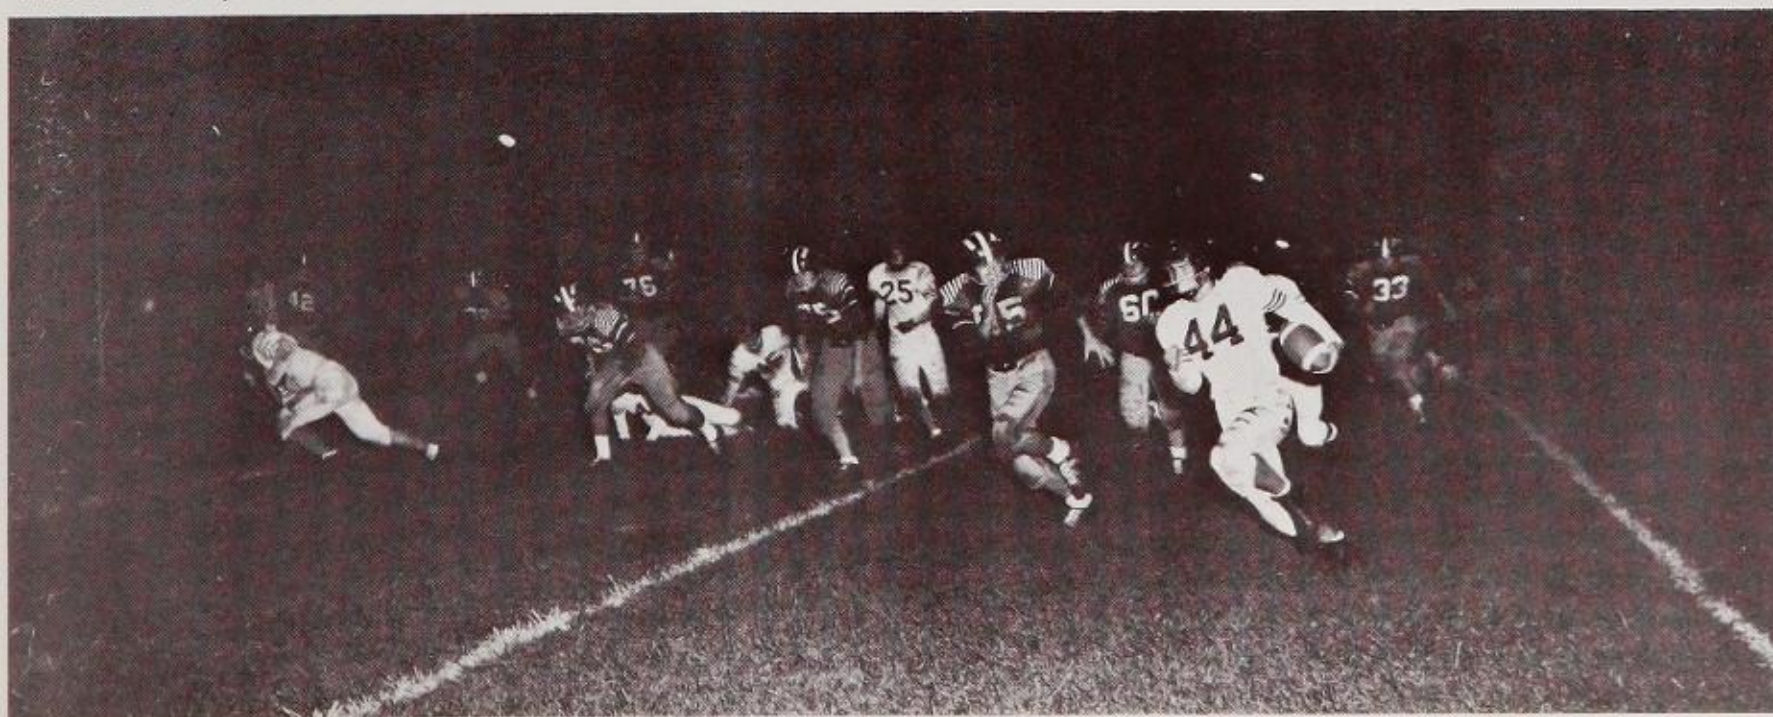

Hold that ball Roger!

Catholic Central trampled the Big Reds in the season's third game by the astounding score of 40-14. The ever fighting men in Red could not get started as they tasted defeat but determined Terry Locke kept the team on the scoreboard.

The Big Reds scored their first victory against conference rivals Benton Harbor in a 14-6 victory for the Muskies. Terry Locke upheld the scoring game as the Muskegon line proved hard to get around.

Wait for us Terry! We're T. D. bound!

Muskies Break Into Winning Column

Little Terry Locke tries to out run giant opponents.

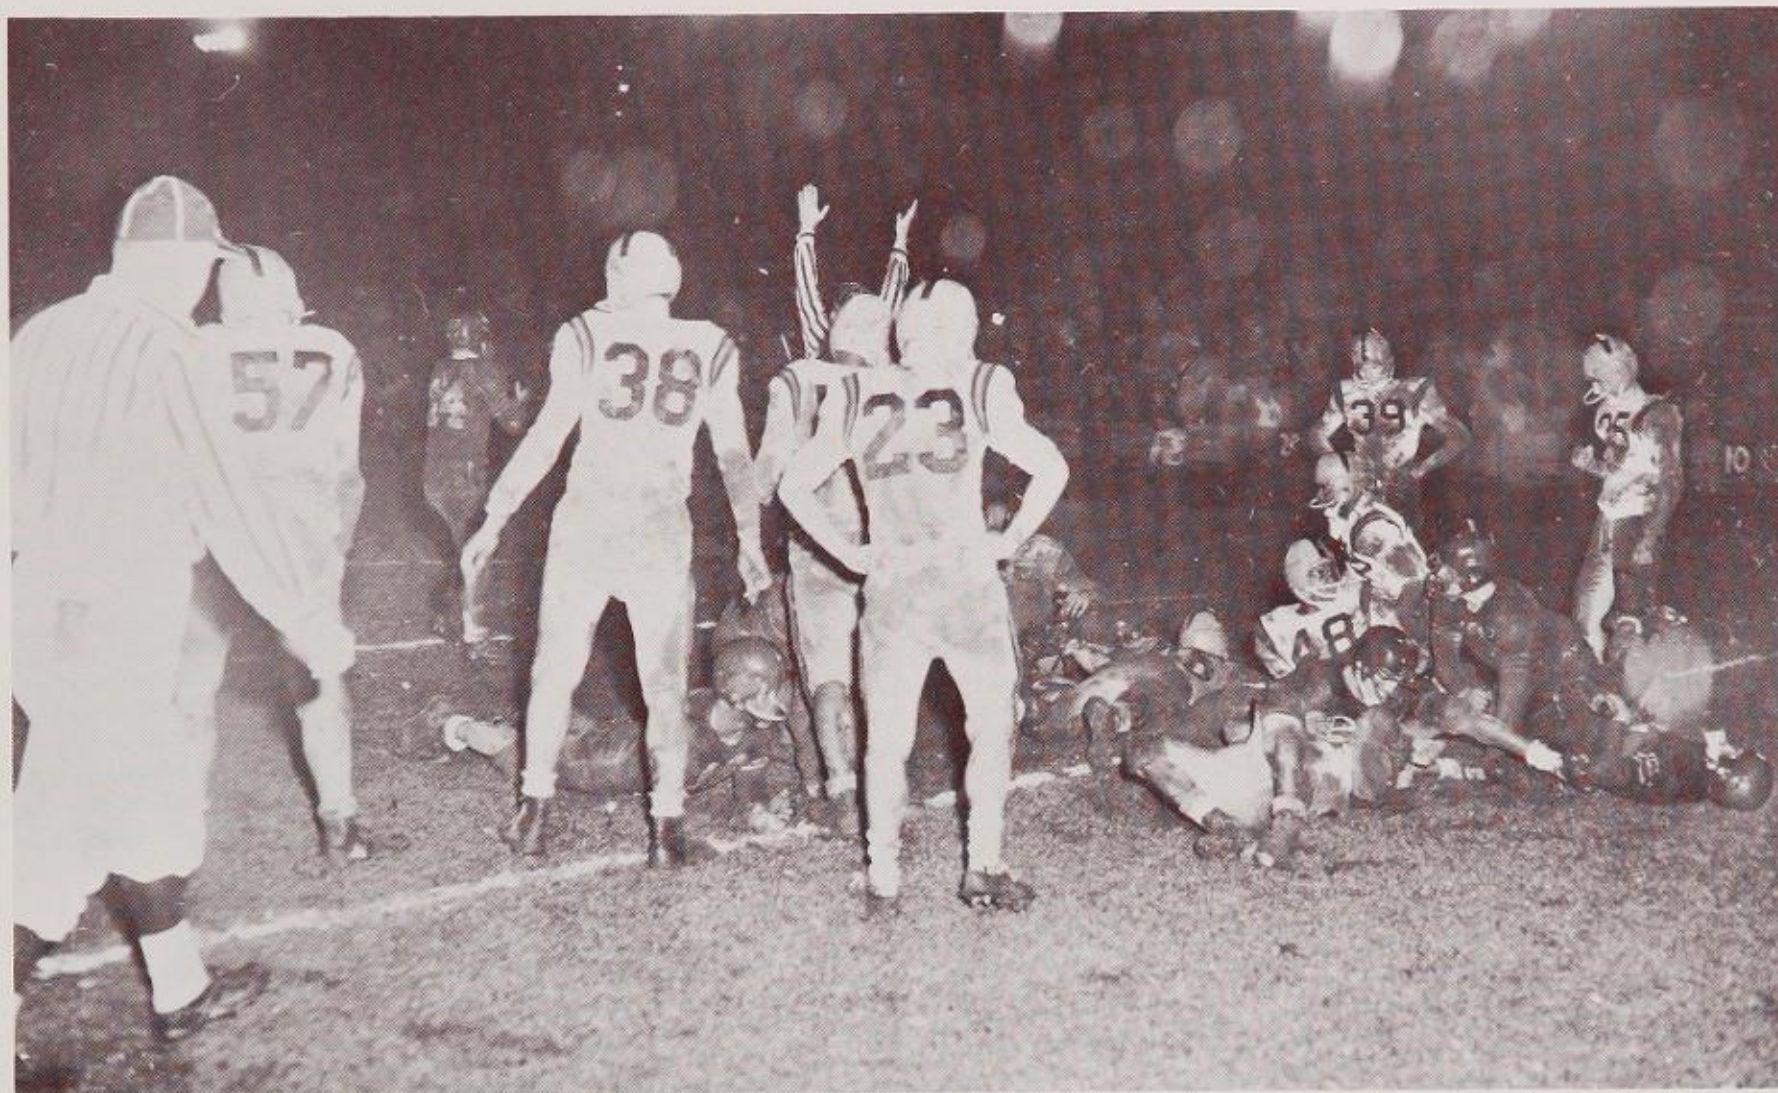

The next opponent proved to be too tough for the M.H.S. gridders as Flint Northern stamped out a 41-6 win. This game was one in which many fans commented that even though Muskegon lost, the Big Reds never quit fighting.

Traverse City handed Muskegon its hardest loss of the season as the Big Reds completely out played and out drove the opponents. The score ended 12-0 in favor of Traverse. Archester Ward, Tim Lutrey, Jim Doubles, and Jan Dephouse were M.H.S. stand-outs.

He's all yours Larry!

Clinch Southwest Conference Title

Muskegon scores, Heights loses!

The tricky offense of the G. R. Union surprised the men in red as the speedy Union backs led their team to a 42-19 win over the Muskies. Again Terry Locke showed his great running ability as he played an outstanding game for M.H.S.*

Muskegon bowed to Battle Creek in the eighth grid battle of 1958 in a defeat. This game was not a great loss for the men of M.H.S. because after the game the Battle Creek coach admitted that the Big Reds were the hardest hitting team that his boys had faced all year.

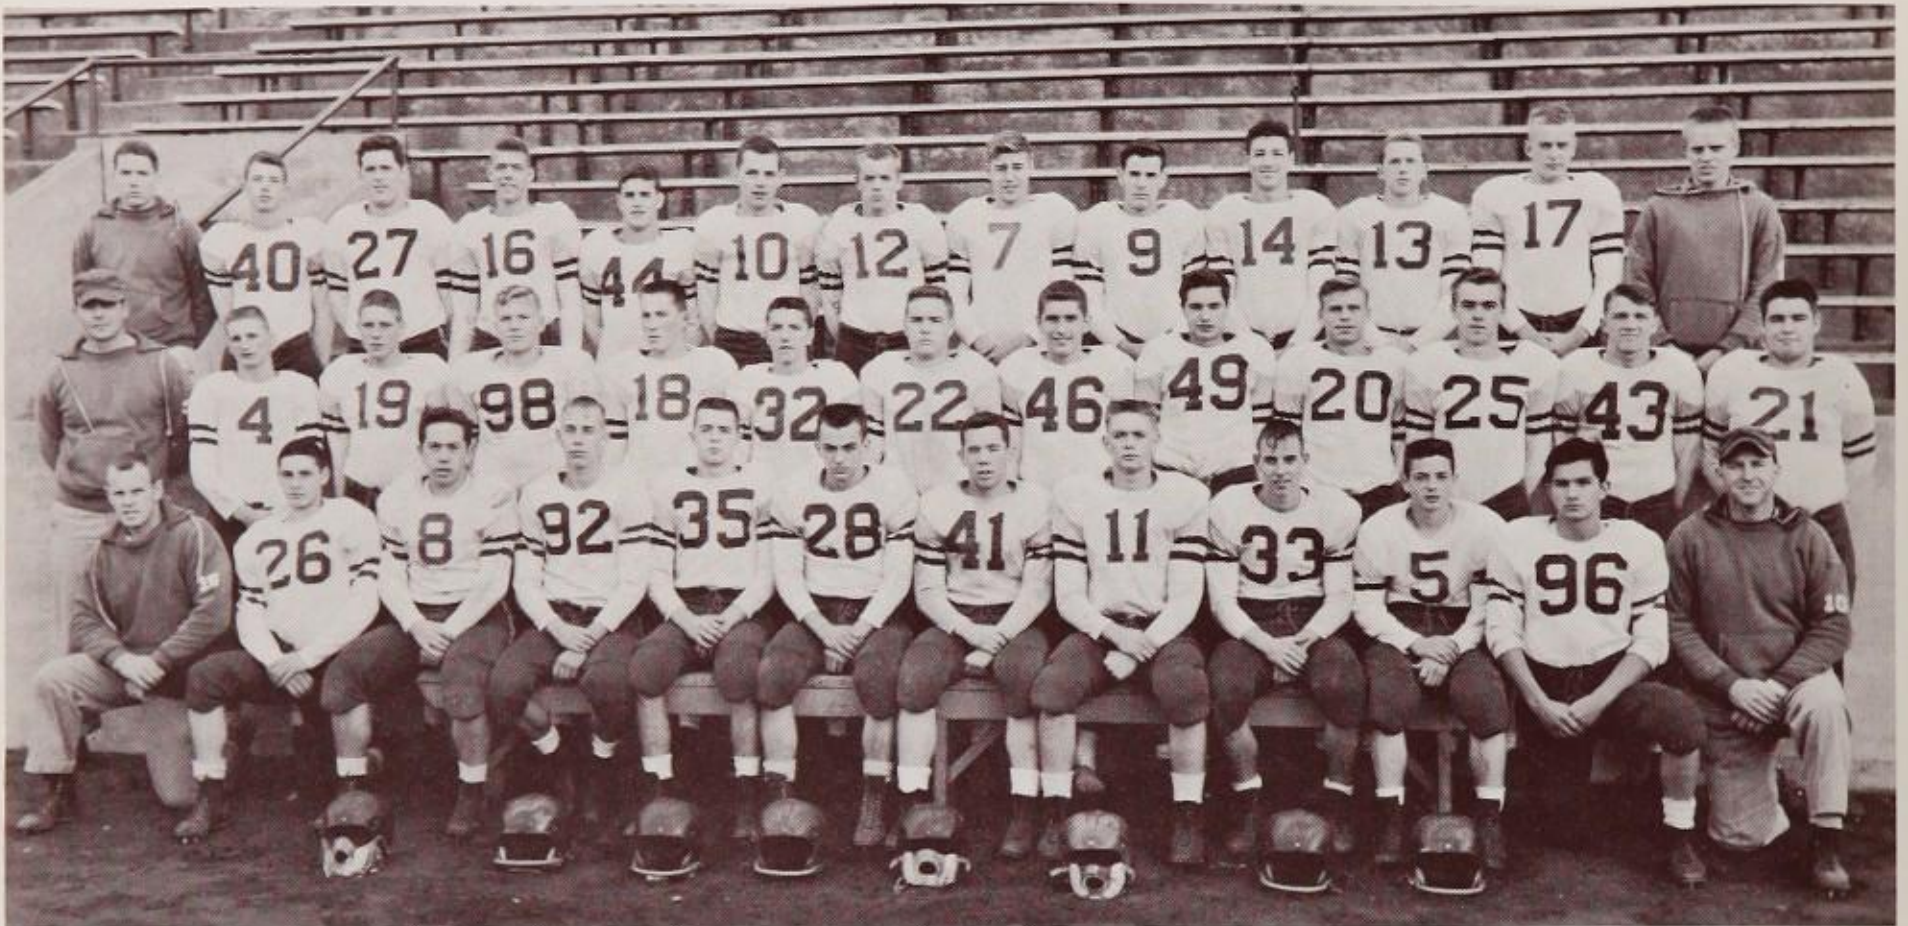

The final and most important game of the year is one which will be long remembered by the people of Muskegon. The Big Reds arrived at Phillips field in Muskegon Heights as the underdogs but the determined Muskies emerged victorious with a score of 19-6. This victory not only showed that Muskegon never quits fighting but also clinched the Southwest Conference Title.

Tim Lutrey received the large Osterbaan trophy at the Elks Banquet and Terry Locke was named most valuable player.

A familiar sight to many opponents. Terry Locke heads for another T. D.

The Big Reds started off their season in great spirit this year under the able coaching of Mr. Ed Hager. Coach Hager stepped into the head basketball spot this year with a fine looking group of boys. Under stiff competition Muskegon posted a 3 win 12 loss season and are certain to better this mark next year with an experienced and eager group of boys returning to carry on in the fine sportsmanlike way which has

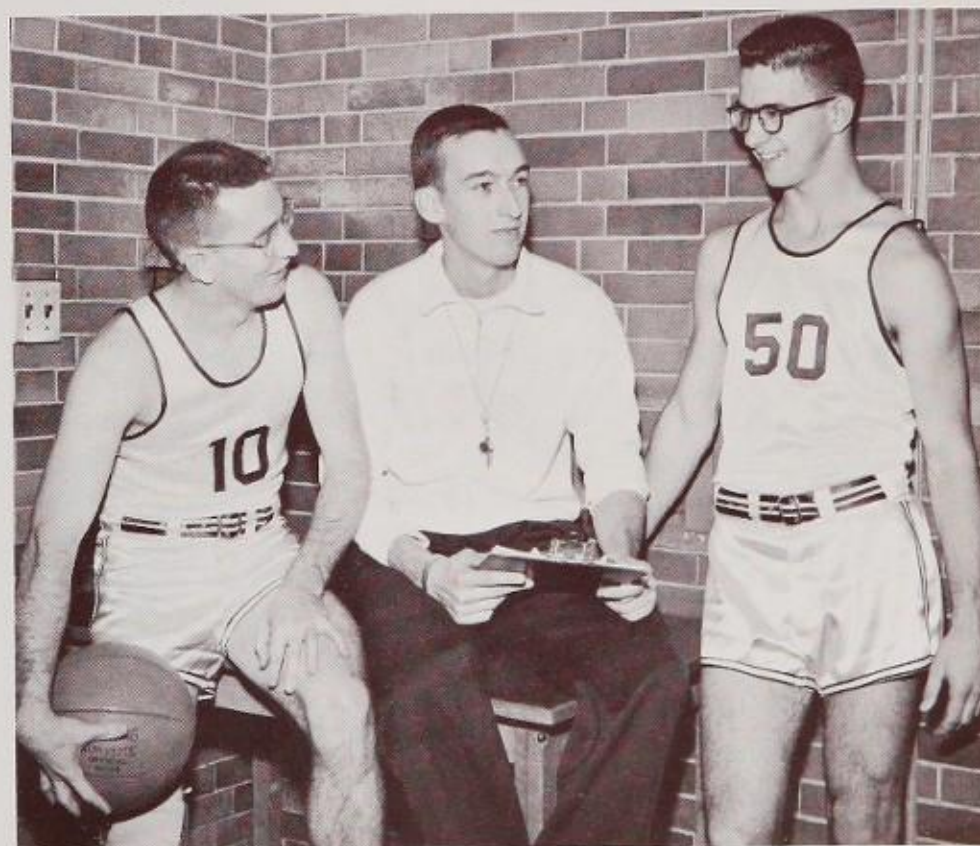

become an annual custom at M.H.S.

The Big Reds opened their colorful season with the Crusaders of Catholic Central. In this well played and spirited game the Muskies downed the Crusaders 61 - 50. Muskegon showed their tremendous team work as well as fine individual ability as the season was off to a good start.

Coach Hager discusses season outlook with Ken Witham and Bob Clapper.

Spirit and Ability Are . . .

Nelson demonstrates his form in securing the jump for Muskegon.

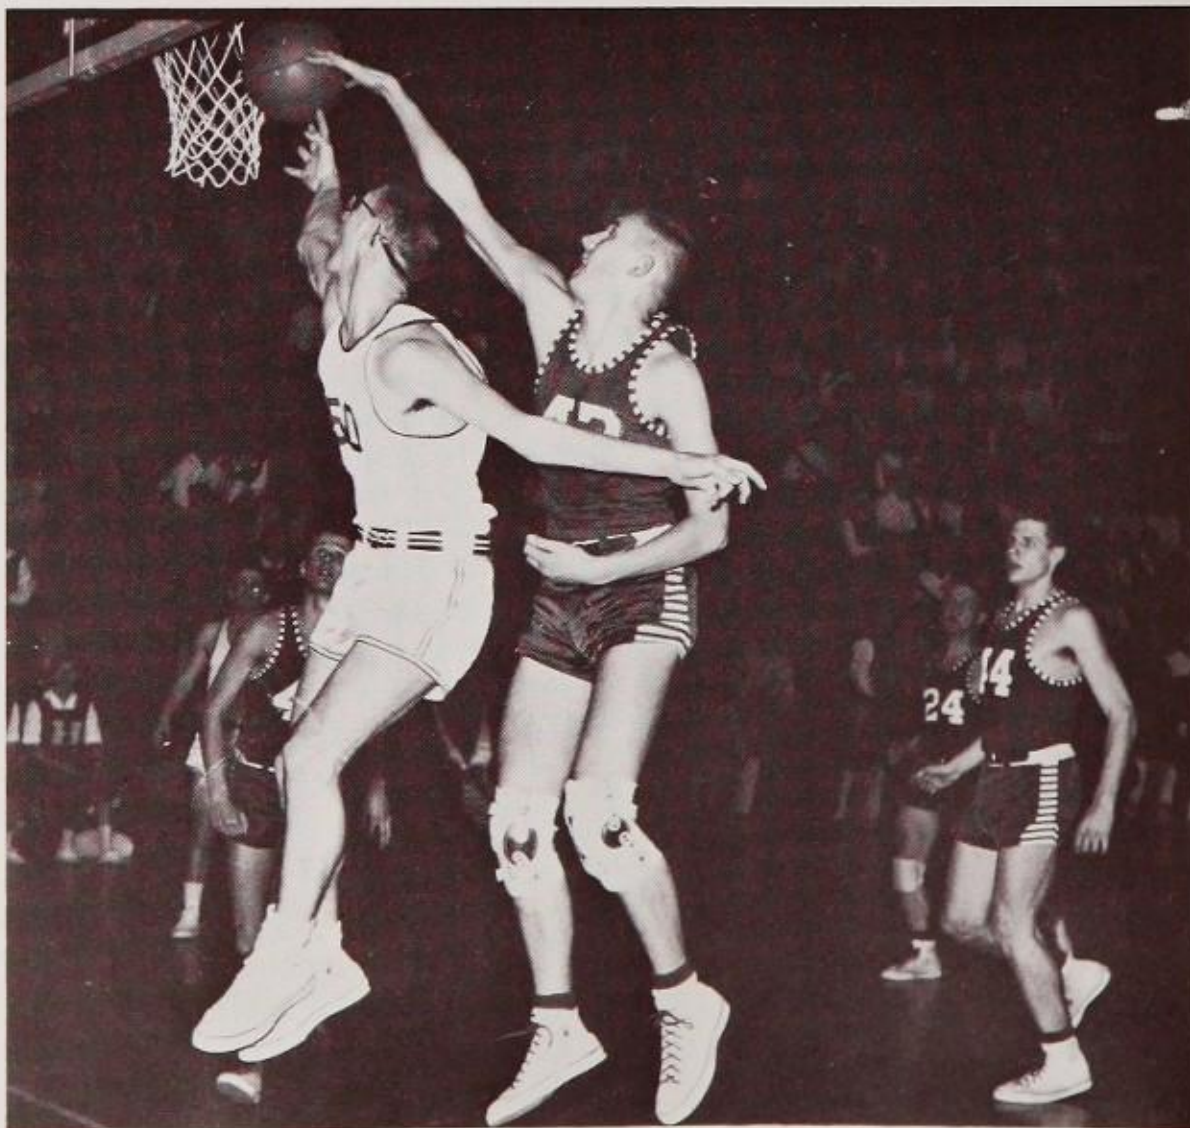

For the second game of the season the Big Reds traveled to TRAVERSE CITY. The Muskegon boys couldn't get started in the scoring column and were handed a 68-33 defeat by the tough Trojans of Traverse.

The MUSKEGON HEIGHTS TIGERS handed Muskegon its second defeat on the home court of the Tigers. The Tigers managed to out shoot the Muskies 74-55, but the Big Reds didn't give up without a fight.

The BATTLE CREEK BEARCATS arrived at Muskegon with hopes of downing our dazed Big Reds but the determined Muskegon athletes leaped forward with a 50-40 upset over the cats from the Creek. Jim Graves and Dave Nelson proved to be valuable assets to the Big Reds as they showed fighting ability on the boards.

Muskegon boarded a bus and took a short trip to GRAND HAVEN where the Bucs downed the Big Reds 63 to 53, but not without a fight. Bob Clapper continued his tremendous scoring and Roger Locke made clear his outstanding ability on the backboards.

Clapper hits for two more Big Red points.

Traits of M. H. S. Athletes

Nichols drives in for a lay-up. Nichols proved to be an outstanding player since being brought up from the Little Reds at mid season.

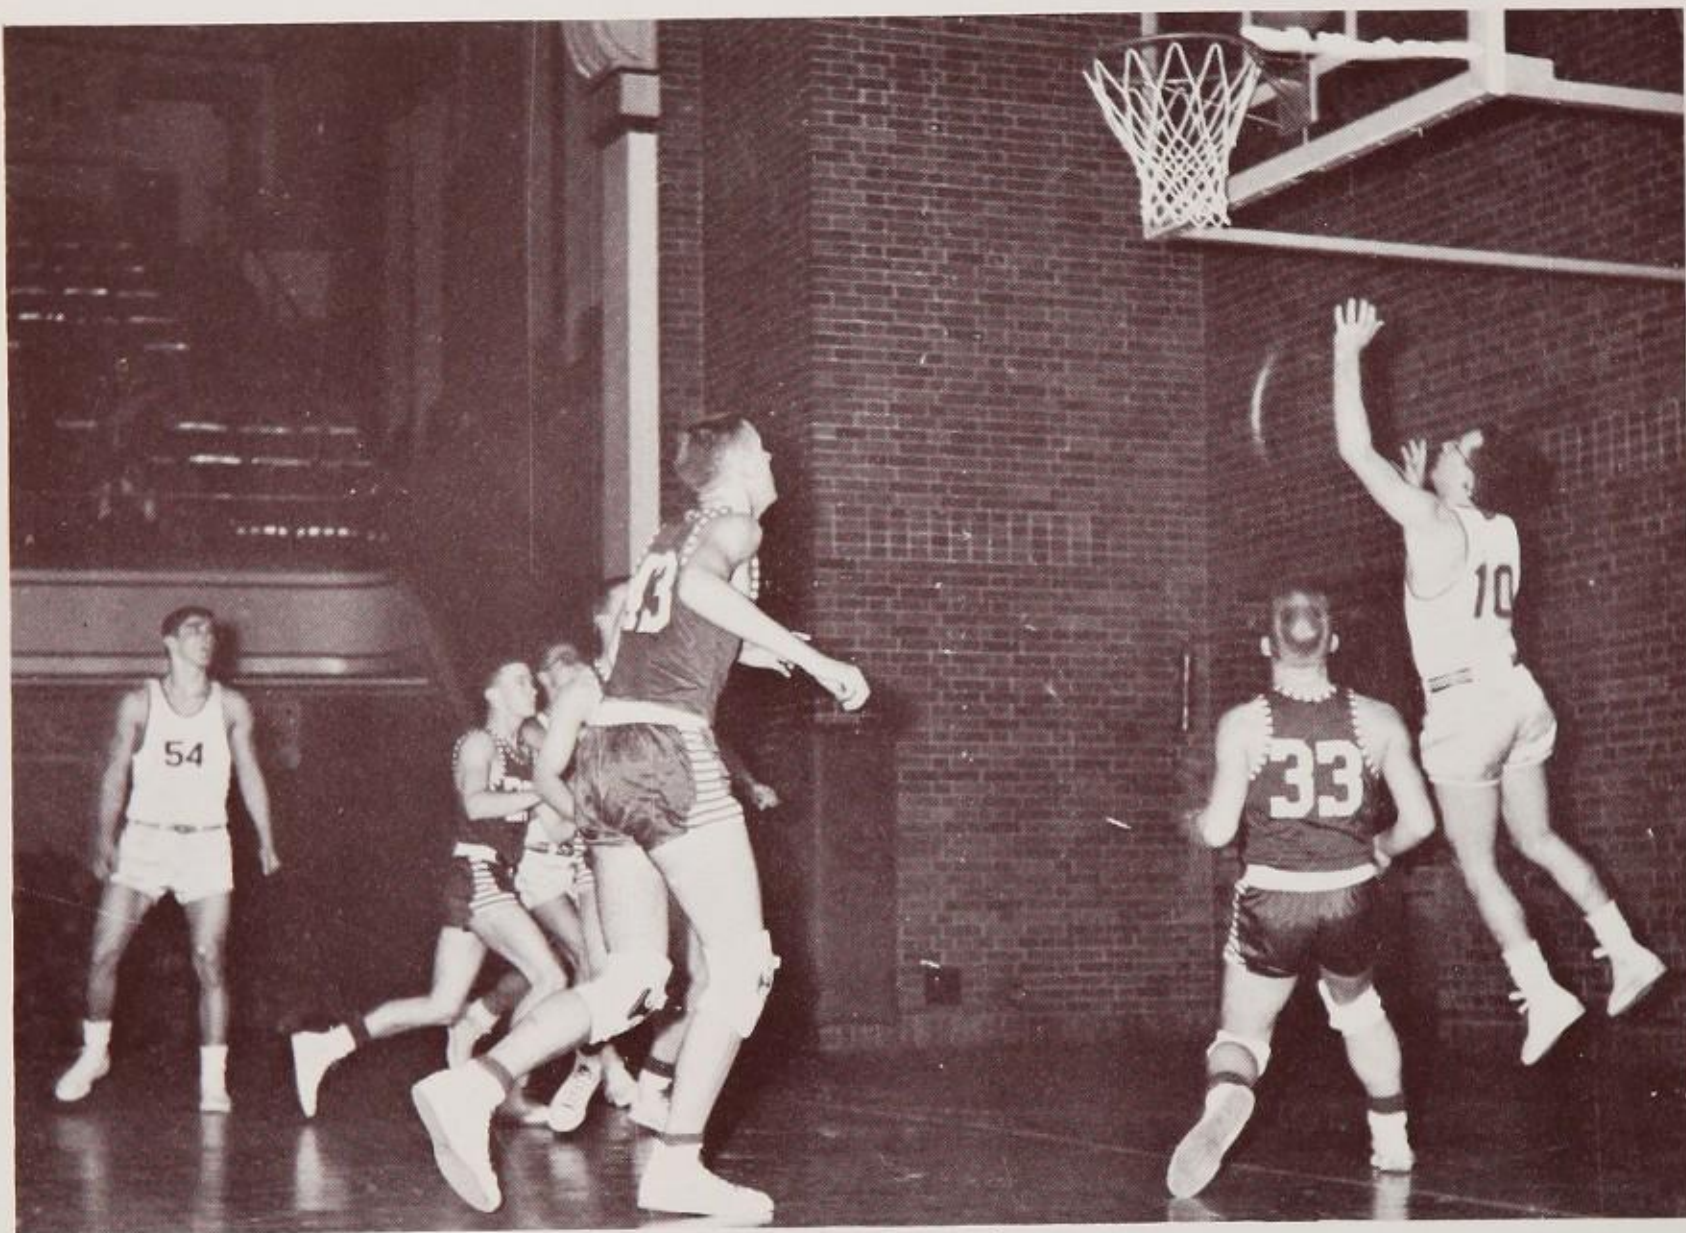

Locke lays it in to raise the Big Red score.

The Big Reds came raging back on the winning path after a two week break. The highly rated HOLLAND DUTCH made a short visit to Muskegon where they were handed a 51 to 47 defeat by the fired up Muskies. The fine strategy of Coach Ed Hager and the tremendous scoring of Ken Witham and Bob Clapper proved to be the deciding factors of the contest.

NILES handed Muskegon a heartbreaking 59 to 47 defeat on the Niles floor. The game was juggled back and forth during the first three quarters but the boys from Niles dominated the last quarter. Dave Nelson and Bob Clapper led Muskegon in points as the entire team played a fine game regardless of defeat.

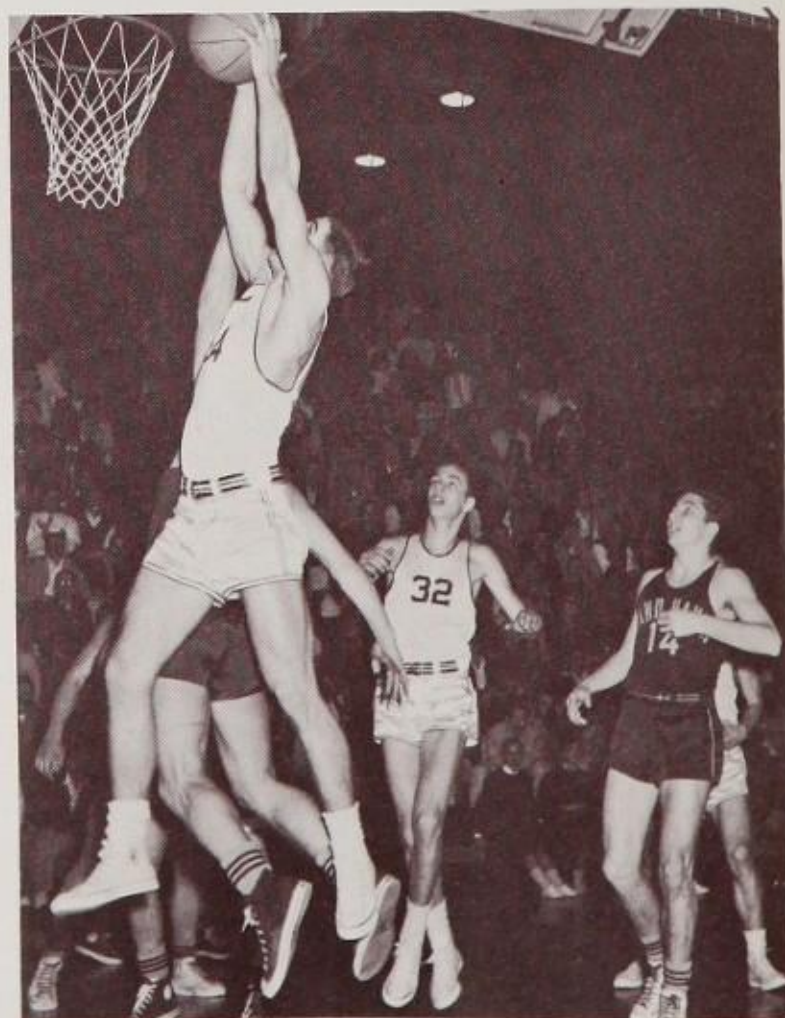

Close Games Plague Big Reds

Witham scores again!

BENTON HARBOR handed the Big Reds a smashing defeat on the Tiger's home court. Though the first period was a near standstill, the Harbor team rallied in the second period to end the half 42 to 24 and went on to lead the dazed Muskies the rest of the game which ended 70 to 42. Bob Clapper and Ken Witham, while literally choking on the dust of the Tigers continued their fine seasonal scoring.

The MUSKEGON HEIGHTS TIGERS again downed Muskegon with a 70 to 42 defeat for the Big Reds. Even though Muskegon lost the game, the great spirit which has become an annual custom at M.H.S. was outstanding proof that the entire school was behind the team.

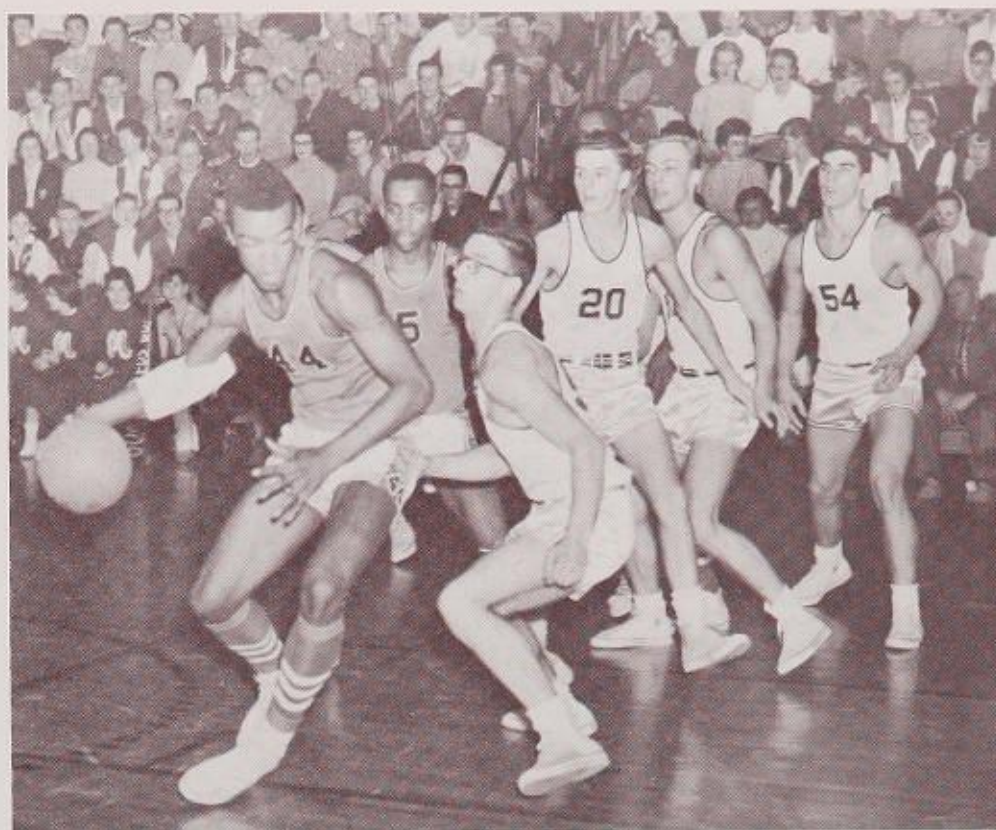

Locke drops it in with ease.

As They Continue to Fight

The following game with GRAND HAVEN proved to be one of the many heartbreakers for Muskegon during the season. With just 10 seconds left in the game, the Bucs hit on a long shot to win the battle 71 to 69. Roger Locke and Ken Witham were standouts in the hard fought contest.

M.H.S. traveled to HOLLAND for its next contest in which the Dutch revenged the earlier victory of the Big Reds by handing the Muskies a 70 to 55 defeat. The playing of Mike Pedler, Ken Witham, and Bob Clapper kept the Big Reds fighting on the foreign court.

BATTLE CREEK also gained revenge on the Big Reds in a 73 to 64 battle. Al Nichols and Bob Clapper kept the colorful Big Reds fighting 'til the final buzzer.

Muskegon closes in on opponent.

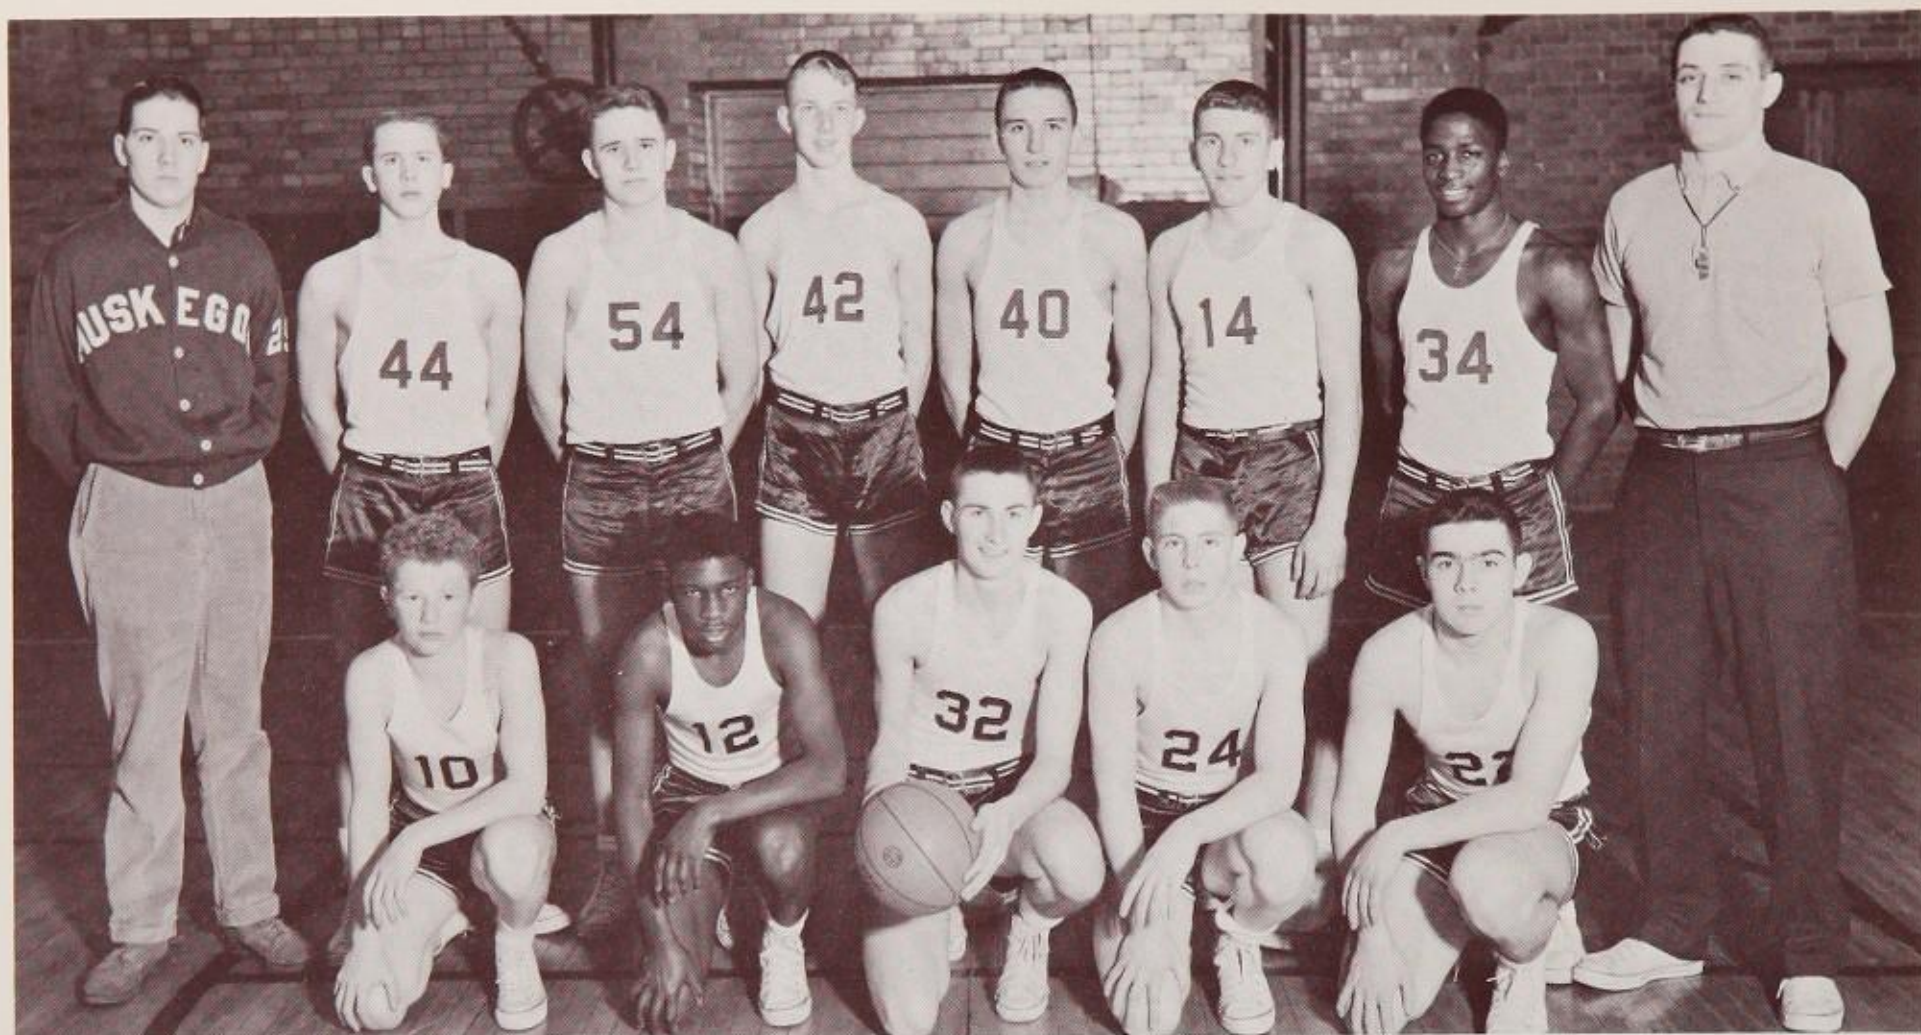

MUSKEGON CATHOLIC CENTRAL upset the Big Reds on the Crusaders home floor in the following contest. Though the Muskegon boys battled throughout the game, C.C. came out on top 65 to 55.

Again Muskegon lost a heartbreaker; this time to BENTON HARBOR in an overtime which ended 70 to 68. Muskegon led most of the game but the Tigers came out on top. The game showed tremendous team efforts with Dave Nelson, Al Nichols, and Roger Locke standing out for the Big Reds.

TRAVERSE CITY handed Muskegon a 58 to 56 defeat in an extremely close game at Muskegon. Bob Clapper and Al Nichols played exceptional basketball in this final regular season game.

Witham drops in lay-up after stealing the ball from opponents.

Little Reds Turn In Victorious Season

The Little Red squad turned in an outstanding and victorious '58 - '59 season under the exceptional coaching of John Partenio. The records showed a 9 win 6 loss season for the talented M.H.S. sophomores. The boys played crowd-pleasing ball throughout the year, even with the retirement of two valuable players to the Big Red squad at mid-season: Al Nichols and Mike Pedler. Most of these boys will be seeking positions on the Big Red line-up next year, and it is certain that many of them will make the grade.

Homer Hopkins hits the bucket to raise the score for the Little Reds.

Trackmen Have New Hobby: Breaking Records

Dick Cahill, Muskegon's most versatile athlete, rolls up another first place. Dick was responsible for many new records this year.

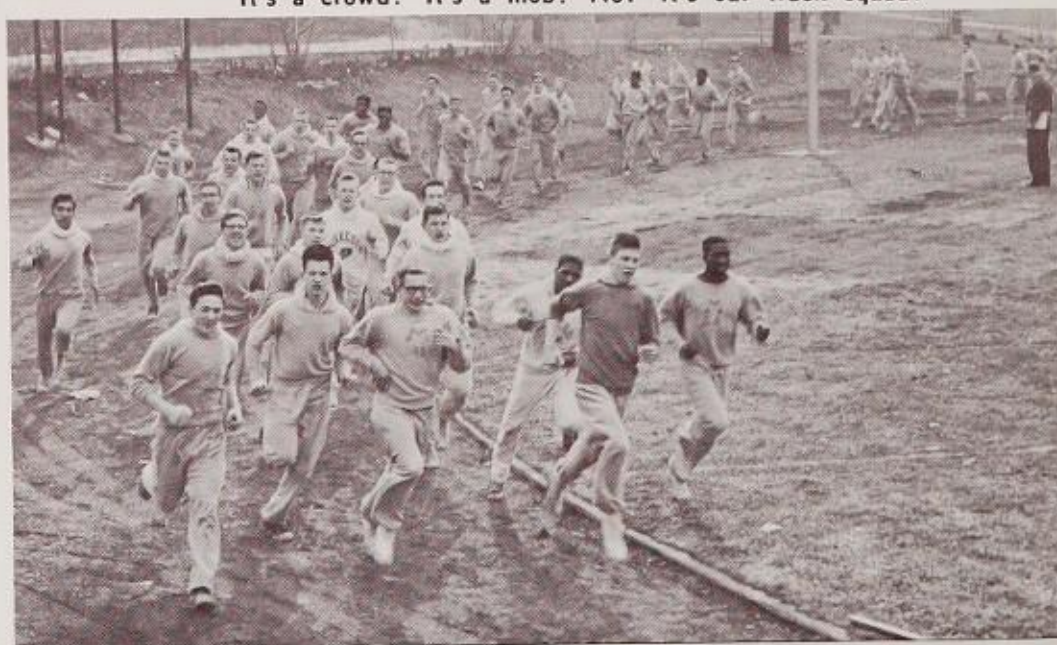

Again Coach Tom McShannock and his track squad emerged with a victorious and illustrious season. The team posted a 4 win 2 loss season, placed 3rd in the regionals and set many new records during the year. The loss of stars Dick Cahill and Theo Hawkins will present a problem, but the '59 season is certain to be a victorious one.

This Trophy Could be Ours for Keeps

Yes, Muskegon Senior High School has taken the much desired sportsmanship trophy for the second year. All the credit for winning this honor belongs to the student body.

The judging is done by North Muskegon at the games played against our rivals, Catholic Central and Muskegon Heights.

Senior High wishes very much to receive the trophy again this year for that will make it our permanent possession.

It's Ours For Now

The story of the Oosterbaan trophy which Muskegon Senior attained this year, dates back to 1948. Bennie B. Oosterbaan was named coach of the year in the United States after the 1948 football season. He appeared at the Muskegon Elks football banquet that December, and was presented with the trophy by LeRoy A. Prescott and C. D. McNamee. The trophy, it was decided, would never become the permanent possession of any school but would be held for a year by the school winning the South-western Michigan Conference title.

The first trophy was jointly held by Kalamazoo Central and Bennie's old school, Muskegon.

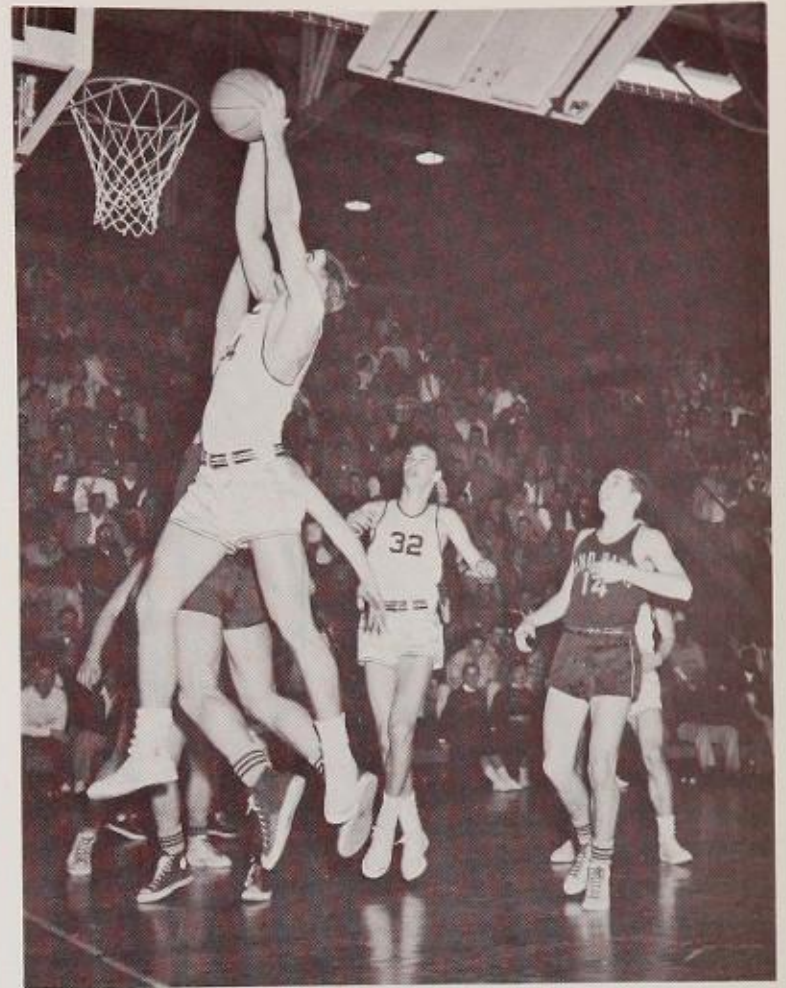

Since then the winners have been:

- 1950—Muskegon Heights
- 1951—Muskegon
- 1952—Muskegon and Benton Harbor
- 1953—Benton Harbor
- 1954, '55, '56, '57—Muskegon Heights
- 1958—Muskegon

The trophy has been presented, almost every year, by Coach Oosterbaan, who stated he would be available for the presentation.

Tony Ramirez, cross country victor, gets on his mark.

M.H.S. athletes are feted at the annual football banquet.

Each year the football squads, officials, coaches, administrators, and fathers have a wonderful time re-living the season at the annual banquet. Football letters and awards are usually handed out at this event. Also an outstanding speaker is

present. This year Mr. Muller gave those present a very inspirational talk. Beside this "feed", the boys are also honored by the Elks Club at a later date.

Intramural Sports Call Many Girls

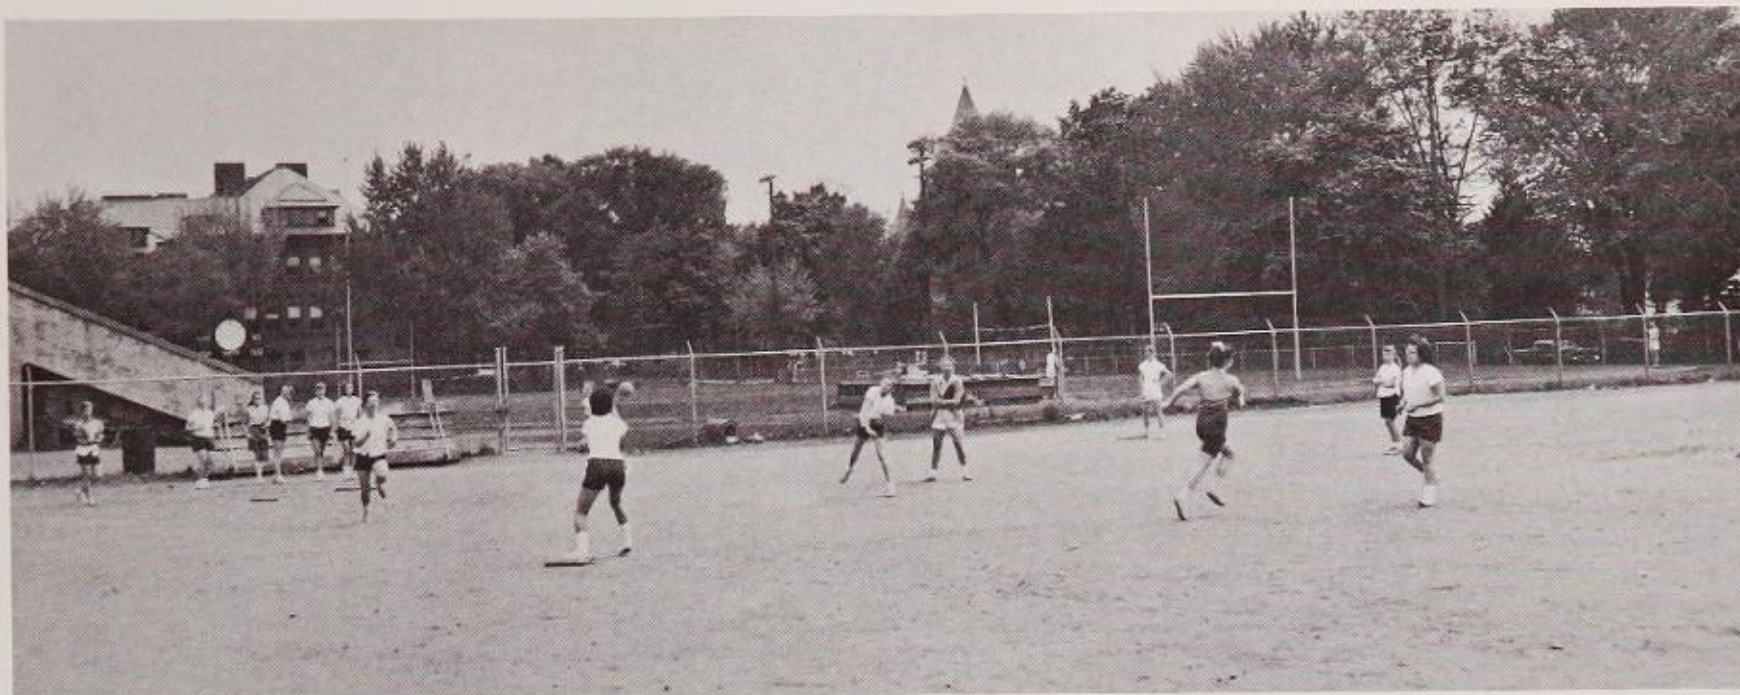

G.A.A., which stands for Girls' Athletic Association, carried everything this year from basketball to swimming. The ideals of the club are to try to promote good sportsmanship and good feeling among the girls while teaching them the skills of each game.

G.A.A. also thought of others, for example: it has contributed every year to MAP and AFS campaigns. The club boasted a membership of fifty girls this year, with a new advisor, Mrs. Gillaspay. Also advising was Mrs. Seastrom.

About forty girls, including G.A.A. members, went out for an exciting game of field hockey this year. It is a variation of the tremendous game played on ice, but their ice is the football field.

In the tournament the "Brainless Brats" came out as the winning team through tough competition with three others.

Fifty Girls Try for 300 Score

Seventy girls came out this year to compete in one of America's favorite sports, bowling. Fifteen teams were organized from this number. Wanda Dodge led in the series tournament; while C. C. Arnold led in the singles tournament. "The Alley Delights,"

meanwhile, was the leading team. In the singles tournament in Grand Rapids, Ilene Oestman represented the Michigan Bowling Alley with a fine score. In March, the girls held a banquet, which was a great success. Mrs. Gillaspay advised the girls.

As others hopefully gaze at their moving balls, Carol Bollenbacher is well on her way to a much desired 300 score.

SET IT UP! was a familiar cry heard at every girl's volleyball game this year. Of the forty girls who came out for this invigorating sport, six teams were organized. The champions were Glenna Strickler's team, the "Beep-Beeps" who won by a narrow margin.

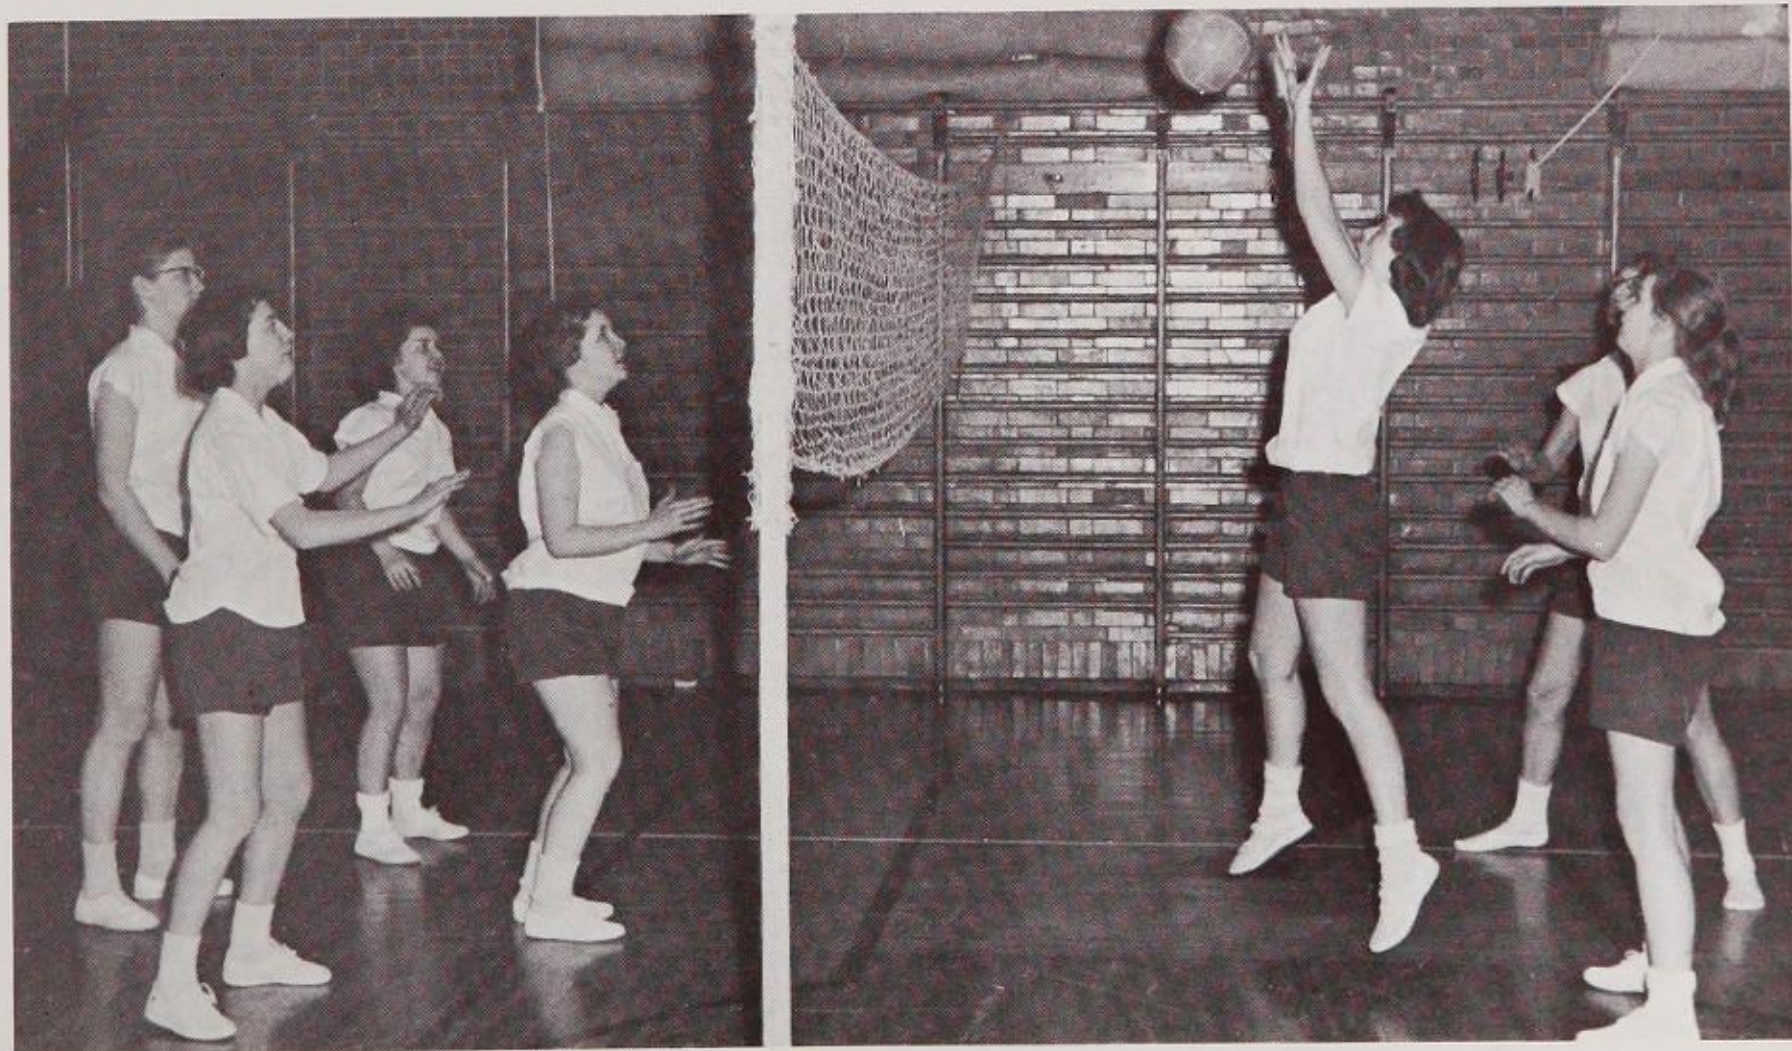

Volleyball is a game becoming more popular with both guys and gals since it is similar to deck tennis. Mrs. Gillaspy supervised the play.

Winning Volley Ball Team — "Beep - Beeps"

FRONT ROW, R. to L.: Brauen Lynch, Nedra Cooper, Ruthann Holman, Pearl Crawford. SECOND ROW: Phyllis Bovay, Caren Butterfield, Karen Stromsta, Glenna Strickler, Captain, Pat Prentice.

Excitement and Action Comes From Teamwork

Opposing teams each eye the volleyball, waiting for their chance to come out on top.

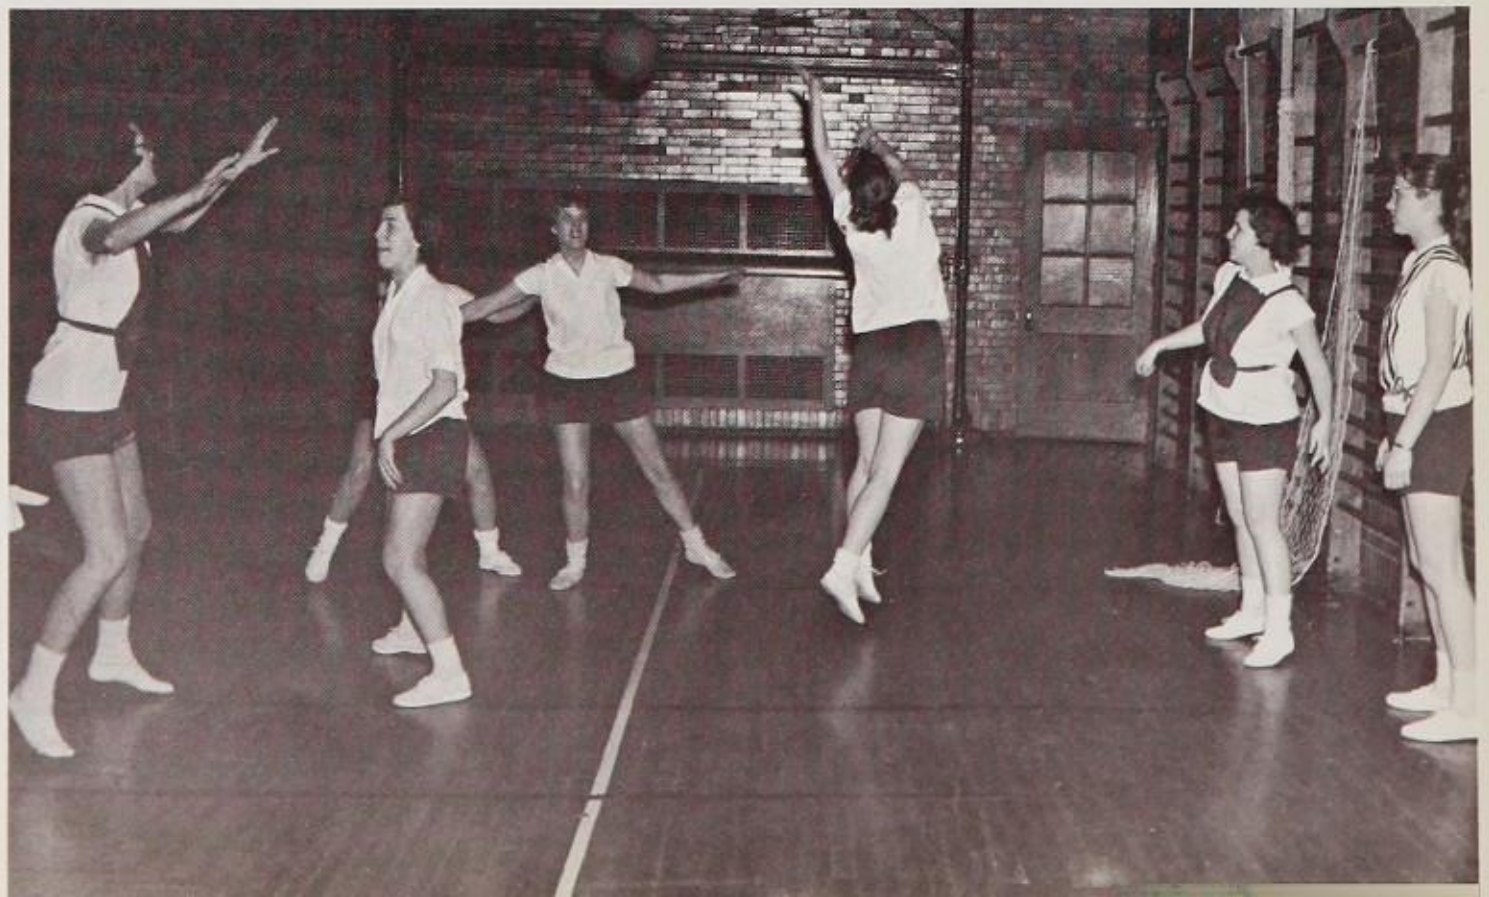

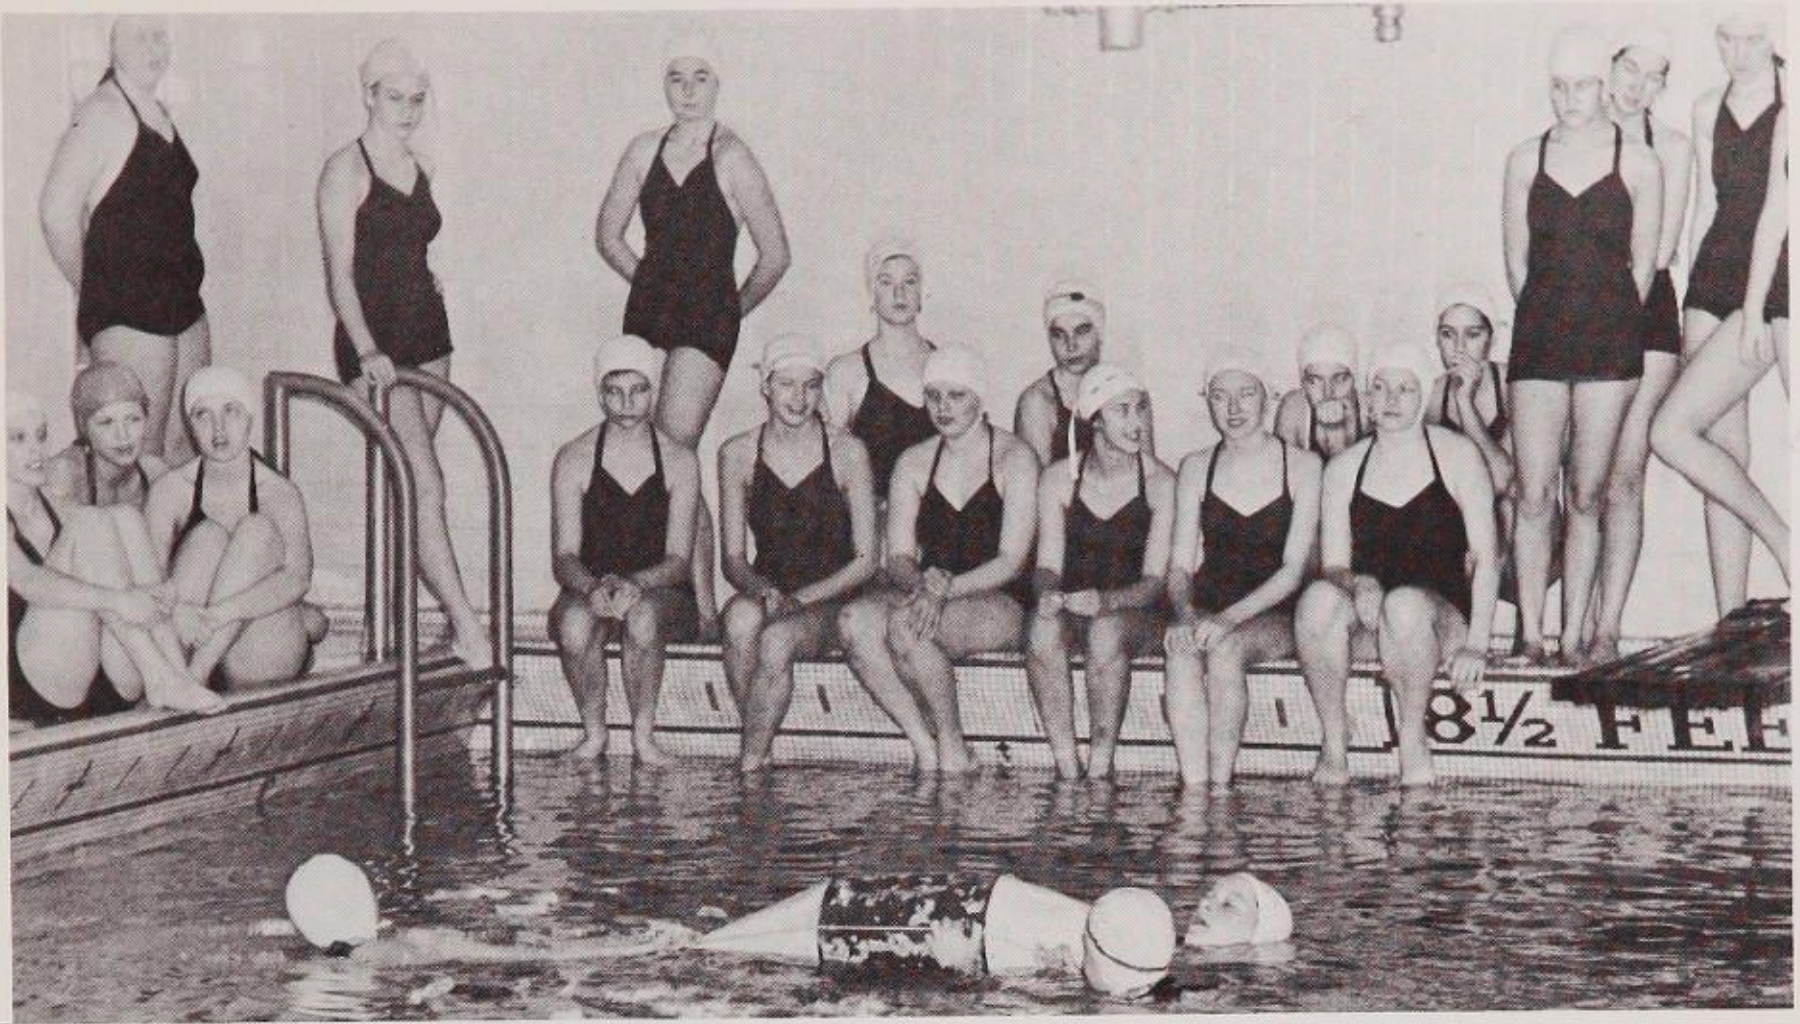

Basketball is one of the most exciting games played each year in intramural sports. The girls looked forward to this year's season with anticipation and excitement. Each game is played in ten minute halves in which the players switch baskets. Ten teams competed against each other this year. After the last game, the long awaited "feed", which was devoured almost immediately, was held. The girls outdid themselves in their choice of team names this year. The titles were more colorful than those chosen for the other sports.

Karen Stromsta and Judy Pohl each try to get the ball to their team members as they jump for the tip-off.

Ten Teams Vie for B. B. Honors

The "Reds" do a fine job of guarding The "Whites", who seem about to make a basket.

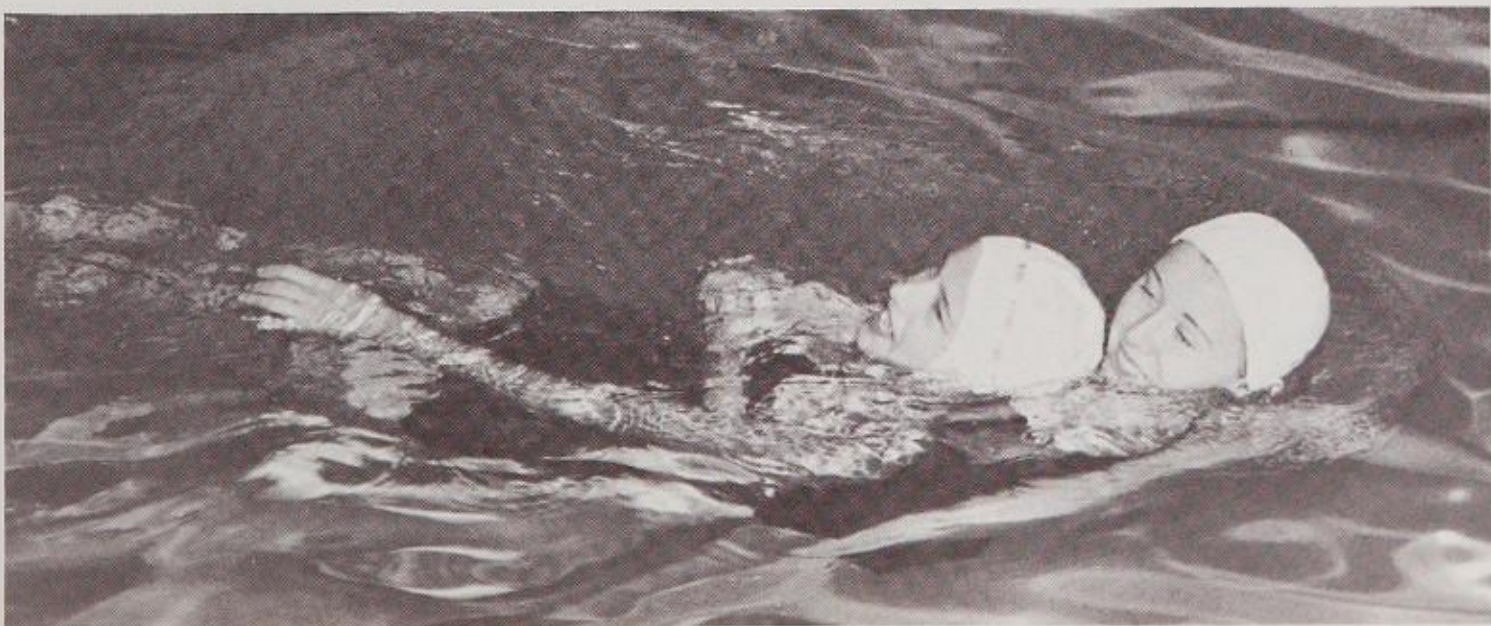

Lifesavers observe the correct procedure for pulling in swimmers using a torpedo buoy.

Water Wonderland Needs Mermaids

Help! Help! If any girl from our senior high life saving class hears a cry like that this summer, you can rest assured that the situation is well in hand. This year, Mrs. Seastrom trained an excellent number of girls. The schedule was very rugged. In order to get a

certificate, the girls must pass their class work, a written examination, and also a practical examination. On the public beaches in the future these girls will be able to give a great contribution to society.

Jo Mark demonstrates the arm carry technique on Kay Wildfong.

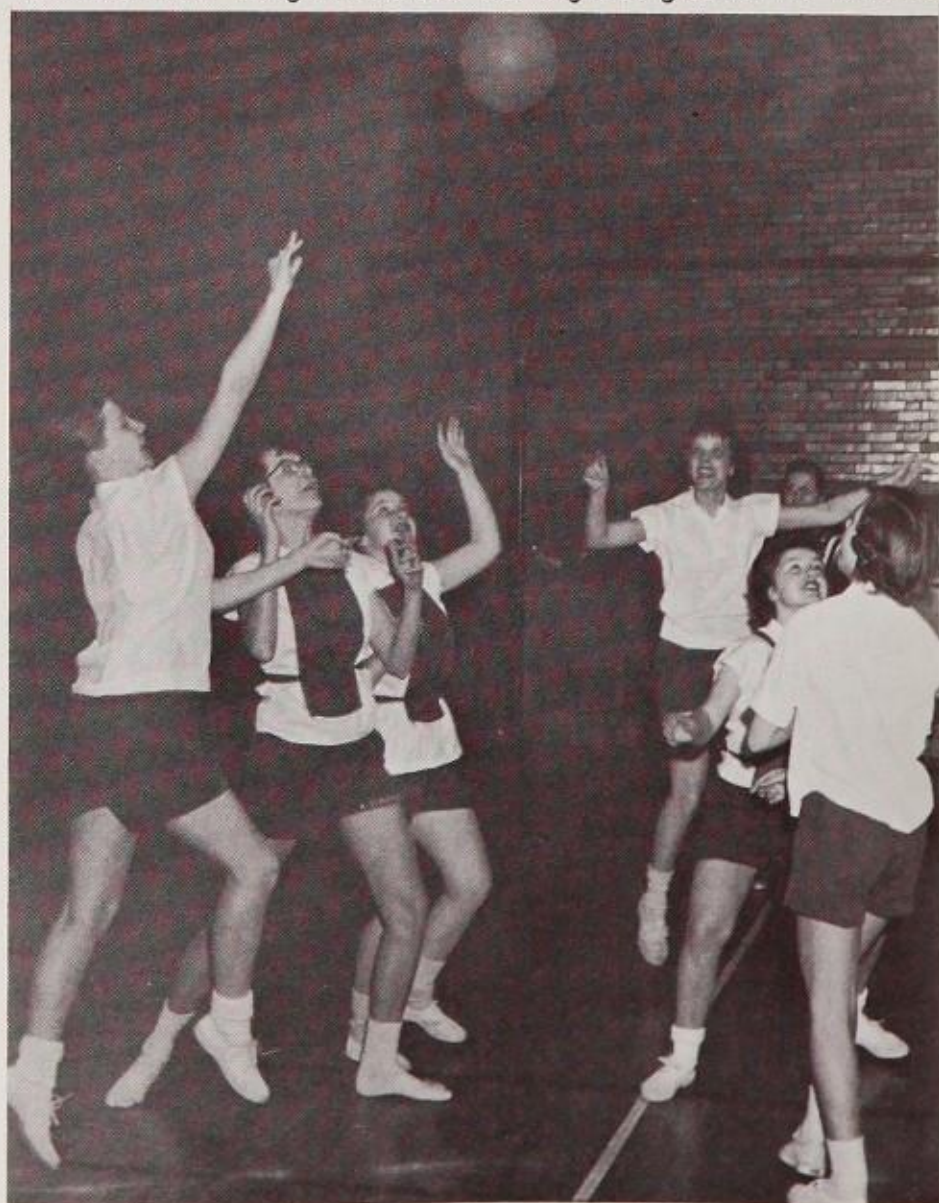

Piling up excellent scores for bowling were:
FRONT ROW, L. to R.: Vivian Taylor, Ilene Oestman, Dee Higgenson. SECOND ROW: Eunice House, Linda Cutler, Karen Ritter, Shirley Halverson, Elaine Holmgren.

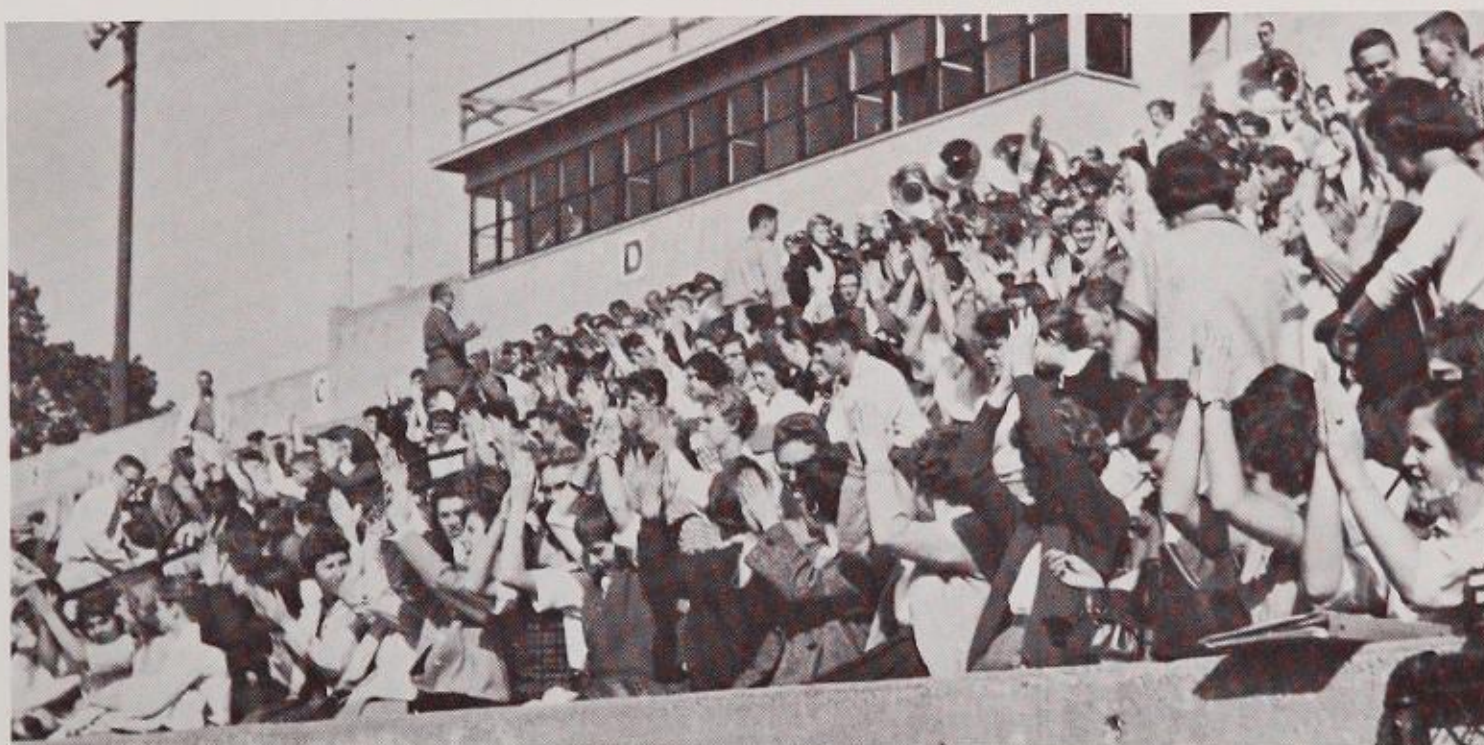

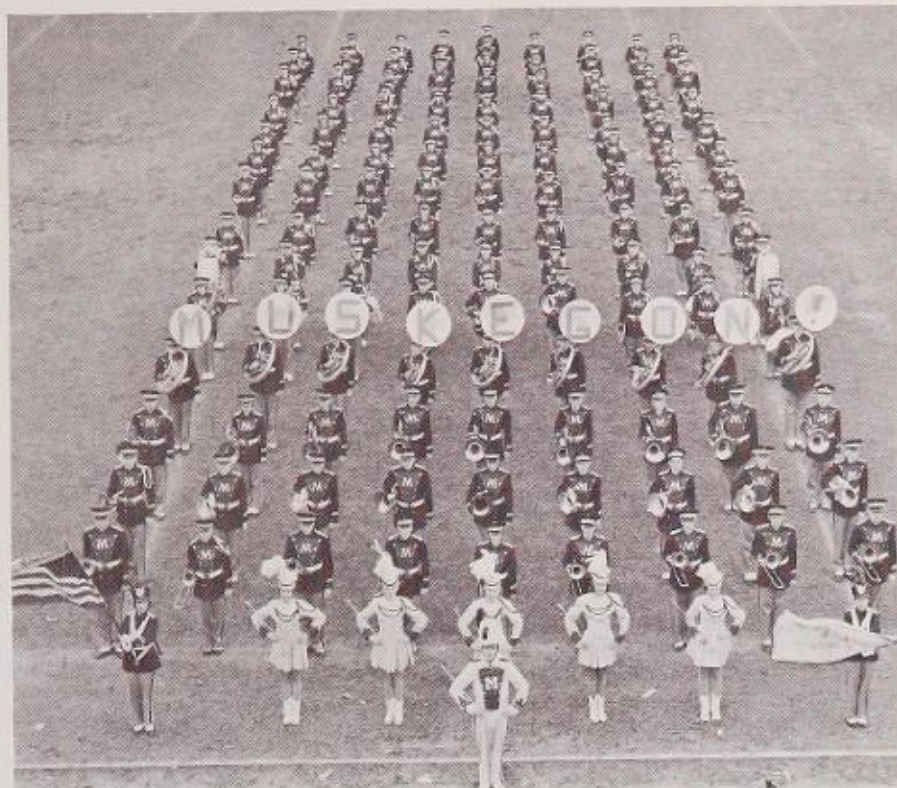

Intramurals Give Girls Variety

Lifesavers demonstrate the "tired swimmer" technique on their partners.

Glenna Strickler lets go with a shot that might be good for the "whites".

Our People

What a hustle and bustle there is when all the 2260 students arrive in the mornings, pass between classes, hurry off to appointments, and meet friends for lunch. Everyone has to be on schedule; so the eyes are on the clocks, and the ears are attuned to the bell. Everyone is in a hurry. Time is of the essence!

Thanks and Adieu

The time has come to say "Good-bye" to all of you: faculty, administrators, and classmates. We have enjoyed working with you, and we have all had a good time together this year making this book possible. It, too, has taken time to plan the contents, to assemble all of the materials, and put it together for your enjoyment. May you have a wonderful time reminiscing as you turn the pages.

Our "Thanks" go to the following who helped us with the yearbook:

The MHS Administration and Faculty
The Muskegon Chronicle
Mr. Lloyd, Pippel-Patterson Company
The Advertisers
Mr. Russell Stevens
Mr. Robert Ritcheski

The Staff

Editor-in-chief Jeanne Vander Weg
Layouts Joyce Hulka, Linda Lundwall, Charles Mattson
School Life Lisabeth Cayan, Peggy Hollander, Barb Kodish
Faculty and Administration Carole Mohr, Elise Schanzlin, Sally Tousey
Classes Darlene Goosen
Organizations Sharon Peters, Jan Roberts
Undergrads Inez Roer, Sharon Rauschenberger
Seniors Gail Daniels, Janice Davis, Judy Hovey
Sports (boys) Jim Doubles
Sports (girls) Judy Pohl
Advertising Judy Carlson, Joyce Hulka, Barb Hunt,
Mike Meyer, Charles Mattson
Typists Inez Roer, Carol Bollenbacher
Advisor Miss Ethel Pihlstrom

Marlene,
To a real
swell gal who
I've enjoyed
knowing. Don't
forget our suffering
in chemistry class.
God be with you
always Sandy
Lathrop

Marlene,
I wish you the
best of luck. You are
a wonderful, Christian
girl. Remember Mrs.
O'Connor and our English class.
Hope to see you next year. Good
luck always.

As always,
Judy Peterman

Marlene,
Best of luck to
a real nice girl.
Best of luck in
the English exam
and never forget
that class. Be good
like you are now
and you'll keep your
many friends.

Marlene,
To a swell
girl, a good
friend. Best of
luck in whatever
you do. Don't
forget English
class. Love,
Lathrop

As Ever,
Lynn Leffing

Marlene:
I never thought
that I'd be back in
school with you
again, but here I am.
Best of luck to a real
swell gal, and may
you ever keep on
living for Him.

Belouis E.

Marlene,
Good Luck
To a real sweet and
wonderful Christian girl.
May God Bless you in
the years to come.
Love ya,
Edith
Lyonberg

Marlene,
To me you've always been a fine
example of Christian cheerfulness.
Please don't change and always
remember "Jesus can never fail."

Hells,
Goodbye,
P. Jay Vandusen

Marlene,
To a wonderful
gal with a wonderful
personality. Keep up
the good work and
you will be tops.
Remember all our
good times at first
lunch. We had a
ball didn't we and
I'm not so stupid
acting. Come down and
see me sometime and
meet my family. Good
luck in the future, be
good and keep smiling
it becomes you.
